UPOSOJA 65-inch Gaming Desk with Hutch Instruction Manual

Model: DJ503422

INTRODUCTION

Thank you for purchasing the UPOSOJA 65-inch Gaming Desk with Hutch. This versatile desk is designed to enhance your gaming or home office setup with integrated power, dynamic LED lighting, and extensive storage solutions. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

IMPORTANT SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Keep sharp edges and small parts out of reach of children.
- This product is heavy; ensure stable placement to prevent tip-over risks.
- Do not exceed the load capacity of the desk.
- Ensure all connections for power outlets and LED lights are secure before use.

PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed in the assembly instructions are present and undamaged. Refer to the detailed parts list provided in your physical manual for specific component identification.

ASSEMBLY INSTRUCTIONS

Assembly is required for this product. All accessories have clear labels and instructions for easy assembly. Stickers are provided to easily cover unwanted wood holes caused by DIY assembly. It is recommended to have two people for assembly.

General Assembly Tips:

- Lay out all components and hardware before starting.
- Do not overtighten screws during initial assembly; tighten fully once the structure is stable.
- The desk features a reversible design, allowing the file cabinet and bookshelf to be placed on either the left or right side according to your preference.
- Tools provided: Allen wrenches and a screwdriver.

Assembly Video Guide:

OPERATING INSTRUCTIONS

1. Power Outlets & USB Ports

The desk includes a built-in power strip with 4 AC outlets (125V/12A) and 2 USB ports (5V/2A) to conveniently power up to 6 devices simultaneously. The power cord is 6.6 feet long. Simply plug the desk's main power cord into a wall outlet, then connect your devices to the integrated outlets and USB ports.

2. RGB LED Light

The integrated RGB LED lights offer over 60,000 colors and 29 flash patterns. Control the lighting via a dedicated app on your smartphone or using the physical keystrokes. The lights can also synchronize with music played on your phone, providing an immersive visual experience.

3. Monitor Stand

The 44.9-inch monitor stand is designed to accommodate up to two computer monitors, elevating them to an ergonomic height. This helps maintain a healthy sitting posture and reduces strain on your neck and back during extended use.

