Hasuit CBF02

Hasuit Twin Corner Bed Frame User Manual

Model: CBF02

PRODUCT OVERVIEW

The Hasuit Twin Corner Bed Frame is designed to optimize space and functionality in bedrooms. This compact daybed features an integrated bookcase headboard, two under-bed storage drawers, a built-in charging station, and smart LED lighting. It offers a versatile solution for sleeping, lounging, and storage, making it ideal for children's rooms, teen spaces, or guest rooms.

The bed frame is constructed from engineered wood and metal, ensuring stability and durability. It is designed to accommodate a twin-size mattress and has a maximum weight recommendation of 900 pounds. The unique corner design allows for flexible placement, with the option to configure the bookcase on either the left or right side during assembly.

SETUP AND ASSEMBLY

Assembly of the Hasuit Twin Corner Bed Frame requires careful attention to the provided instructions. All necessary tools and hardware are included. It is recommended to follow the step-by-step guide to ensure proper and secure construction.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list in the instruction manual.
2. Assemble the metal bed frame base, ensuring all connections are secure.
3. Attach the bookcase headboard and side sections according to your desired left or right configuration.
4. Install the mattress slide stoppers onto the bed frame to prevent mattress movement.
5. Place the two under-bed storage drawers into their designated positions.
6. Connect the LED light strips and charging station power supply.

For visual guidance, an assembly video is available. Refer to the detailed instructions for numbered accessories and specific assembly procedures.

OPERATING INSTRUCTIONS

Smart LED Lights:

The integrated LED light strips offer customizable ambiance. They can be controlled via a dedicated mobile application or a physical key control. Features include:

- **Color Selection:** Choose from over 60,000 colors.
- **Light Patterns:** Various dynamic modes available.
- **Music Sync Mode:** Lights can synchronize with music.
- **Mic Mode:** Lights respond to voice input.
- **Timing Function:** Set schedules for lights to turn on/off.
- **Brightness Adjustment:** Control the intensity of the lights.

Charging Station:

The bedside charging station provides convenient power access. It includes:

- 2 AC Outlets (120V/2A)
- 2 USB Ports (5V/2A)

This allows for easy charging of phones, tablets, and other electronic devices directly from the bed.

Storage Drawers:

The two large-capacity storage drawers located underneath the bed frame are equipped with smooth wheels for easy pulling out and closing. Each drawer also features a closing buckle to prevent accidental opening. These drawers are suitable for storing bed linen, clothing, and other items.

MAINTENANCE

Cleaning:

To clean the bed frame, simply wipe with a dry cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the finish.

Safety Precautions:

- Do not exceed the maximum weight recommendation of 900 pounds.
- Always follow the assembly instructions carefully to prevent instability or collapse.

- Be cautious when handling the bed frame to avoid injury from sharp edges or other potential hazards.
- Ensure all connections are tightened periodically to maintain stability.

TROUBLESHOOTING

Common Issues and Solutions:

- **Mattress Sliding:** The bed frame is equipped with two mattress slide stoppers. Ensure these are properly installed to effectively prevent frequent mattress movement.
- **Gaps Between Mattress and Shelf:** If there are gaps where pillows or items might fall, consider using a mattress with a thickness that minimizes this space. Some users have found sleep bumpers helpful to bridge these gaps.
- **LED Lights Not Adhering:** If the LED light strips do not stay in place, additional adhesive such as 3M double-sided tape may be used to secure them.
- **Under-bed Drawers Flimsy/Not Rolling Smoothly:** Ensure the drawers are correctly assembled and that the wheels are free from obstructions. The drawers are designed with smooth wheels for ease of use on various floor types.

If your bed frame arrives damaged, scratched, or with missing parts, or if you encounter any other issues not covered here, please contact customer support for assistance.

PRODUCT SPECIFICATIONS

Feature	Specification
Brand	Hasuit
Model Number	CBF02
Size	Twin
Material	Engineered Wood, Metal
Product Dimensions (L x W x H)	83.1"L x 47.2"W x 29.7"H
