PRSCFUM Q90

PRSCFUM Q90 Bluetooth Shower Speaker User Manual

Model: Q90

INTRODUCTION

Thank you for choosing the PRSCFUM Q90 Bluetooth Shower Speaker. This manual provides essential information for setting up, operating, and maintaining your speaker. Please read it thoroughly before use to ensure optimal performance and longevity of your device.

PACKAGE CONTENTS

Verify that all items are present in your package:

- PRSCFUM Q90 Bluetooth Shower Speaker
- USB Type-C Charging Cable
- Wall-Mount Suction Cup
- User Guide (this document)

PRODUCT OVERVIEW

Familiarize yourself with the speaker's components and controls.

Image: PRSCFUM Q90 Bluetooth Shower Speaker. The image shows the top view of the circular speaker with water splashes. Visible controls include a mode button (M), volume up/next track, power/play/pause, light mode, and volume down/previous track. A digital time display is visible at the top, showing '17:36' and battery/Bluetooth indicators. The speaker features an RGB light ring around the central metallic grille and an orange textured side.

Control Buttons:

- **Power / Play / Pause Button:** Press and hold for 3-5 seconds to power on/off. Short press to play/pause music or answer/end calls.
- **Mode (M) Button:** Short press to switch between available modes (e.g., Bluetooth).
- **Volume Up / Next Track Button:** Short press for next track. Long press to increase volume.
- **Volume Down / Previous Track Button:** Short press for previous track. Long press to decrease volume.
- **Light Mode Button:** Short press to cycle through RGB light modes or turn lights off.

Ports and Indicators:

- **USB Type-C Charging Port:** Located under a protective rubber flap for waterproofing.
- **Digital Display:** Shows time, battery level, and Bluetooth connection status.

SETUP GUIDE

1. Charging the Speaker

1. Locate the USB Type-C charging port, usually protected by a rubber flap on the side of the speaker.
2. Open the rubber flap and connect the provided USB Type-C cable to the speaker.
3. Connect the other end of the USB cable to a standard USB power adapter (5V/1A recommended, not included) or a computer's USB port.
4. The digital display will indicate charging status. A full charge typically takes approximately 2-3 hours.
5. Once fully charged, disconnect the cable and ensure the rubber flap is securely closed to maintain IPX7 waterproofing.

2. Powering On/Off

- **To Power On:** Press and hold the **Power / Play / Pause** button for 3-5 seconds until the display lights up and you hear an audible prompt.
- **To Power Off:** Press and hold the **Power / Play / Pause** button for 3-5 seconds until the display turns off and you hear an audible prompt.

3. Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth pairing mode. The Bluetooth icon on the display will typically flash, indicating it's ready to pair.
2. On your smartphone, tablet, or other Bluetooth-enabled device, go to the Bluetooth settings.
3. Search for available devices. You should see "Q90" or "PRSCFUM Q90" in the list.
4. Select "Q90" to connect. Once connected, the Bluetooth icon on the speaker's display will stop flashing and remain solid, and you will hear a confirmation sound.
5. The speaker will automatically attempt to reconnect to the last paired device when powered on.

4. Setting the Time

The speaker features a digital time display. Specific instructions for setting the time are usually found in the included user guide. Generally, this involves a combination of pressing the 'M' (Mode) button and volume buttons. Refer to the physical user guide for precise steps.

5. Mounting the Speaker

- Attach the provided suction cup to the back of the speaker.
- Ensure the surface where you intend to mount the speaker (e.g., shower wall, tile) is clean, smooth, and dry.
- Press the suction cup firmly against the surface until it creates a secure seal.
- Before releasing, gently tug on the speaker to confirm it is securely attached.

OPERATING INSTRUCTIONS

Music Playback

- **Play/Pause:** Short press the **Power / Play / Pause** button.
- **Next Track:** Short press the **Volume Up / Next Track** button.

- **Previous Track:** Short press the **Volume Down / Previous Track** button.
- **Volume Up:** Long press the **Volume Up / Next Track** button.
- **Volume Down:** Long press the **Volume Down / Previous Track** button.

Call Handling (Handsfree Function)

- **Answer Call:** Short press the **Power / Play / Pause** button when an incoming call rings.
- **End Call:** Short press the **Power / Play / Pause** button during a call.
- **Reject Call:** Long press the **Power / Play / Pause** button when an incoming call rings.

RGB Light Modes

The speaker features dynamic RGB lighting. Short press the **Light Mode** button to cycle through various light patterns or to turn the lights off. The lights can sync with the rhythm of your music.

Stereo Pairing (TWS Function)

If you have two PRSCFUM Q90 speakers, you can pair them together for a true wireless stereo (TWS) experience. Specific instructions for TWS pairing are typically:

1. Ensure both speakers are powered on and not connected to any other Bluetooth device.
2. On one speaker (this will be the primary speaker), double-press the **Power / Play / Pause** button (or a dedicated TWS button if present, refer to your physical manual).
3. The speakers will search for each other and automatically pair. A confirmation sound will indicate successful TWS connection.
4. Once paired, connect your device to the primary speaker via Bluetooth as described in the "Bluetooth Pairing" section. Audio will now play through both speakers in stereo.

MAINTENANCE

- **Cleaning:** Wipe the speaker with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Waterproofing:** Always ensure the rubber flap covering the charging port is securely closed when using the speaker near water to maintain its IPX7 waterproof rating.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the speaker frequently. Charge it regularly, even if not in use for extended periods.

TROUBLESHOOTING

Problem	Possible Solution
Speaker does not power on.	Ensure the speaker is charged. Connect it to a power source using the USB Type-C cable.
Cannot pair with Bluetooth device.	<ul style="list-style-type: none"> • Ensure the speaker is in pairing mode (Bluetooth icon flashing). • Make sure Bluetooth is enabled on your device. • Move the speaker closer to your device (within 10 meters). • Forget "Q90" from your device's Bluetooth list and try pairing again. • Restart both the speaker and your Bluetooth device.
No sound or low volume.	<ul style="list-style-type: none"> • Increase the volume on both the speaker and your connected device. • Ensure the speaker is properly connected via Bluetooth. • Check if the audio source is playing.
Sound distortion.	<ul style="list-style-type: none"> • Reduce the volume on both the speaker and your connected device. • Move the speaker closer to your device to avoid interference. • Ensure the speaker is fully charged.
RGB lights not working.	Short press the Light Mode button to cycle through light modes or turn them on.
