Earbuds not charging	Ensure the charging cable is securely connected to both the case and the power source. Try a different USB Type-C cable and power adapter. Clean the charging contacts on the earbuds and inside the case. Ensure the earbuds are correctly placed in the charging case.
Intermittent connection/audio dropouts	Ensure there are no obstructions between the earbuds and your device. Move closer to your connected device. Avoid environments with strong Wi-Fi or other wireless interference. Restart your connected device.
