AYATAHA S60K

AYATAHA S60K Kids Smart Watch Instruction Manual

Model: S60K

1. INTRODUCTION

Welcome to the AYATAHA S60K Kids Smart Watch user manual. This guide provides essential information for the safe and effective use of your new smart watch. Please read it carefully before use and retain it for future reference.

Image 1.1: The AYATAHA S60K Kids Smart Watch, featuring a black strap and a vibrant digital screen displaying time and other metrics.

2. WHAT'S IN THE BOX

Verify that all items are present in the package:

- AYATAHA S60K Kids Smart Watch
- Charging cable
- User Manual (this document)

3. SETUP GUIDE

3.1 Charging the Device

Before first use, fully charge the smart watch. Connect the magnetic charging cable to the charging port on the back of the watch and plug the USB end into a standard USB power adapter (not included) or a computer's USB port.

Image 3.1: The AYATAHA S60K Smart Watch connected to its magnetic charging cable, illustrating the charging process.

3.2 App Installation and Pairing

1. **Download the CO-FIT App:** Scan the QR code provided in the watch packaging or search for "CO-FIT" in your smartphone's app store (compatible with iOS 11.0 and above or Android 5.0 and above).
2. **Create an Account:** Open the CO-FIT app and follow the on-screen instructions to create a user account.
3. **Pair the Watch:** In the app, navigate to the device pairing section. Ensure your watch is powered on and Bluetooth is enabled on your smartphone. Select the S60K from the list of available devices to complete the pairing process.

3.3 Initial Settings

After pairing, the watch will synchronize time and date with your smartphone. You can customize settings such as units of

measurement, notification preferences, and watch faces through the CO-FIT app.

4. OPERATING INSTRUCTIONS

4.1 Basic Navigation

The S60K features a 1.75-inch full-touch, high-definition display. Swipe left, right, up, or down to navigate through menus and features. Tap to select an option.

Image 4.1: The watch interface showing icons for stopwatch, notifications, sleep tracking, and weather information.

4.2 Activity Tracking

The watch automatically tracks daily steps, calories burned, and distance walked. Progress can be viewed directly on the watch or in the CO-FIT app. Virtual medals are awarded for reaching activity goals.

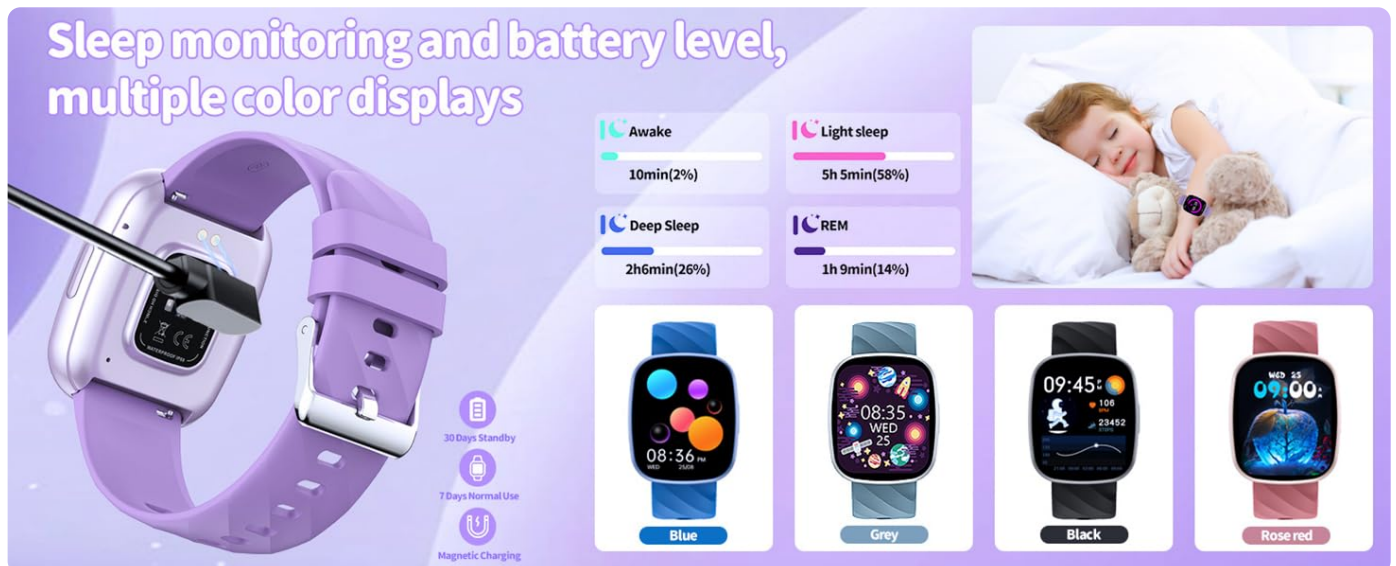

Image 4.2: The watch screen showing real-time activity data including steps, exercise duration, distance, and calories.

