

Maestri House MHCB-02

Maestri House Compact Cold Brew Coffee Maker
MODEL: MHCB-02

Introduction

Thank you for choosing the Maestri House Compact Cold Brew Coffee Maker. This 40oz brewer is designed to provide a convenient and high-quality cold brew experience. Crafted from durable, BPA-free Tritan material, it features a 350-mesh ultra-fine filter for a residue-free coffee. Its space-saving design and leak-proof seal make it ideal for any kitchen.

Components

Your Maestri House Cold Brew Coffee Maker includes the following parts:

- **Pitcher:** The main container for brewing and storing cold brew. Made from durable Tritan material.
- **Filter Basket:** A fine mesh filter (350-mesh) designed to hold coffee grounds during brewing. Features a removable bottom cover for easy cleaning.
- **Lid:** Provides an airtight seal for the pitcher and secures the filter basket.
- **Coffee Scoop:** For measuring coffee grounds.

Setup Instructions

1. **Unpack and Clean:** Before first use, wash all components (pitcher, filter basket, lid) with warm, soapy water. Rinse thoroughly.
2. **Prepare Filter Basket:** Unscrew the bottom cover of the filter basket.
3. **Add Coffee Grounds:** Fill the filter basket with coarse ground coffee. Refer to the markings on the filter for recommended ratios (e.g., 120g for a 1:10 ratio for extra bold flavor). Securely screw the bottom cover back onto the filter basket.
4. **Place Filter in Pitcher:** Insert the filled filter basket into the pitcher.
5. **Add Cold Water:** Pour cold, filtered water into the pitcher, ensuring the coffee grounds in the filter are fully submerged. Fill up to the MAX 40OZ/1200ML line.
6. **Secure Lid:** Place the lid on the pitcher and latch both sides to create an airtight seal.

Operating Instructions

1. **Brewing:** Place the assembled cold brew coffee maker in your refrigerator. For optimal infusion, it can be stored on its side. Allow the coffee to steep for 12 to 24 hours, depending on your desired strength.
2. **Coffee-to-Water Ratio:** The filter basket has markings for different coffee ground amounts (e.g., 120g, 100g, 80g, 60g) to achieve varying concentrations. Experiment to find your preferred strength.
3. **Serving:** Once brewing is complete, unlatch the lid and carefully lift the filter basket out of the pitcher. The filter basket can be temporarily rested in the lid's designated slot to prevent drips.
4. **Enjoy:** Pour your freshly brewed cold brew concentrate over ice, dilute with water or milk, and enjoy.

Maintenance and Cleaning

Regular cleaning ensures the longevity and optimal performance of your cold brew coffee maker.

1. **Disassemble:** After use, remove the filter basket from the pitcher. Unscrew the bottom cover of the filter basket.
2. **Dispose of Grounds:** Empty used coffee grounds from the filter basket into compost or trash.
3. **Rinse:** Rinse the filter basket thoroughly under running water to remove any remaining grounds.
4. **Wash:** The pitcher is dishwasher safe. The filter basket and lid are recommended for hand washing with warm, soapy water.
5. **Dry:** Allow all components to air dry completely before reassembling or storing.

Troubleshooting

Problem	Possible Cause	Solution
Coffee is too weak.	Insufficient coffee grounds; short brewing time.	Increase coffee grounds or extend brewing time (up to 24 hours).
Coffee is too strong.	Too many coffee grounds; excessive brewing time.	Reduce coffee grounds or shorten brewing time. Dilute concentrate with water or milk.
Grounds in coffee.	Filter not properly assembled; fine grounds used; damaged filter.	Ensure filter bottom is securely screwed. Use coarse ground coffee. Inspect filter for damage.
Lid leaks when stored on its side.	Lid not fully latched; O-ring not seated correctly.	Ensure both latches are fully engaged and the O-ring is clean and properly seated.
Difficulty cleaning grounds from filter.	Grounds are packed too tightly.	The filter has a removable bottom for easy residue cleaning. Rinse thoroughly under running water.

Specifications

- **Brand:** Maestri House
- **Model Name:** MHCB-02
- **Color:** Black
- **Product Dimensions:** 6.29"D x 3.58"W x 9.17"H
