IMMERSTABLE Modern

IMMERSTABLE Full Size Bed Frame with LED Headboard and Storage Drawers

User Instruction Manual

INTRODUCTION

Thank you for purchasing the IMMERSTABLE Full Size Bed Frame. This bed frame is designed to provide a comfortable and functional sleeping solution, featuring an upholstered headboard with integrated RGB LED lighting and four convenient storage drawers. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and optimal use of your new bed frame.

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Always follow the illustrated assembly instructions precisely to ensure stability and prevent injury.
- Be cautious around sharp edges during assembly to avoid injury.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of the bed frame.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not stand or jump on the bed frame.
- Only use the bed frame for its intended purpose.

PRODUCT COMPONENTS AND OVERVIEW

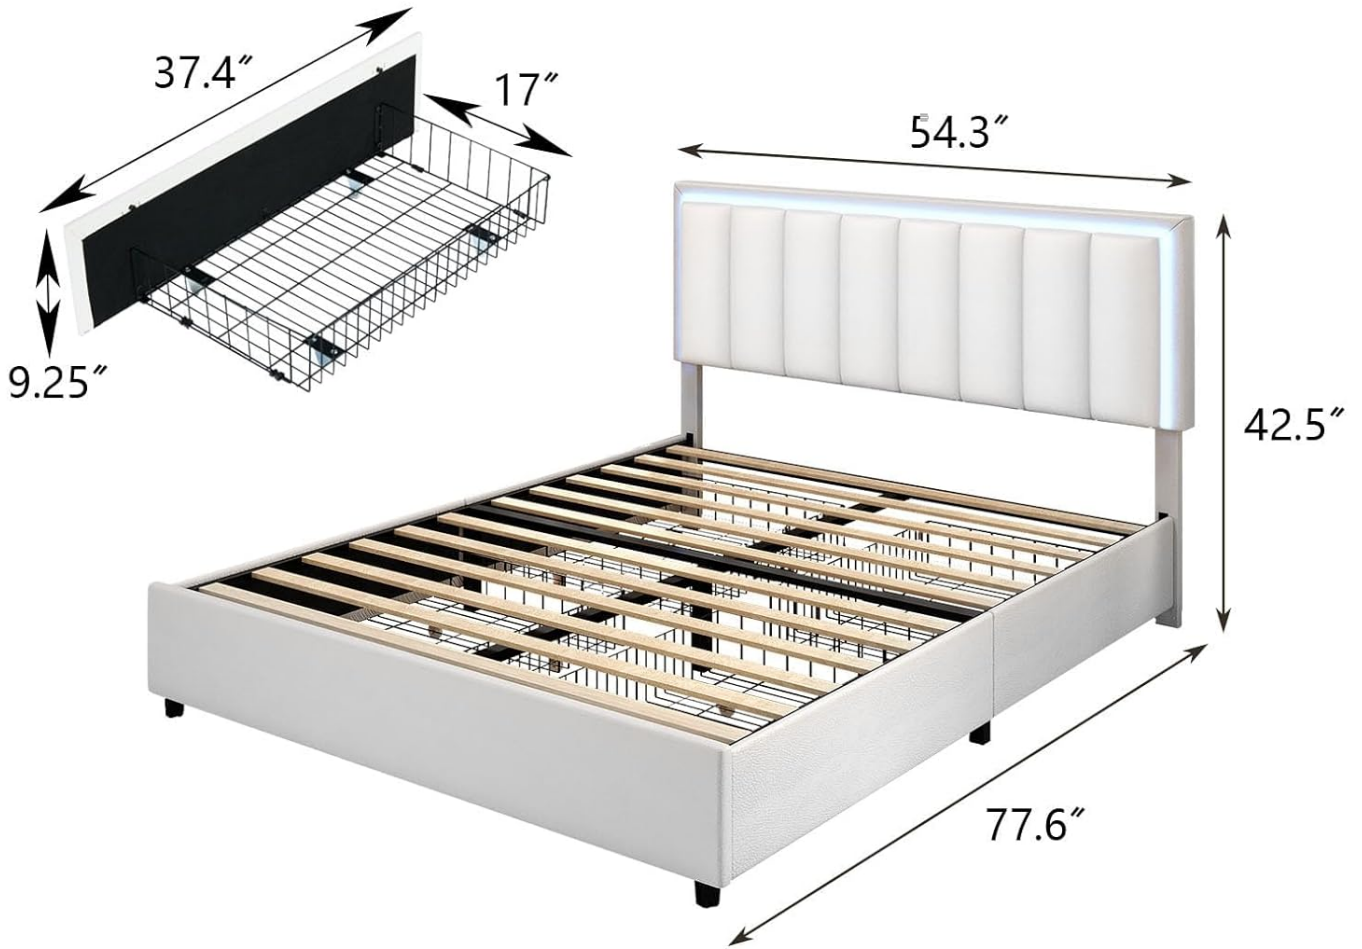

Your IMMERSTABLE bed frame package includes all necessary parts and tools for assembly. Please verify all components are present before beginning assembly.

