## Devoko DVCH-240432-0

# Devoko 120 Gallon Outdoor Resin Deck Box User Manual

MODEL: DVCH-240432-0

## Introduction

---

Welcome to your new Devoko 120 Gallon Outdoor Resin Deck Box. This versatile storage solution is designed to keep your outdoor items organized and protected from the elements. It features a durable, waterproof resin construction, a spacious interior, and a lid that can double as extra seating. Its modern design with a wood-like grain complements any outdoor space.

## Safety Information

- Ensure the deck box is placed on a flat, stable surface to prevent tipping.
- Do not allow children to play inside the box to prevent suffocation.
- Do not overload the box beyond its stated capacity to maintain structural integrity.
- When using the lid as a bench, ensure it is fully closed and securely latched before sitting.

## Package Contents

Upon unpacking, please verify that all the following components are present:

- Deck Box Panels (Base, Sides, Front, Back, Lid)
- Hydraulic Pistons (2 units)

- Reinforcement Bars
- Assembly Instructions Manual

## Setup / Assembly

---

The Devoko 120 Gallon Deck Box is designed for simple and quick assembly. No additional tools are required beyond what might be needed for securing the hydraulic pistons (often a screwdriver).

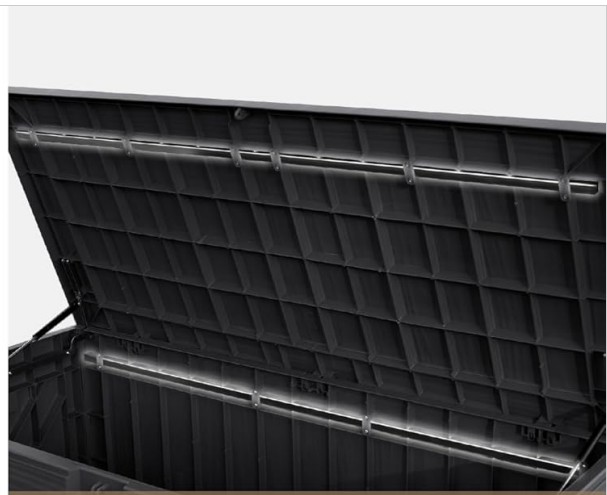

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify all components are present and undamaged.
2. **Assemble Base and Sides:** Follow the detailed diagrams in the included assembly instructions to connect the base panel to the side panels. Ensure all connections snap securely into place.
3. **Attach Front and Back Panels:** Connect the front and back panels to the assembled sides and base, ensuring a tight fit.
4. **Install Lid and Hydraulic Hinges:** Attach the lid to the main body. Install the hydraulic pistons on both sides of the lid. These pistons facilitate easy lift and soft-close operation.
5. **Final Check:** Ensure all parts are correctly assembled and the lid opens and closes smoothly.

## Operating Instructions

- **Opening the Lid:** Gently lift the lid using the integrated handle. The hydraulic pistons will assist in opening and holding the lid in place.
- **Closing the Lid:** Gently push down on the lid. The soft-close mechanism will ensure a smooth and controlled closing.
- **Locking Mechanism:** The deck box features a built-in provision for a padlock (padlock not included). Insert a padlock through the designated holes on the front of the lid to secure your stored items.
- **Using as a Bench:** The reinforced lid allows the deck box to be used as a seating bench for up to three individuals. Ensure the lid is fully closed before sitting.

## Maintenance

- **Cleaning:** Wipe the exterior with a damp cloth and mild soap. Avoid abrasive cleaners that may damage the resin finish.
- **Waterproofing:** The resin material is water-resistant. To maintain optimal waterproofing, ensure the lid is properly closed and sealed.
- **UV Protection:** The wood-like grain design is complemented by UV-resistant properties to maintain a fresh look even with all-weather use. Regular cleaning helps preserve its appearance.

# WATER & UV PROOF

## Ensure The Durability Of Storage Box

*Image: The deck box highlighting its water and UV-proof features, ensuring durability against outdoor elements.*

### Troubleshooting

- **Lid not closing smoothly:** Check for any obstructions inside the box or along the hinge mechanism. Ensure the hydraulic pistons are correctly installed and not damaged.
- **Water inside the box:** Verify the lid is fully closed and sealed. Inspect the box for any cracks or damage that might compromise its waterproof integrity.
- **Difficulty moving the box:** Utilize the integrated side handles for easier portability. If the box is full, consider emptying some contents before moving.

### Specifications

<b>Brand</b>	Devoko
<b>Model Number</b>	DVCH-240432-0
