Xilingol 5-in-1 Baby Bassinet Bedside Sleeper

MODEL: CLXLF012WB

Brand: Xilingol

Introduction

The Xilingol 5-in-1 Baby Bassinet Bedside Sleeper is a versatile solution designed to adapt to your baby's growth and your family's needs. This product seamlessly transitions between a bedside sleeper, changing table, independent crib, rocking bassinet, and a portable playpen, ensuring comfort and safety at every stage.

Safety Information

Always read and follow all instructions and warnings provided with this product. Ensure all parts are correctly assembled and securely fastened before use. Never leave a child unattended in the bassinet or playpen. Discontinue use of the bassinet feature when the infant begins to push up on hands and knees, or has reached the maximum weight of 33 pounds, whichever comes first. For the playpen mode, discontinue use when the child is able to climb out or reaches 66 pounds. Use only the mattress/pad provided by the manufacturer. Do not add extra padding or mattresses.

Setup and Assembly

Follow these steps to assemble your Xilingol 5-in-1 Baby Bassinet:

1. **Unpack the Unit:** Remove the bassinet from its carry bag and stand it upright.
2. **Expand the Frame:** Push down on the center of the base until the frame locks into place. Ensure all four side rails are securely locked. You should hear a click.
3. **Install the Bassinet Insert:** For infants, position the bassinet insert at the higher level. Secure it using the provided clips or zippers around the top rails.
4. **Insert Mattress:** Place the mattress pad firmly into the bassinet insert. Ensure it lies flat and covers the entire base.
5. **Attach Changing Table:** Clip the changing table securely onto the designated side rails. Ensure it is stable before use.

6. **Attach Mobile:** Connect the mobile arm to the designated slot on the side rail. Hang the toys as instructed.
