1. **Step 1: Base Assembly.** Attach posts P1 and P2 to the base platform (A) using the provided screws.
2. **Step 2: Lower Condo.** Secure the lower condo (B) onto the posts from Step 1. Ensure it is stable.
3. **Step 3: Mid-Level Posts.** Attach posts P3 and P4 to the top of the lower condo (B).
4. **Step 4: Hanging Basket and Platform.** Attach the hanging basket (C) to the side and the mid-level platform (D) to the top of the posts from Step 3.

5. **Step 5: Upper Condo.** Place the upper condo (E) onto the mid-level platform (D) and secure it.
6. **Step 6: Upper Posts.** Attach posts P5, P6, and P7 to the top of the upper condo (E) and the adjacent platform.
7. **Step 7: Top Perch.** Secure the oversized top perch (G) onto the uppermost posts.
8. **Step 8: Teaser Wand.** Attach the teaser wand (H) to the top perch.
9. **Step 9: Anti-Tip Straps.** Install the anti-tip straps (W3, W4) to secure the cat tree to a wall for enhanced stability.

Ensure all screws are tightened securely after each step to maintain the stability of the structure.

OPERATING INSTRUCTIONS

The Globlazer Large Cat Tree Tower is designed for your cat's comfort and entertainment. Encourage your cat to explore its various features:

- **Spacious Condos:** The two enclosed caves provide private spaces for rest and hiding. Cats can enter and exit through multiple openings.
- **Oversized Top Perch:** This padded platform offers a high vantage point for observation and relaxation. Its raised edges provide a secure feeling.
- **Hanging Basket:** The soft fabric basket provides a cozy spot for napping.
- **Natural Sisal Posts:** Encourage your cat to scratch on the sisal-wrapped posts to satisfy their natural instincts and protect your furniture.
- **Interactive Teaser Wand:** Use the removable toy mouse to engage your cat in play, enhancing interaction.

MAINTENANCE

- **Screw Firmness:** Check the firmness of all screws at least once a month to ensure the stability and safety of the cat tree. Tighten any loose screws immediately.
- **Cleaning:** The plush material of the cat tree should be hand washed only. Avoid machine washing or harsh chemicals to preserve the fabric's integrity.
- **Inspection:** Regularly inspect the cat tree for any signs of wear and tear, especially on the sisal scratching posts and platforms. Replace damaged parts if necessary.

TROUBLESHOOTING

If you encounter any issues with your Globlazer Cat Tree, consider the following:

- **Wobbling:** Ensure all screws are fully tightened. Verify that the anti-tip straps are correctly installed and secured to a wall.
- **Parts Missing/Damaged:** If any parts were missing or damaged upon arrival, please contact customer support for assistance.

- **Cat Disinterest:** Try placing treats or catnip on different levels to encourage your cat to explore the tree.