Figure 1: Full Size Bed Frame Dimensions and Key Components. The diagram illustrates the overall dimensions of the bed frame (77.6"L x 54.3"W x 42.5"H) and highlights the headboard, frame structure, and slat support system. It also shows the recommended mattress height of 8-12 inches.

Figure 2: Assembled IMMERSTABLE Full Size Bed Frame. This image displays the complete bed frame in a bedroom setting, showcasing the upholstered headboard with illuminated LED lights and one of the four storage drawers pulled out, revealing stored items.

Key Features:

- **4 Storage Drawers:** Equipped with smooth, quiet wheels for easy access to bedding, clothing, and other items.
- **Smart LED Headboard:** Integrated RGB LED light strips with over 60,000 color options, controllable via a mobile application. Features include music mode, mic mode, and timing functions.
- **Modern Style:** Classic PU leather upholstery with a high-density sponge-filled headboard for comfort.
- **Durable Construction:** Combination of metal and solid wood slats provides stable and noise-free support for your mattress.
- **Easy Assembly:** Designed for straightforward assembly with illustrated instructions and numbered parts.

SETUP AND ASSEMBLY

Assembly of the IMMERSTABLE bed frame is designed to be straightforward. Please follow the included illustrated instructions step-by-step. All necessary tools are provided.

Before You Begin:

- Clear a spacious area for assembly.
- Unpack all components and lay them out, checking against the parts list in your separate assembly guide.
- Keep all hardware (screws, bolts, washers) organized.

Assembly Steps (General Overview):

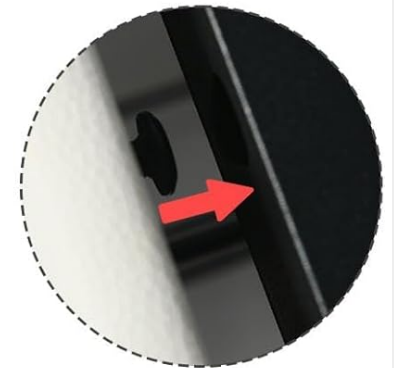

1. **Assemble the Headboard:** Attach the LED strips and any decorative panels to the main headboard structure.
2. **Construct the Side Rails:** Connect the side rails to the headboard and footboard using the provided hardware.
3. **Install Slat Support System:** Place and secure the metal frame and wooden slats onto the bed frame. Ensure the noise-free design elements (sound-absorbing cotton) are correctly positioned.
4. **Assemble and Insert Drawers:** Assemble the four storage drawers according to the instructions. Each drawer is equipped with wheels for easy sliding. Ensure the locking holes for drawers are aligned for proper function.
5. **Final Checks:** Verify all connections are tight and the frame is stable.

OPERATING THE LED HEADBOARD

The integrated RGB LED lights in the headboard offer a wide range of customization options to enhance your room's ambiance.

Smart Control via Mobile App:

1. **Download the App:** Scan the QR code provided in your assembly guide or search for the designated app (e.g., "Smart LED" or similar, as indicated in product packaging) on your smartphone's app store.
2. **Connect to LEDs:** Follow the in-app instructions to connect your smartphone to the LED light strips via Bluetooth.
3. **Explore Features:**
 - **Color Selection:** Choose from over 60,000 colors to match your mood or decor.

- **Brightness Adjustment:** Adjust the intensity of the lights.
- **Music Mode:** Lights can synchronize with music played through your phone's microphone.
- **Mic Mode:** Lights react to ambient sounds detected by your phone's microphone.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.
- **Dynamic Modes:** Select from various pre-programmed lighting effects and patterns.

MAINTENANCE

Proper maintenance will extend the life and appearance of your bed frame.

- **Upholstery Care:**

- For general cleaning, wipe the PU leather with a soft, damp cloth.
- For spills, blot immediately with a clean, dry cloth. Do not rub.

- Avoid using harsh chemicals, abrasive cleaners, or direct sunlight, as these can damage the upholstery.

- **Frame and Slats:**

- Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary.
- Wipe down metal and wood components with a dry or slightly damp cloth to remove dust.

- **Storage Drawers:**

- Keep the drawer tracks clean and free of debris to ensure smooth operation.
- Do not overload the drawers to prevent damage to the wheels or structure.

- **LED Lights:**

- Ensure the power adapter and cables are not pinched or damaged.
- If the lights malfunction, check the power connection and app settings before contacting support.

TROUBLESHOOTING

This section addresses common issues you might encounter with your bed frame.

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose bolts or screws; uneven floor; incorrect assembly of slats.	Check and re-tighten all bolts and screws. Ensure the bed is on a level surface. Verify slats are correctly installed and secured.
LED lights are not working.	Power cable disconnected; app not connected; LED strip damage.	Ensure the power adapter is securely plugged into the wall and the LED strip. Check Bluetooth connection in the app. If still not working, contact customer support.
Storage drawers are difficult to open/close.	Overloaded drawer; debris in tracks; misaligned wheels.	Reduce the load in the drawer. Clean any debris from the drawer tracks and wheels. Check if wheels are properly aligned and not damaged.
Headboard upholstery is stained.	Spill or dirt accumulation.	Blot spills immediately with a clean, dry cloth. For general cleaning, wipe with a soft, damp cloth. Do not use harsh chemicals.