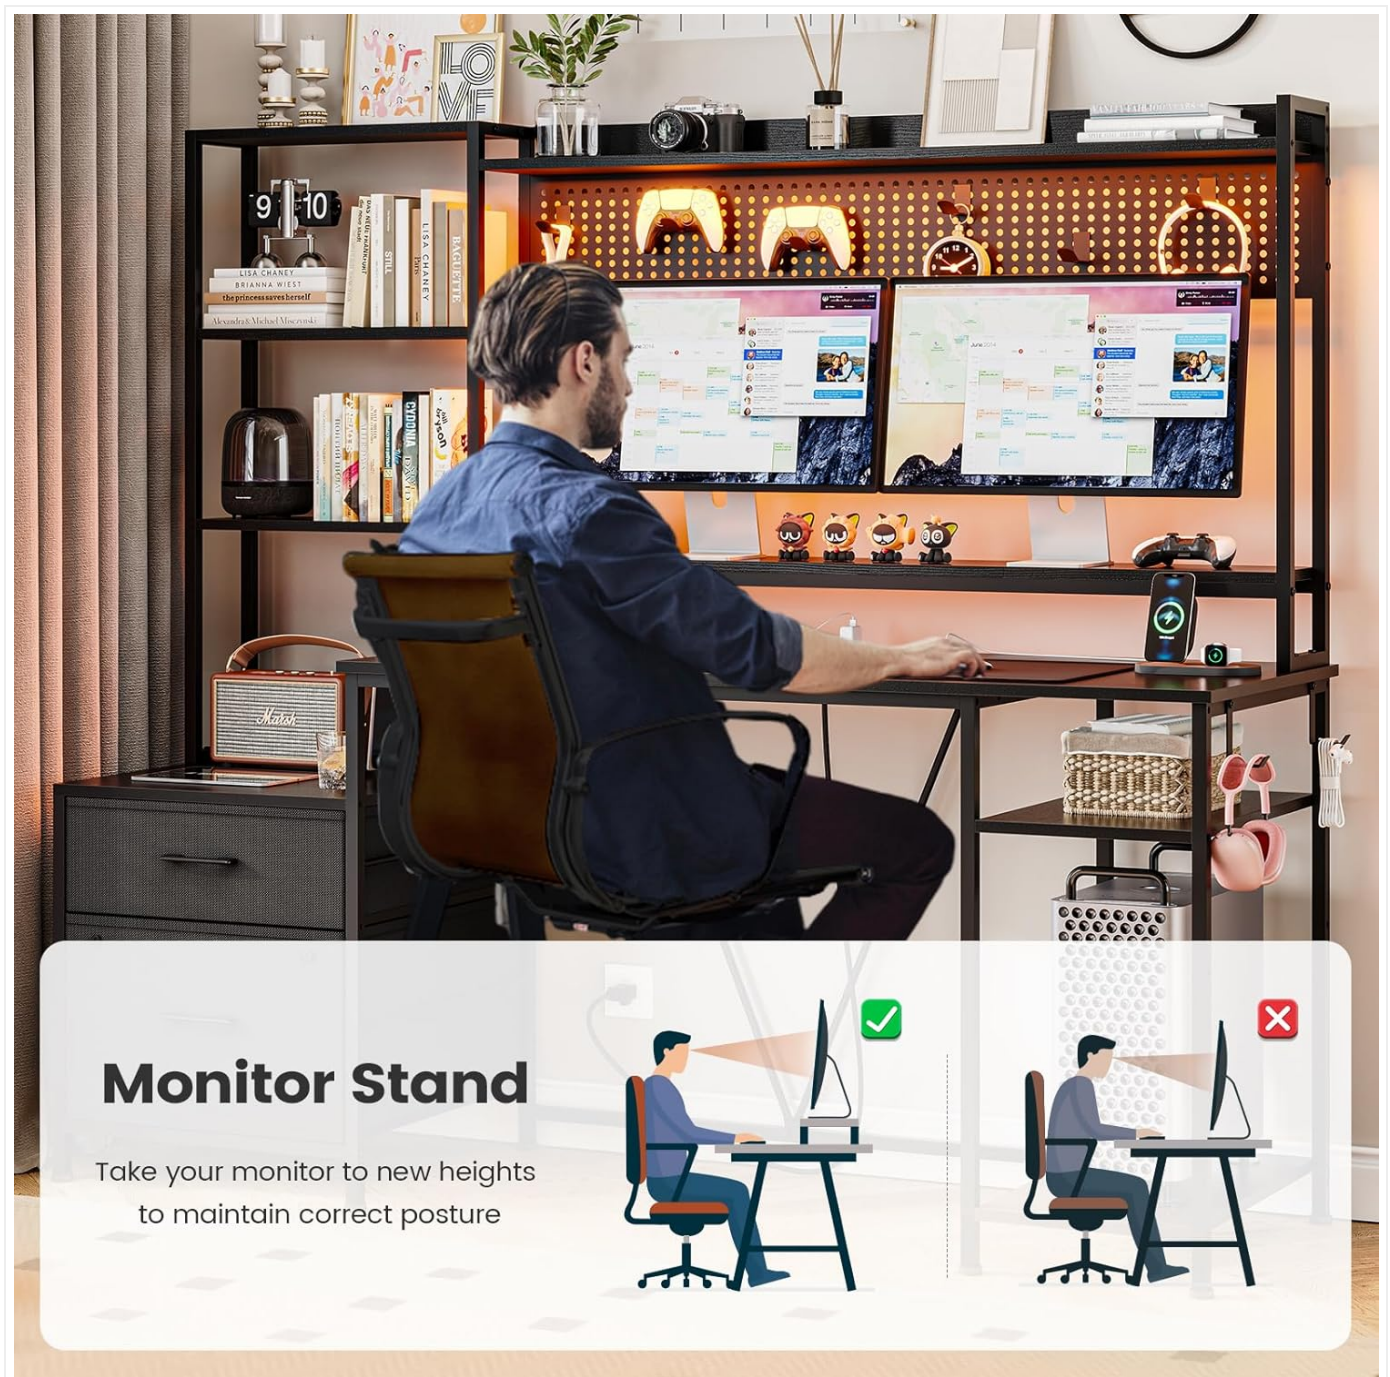

Spacious desktop

4. Storage Features

- **Spacious Desktop:** The desk offers a generous 47.24 inches wide desktop and 29 inches high leg space for comfortable working or gaming.
- **Fabric Drawers:** Two fabric drawers are included. The smaller top drawer is suitable for small items, while the larger file drawer can hold Letter, Legal, or A4 size documents.
- **Pegboard & Hooks:** A DIY multifunctional pegboard with 6 metal hooks allows you to hang tools, keys, headphones, or other accessories, keeping your workspace organized.
- **Shelves:** The desk features a 3-tier bookshelf, printer space, and additional top shelves for ample storage.
- **Mouse Pad:** A large mouse pad (11.8in * 31.5in) is included for enhanced comfort and precision.

MAINTENANCE

To maintain the appearance and longevity of your UPOSOJA Gaming Desk, wipe surfaces with a dry cloth regularly. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.

TROUBLESHOOTING

- **Misaligned Screw Holes:** If you encounter misaligned screw holes during assembly, ensure all parts are correctly oriented according to the instructions. Sometimes, slight adjustments or loosening other screws can help align the parts. If a main desktop piece has incorrectly drilled holes, contact customer support.
- **Computer Tower Placement:** The designated space for a computer tower on the bottom shelf might be small for larger towers (e.g., 18 inches or taller). Consider placing larger towers on the floor in the ample legroom area or on top of the pull-out drawers if space allows.

- **LED Lights Not Working:** Check all power connections for the LED strip. Ensure the power adapter is securely plugged into both the LED strip and a working power outlet. Verify that the app or keystroke controls are correctly configured.
- **Desk Stability:** If the desk feels unstable, ensure all screws are fully tightened. The adjustable leg pads can be used to level the desk on uneven floors.

SPECIFICATIONS

Feature	Detail
Brand	UPOSOJA
Model Number	DJ503422
Desk Design	Computer Desk with Hutch
Color	Black
Size	65 inches (Working Surface Diagonal Length)
Item Dimensions	64.96 x 18.9 x 62 inches (L x W x H)
