HOMCOM 83A-102V80GY

HOMCOM 65-inch Kitchen Pantry Storage Cabinet

Model: 83A-102V80GY

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your HOMCOM 65-inch Kitchen Pantry Storage Cabinet. Please read all instructions carefully before assembly and use to ensure safe and proper functionality of the product. Keep this manual for future reference.

SAFETY INFORMATION

No specific warnings are applicable beyond general furniture safety. To prevent tipping, this cabinet must be securely fastened to a wall using the provided anti-tipping straps. Failure to do so may result in injury or property damage. Always ensure the cabinet is placed on a level, stable surface.

SAFETY AND STABLE

The included anti-tipping design helps ensure safe use

Image: Anti-tipping design for enhanced stability and safety. The straps are attached to the top rear of the cabinet and then to the wall.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present and accounted for. Each component is typically numbered for easy identification. If any parts are missing or damaged, please contact customer support.

ASSEMBLY INSTRUCTIONS

Assembly of the HOMCOM 65-inch Kitchen Pantry Storage Cabinet is required. The process involves following a series of picture-based instructions. It is recommended to allocate sufficient time for assembly and to proceed carefully, step-by-step. Ensure all connections are secure before moving the cabinet. Remember to install the anti-tipping straps as detailed in the Safety Information section.

OPERATING INSTRUCTIONS

Adjustable Shelving

The cabinet features 8-tier interior shelving with adjustable shelves. These shelves can be customized to fit items of various heights, such as pitchers, pasta containers, or blenders. To adjust a shelf, carefully remove it from its current position and reinser it into the desired peg holes. The shelves are adjustable in 1.3-inch increments.

3-LEVEL ADJUSTABLE SHELVING

• • •

Door Shelves

The cabinet includes 16 side racks behind the doors, designed for smaller items like spice jars. These racks are equipped with bars to prevent items from falling when the doors are opened or closed. Utilize these for efficient organization of frequently accessed items.

LARGE STORAGE SPACE

● ● ●

Door Operation

The double doors are equipped with magnetic door catches to ensure they remain securely closed. The cabinet features round metal handles for easy opening and closing.

MAINTENANCE

To maintain the appearance and longevity of your cabinet, wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessively hot water, as these can damage the melamine-faced particleboard finish. Promptly clean up any spills to prevent staining or moisture damage.

TROUBLESHOOTING

- **Doors not aligning or closing properly:** Check that the cabinet is on a level surface. Verify that all hinges are securely fastened and adjusted correctly. Ensure the magnetic catches are properly aligned with their corresponding plates.
- **Cabinet feels unstable:** Confirm that all assembly screws are tightened. Ensure the anti-tipping straps are correctly installed and securely anchored to the wall.
- **Shelves not fitting:** Double-check that the shelves are oriented correctly and inserted into the appropriate peg holes.