4.3 Heart Rate Monitoring

The S60K can monitor heart rate. Access this feature from the main menu to view current heart rate data. For accurate readings, ensure the watch is snug on the wrist.

4.4 Sleep Monitoring

Wear the watch during sleep for automatic tracking of sleep patterns, including deep sleep, light sleep, and awake times. Detailed reports are available in the CO-FIT app.

Image 4.3: A child sleeping while wearing the watch, with an overlay showing the watch's sleep tracking interface and sleep stage breakdown.

4.5 Sport Modes

The watch supports over 20 sport modes, including running, walking, basketball, soccer, cycling, swimming, and more. Select the desired mode before starting an activity to track specific metrics.

Image 4.4: Visual representation of the watch's multiple sport modes, showing children participating in different physical activities.

4.6 Water and Sedentary Reminders

Enable water intake reminders and sedentary reminders in the CO-FIT app to receive vibrations on the watch, promoting healthy habits.

4.7 Alarm Clock

Set vibration alarms through the CO-FIT app. The watch will vibrate at the set time, providing a gentle wake-up or reminder without disturbing others.

4.8 Puzzle Games

The S60K includes built-in puzzle games for entertainment. Access these games from the watch's menu.

Image 4.5: The watch interface showing available puzzle games, including 2048, Airplane, and Flappy Bird.

4.9 Custom Watch Faces

Personalize the watch display by choosing from various pre-installed watch faces or by uploading your own photos through the CO-FIT app to create custom dials.

37 Multifunctional

A healthier, more active life

Image 4.6: The watch displaying different customizable watch faces, highlighting the DIY watch dial feature.

4.10 Call and Message Notifications

Once paired with a smartphone, the watch can display incoming call alerts and message notifications. You can answer or decline calls directly from the watch.

Image 4.7: The watch displaying an incoming call and a message, illustrating its notification capabilities.

4.11 Music Control

Control music playback on your paired smartphone directly from the watch, including play, pause, skip tracks, and volume adjustment.

4.12 Remote Camera

Use the watch as a remote shutter for your smartphone's camera, allowing for easier group photos or selfies.

4.13 Weather Information

View current weather conditions and forecasts on your watch after synchronizing with the CO-FIT app and granting location permissions.

5. MAINTENANCE

5.1 Water Resistance

The S60K is IP67 waterproof, meaning it is resistant to splashes, rain, and can be used during hand washing or in water depths up to 5 meters. **It is not suitable for bathing, swimming, or diving.** Prolonged exposure to hot water or steam may damage the device.

5.2 Cleaning

Clean the watch regularly with a soft, dry cloth. If necessary, use a slightly damp cloth and then dry thoroughly. Avoid using harsh chemicals or abrasive materials.

5.3 Battery Care

To prolong battery life, avoid extreme temperatures. Charge the watch fully before long periods of inactivity. The watch offers up to 7 days of normal use and 30 days of standby time on a single charge.

6. TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charging cable and allow it to charge for at least 30 minutes.
- **Unable to pair with app:** Make sure Bluetooth is enabled on your smartphone and the watch. Restart both the watch and the smartphone, then try pairing again. Ensure the CO-FIT app has necessary permissions.

- **Inaccurate activity data:** Ensure the watch is worn snugly on the wrist, not too loose or too tight. Calibrate settings in the CO-FIT app if available.
- **Notifications not appearing:** Check app permissions on your smartphone to ensure the CO-FIT app can access notifications. Verify notification settings within the CO-FIT app.
- **Short battery life:** Reduce screen brightness, disable unnecessary features, and ensure background app usage is optimized on your smartphone.

7. SPECIFICATIONS

Model Number	S60K
Brand	AYATAHA
Screen Size	1.75 Inches
Operating System Compatibility	Android 5.0+ / iOS 11.0+
Water Resistance Rating	IP67
Battery Capacity	240 mAh (Lithium Polymer)
Connectivity	Bluetooth, USB (for charging)
