## SETUP AND ASSEMBLY

Assembly is required. Detailed instructions are included in the product package. Please refer to the provided manual for step-by-step guidance. Ensure all components are present before beginning

assembly.

## OPERATING INSTRUCTIONS

### Adjusting Chair Height

Locate the lever on the right side, beneath the seat. Pull the lever upwards while seated to lower the chair, or while standing to raise it. Release the lever at the desired height.

### Reclining the Backrest

Locate the recline lever on the left side of the chair. Pull the lever upwards and lean back to adjust the backrest angle between 90° (upright) and 135° (reclined). Release the lever to lock the backrest in position.

## MAINTENANCE

---

### Product Care Instructions

The fabric of this chair is designed for easy maintenance. For general cleaning, dry clean only. For spills or stains, gently wipe with a damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals or abrasive cleaners.

## TROUBLESHOOTING

---

- **Chair not adjusting height:** Ensure the height adjustment lever is fully engaged or disengaged. Check if the gas lift cylinder is properly installed.
- **Backrest not reclining:** Verify the recline lever is pulled up completely. Ensure no obstructions are preventing the backrest from moving.
- **Footrest not extending/retracting smoothly:** Check for any debris or obstructions in the sliding mechanism. Apply a silicone-based lubricant if necessary.
- **Massage function not working:** Ensure the USB cable is securely connected to a working power

source. Try a different USB port or adapter.
