WLIVE ADSG054HF

WLIVE Electric Fireplace TV Stand User Manual

Brand: WLIVE | Model: ADSG054HF

1. PRODUCT OVERVIEW

The WLIVE 3-Sided Glass Electric Fireplace TV Stand is a versatile entertainment center designed to accommodate TVs up to 65 inches. It features a realistic 3-sided electric fireplace, adjustable LED strip lighting, and ample storage with glass-door cabinets and open shelving. Crafted from high-grade wood particle board with metal accents, this unit combines farmhouse charm with modern functionality, providing both aesthetic appeal and practical heating for your living space.

2. SAFETY INFORMATION

Please read all safety warnings and instructions before assembling and operating this product. Failure to follow these instructions may result in electric shock, fire, property damage, or personal injury.

- Ensure the power outlet meets the electrical requirements of the fireplace unit.
- Do not overload electrical circuits.
- Keep flammable materials at least 3 feet (0.9 meters) away from the front of the fireplace.
- Do not block the air vents of the fireplace unit.
- This product is equipped with overheat protection. If the unit overheats, it will automatically shut off.
- Always unplug the unit from the power outlet before cleaning or performing any maintenance.
- This unit is heavy (approximately 92.4 pounds). Always use two or more people for lifting and assembly to prevent injury.

3. PACKAGE CONTENTS

Your WLIVE Electric Fireplace TV Stand is shipped in two separate packages, which may not arrive on the same day. Please ensure all packages have been received before beginning assembly. All hardware and parts are clearly numbered for easy identification. Refer to the included assembly manual for a detailed list of components.

4. ASSEMBLY INSTRUCTIONS

Assembly of the WLIVE Electric Fireplace TV Stand requires careful attention to detail. Please follow the step-by-step instructions provided in the separate assembly manual included with your product. All necessary tools are provided. It is highly recommended that two adults participate in the assembly process due to the size and weight of the components.

- Unpack all components and verify against the parts list in the manual.
- Organize parts by their numbered labels to simplify the process.

- Do not overtighten screws to avoid damaging the engineered wood.
- Ensure the 3-inch thickened base is securely attached for stability.
- Utilize the 4 cable management holes to keep wiring tidy.

5. OPERATING INSTRUCTIONS

5.1 Electric Fireplace Operation

The electric fireplace unit can be controlled via the included remote control or the control panel on the unit itself.

- **Power On/Off:** Press the Power button on the remote or unit.
- **Flame Colors:** Cycle through 14 different flame colors using the 'Flame' button.
- **Flame Brightness:** Adjust the flame brightness with 3 available levels.
- **Heat Control:** The heater provides warmth for rooms up to 400 square feet. Adjust the temperature from 62°F to 95°F using the 'Heat' buttons.

- **Timer Function:** Set an automatic shut-off timer for up to 12 hours using the 'Timer' button.

6. MAINTENANCE

To ensure the longevity and appearance of your TV stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** The wooden top is waterproof; wipe spills immediately to prevent staining.
- **Dusting:** Regularly dust all surfaces, including the fireplace glass and shelves, with a dry, soft cloth.
- **Electrical Components:** Ensure the fireplace unit's vents are clear of dust and debris for optimal performance and safety.

7. TROUBLESHOOTING

If you encounter any issues with your WLIVE Electric Fireplace TV Stand, please refer to the following common solutions:

- **Fireplace Not Turning On:** Check if the power cord is securely plugged into a working outlet. Ensure the unit's power switch is in the 'On' position.
- **No Heat Output:** Verify that the heat function is activated and the temperature setting is above the current room temperature. Check for any obstructions in the air vents.
- **LED Lights Not Working:** Ensure the LED strip is properly connected and the remote control battery is not depleted.
- **Remote Control Not Responding:** Check and replace the remote control battery if necessary. Ensure there are no obstructions between the remote and the unit's sensor.
- **Unusual Noises:** If the fireplace unit produces unusual noises, turn it off immediately and unplug it. Contact customer support.

For persistent issues or concerns not addressed here, please contact WLIVE customer support for assistance.
