7. TROUBLESHOOTING

If you encounter any issues with your furniture set, please refer to the following common solutions:

Problem	Possible Cause	Solution
Furniture feels unstable or wobbly.	Uneven surface or loose connections.	Adjust the L-shaped foot mats on each leg to level the furniture. Check and tighten all assembly hardware.
Cushions slide off easily.	Improper placement or excessive movement.	Ensure cushions are placed correctly with the anti-slip bottom facing down. The anti-slip point design should help secure them.

Problem	Possible Cause	Solution
Rattan appears damaged or unraveling.	Impact or prolonged exposure to extreme conditions.	For minor unraveling, carefully tuck the strand back into place. For significant damage, contact customer support.
