## 2. INCLUDED COMPONENTS

---

Before assembly, please verify that all components are present in the package:

- 1 x Litter Box Enclosure (all panels and hardware)
- 1 x Accessory Kit (screws, dowels, tools if applicable)
- 1 x Instructions Manual

## 3. SETUP AND ASSEMBLY

---

Assembly of the Feandrea Cat Litter Box Enclosure is designed to be straightforward. Follow the step-by-step instructions provided in the included manual, ensuring all parts are correctly identified using the labeled components.

### 3.1 Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the labels and the assembly diagram in the instruction manual.
3. Follow the sequential steps for attaching panels, securing with screws and dowels from the accessory kit.
4. Attach the barn doors and their handles, ensuring smooth operation.
5. Verify all connections are secure before placing the unit in its desired location.

### **3.2 Placement Considerations**

The enclosure measures 70L x 50W x 50H cm. Ensure adequate space for placement and access for cleaning. The sturdy construction, made from quality particleboard and MDF panels, allows the top surface to support up to 60 kg (96 pounds), making it suitable for use as an end table.

## **4. OPERATING INSTRUCTIONS**

---

This enclosure offers multiple uses to suit your needs and your cat's comfort.

### **4.1 As a Hidden Litter Box Enclosure**

Place your cat's litter box inside the enclosure. The interior space, measuring 65.6 x 46.2 x 46.7 cm, accommodates most standard litter boxes. The enclosed design provides privacy for your cat and helps contain odors and litter scatter, contributing to a cleaner home environment.

## 4.2 As a Cat House

For a cozy retreat, place a cat bed or soft cushion inside the enclosure. The private space offers a secure and comfortable resting area for your cat.

## 4.3 As an End Table

The robust top surface can be utilized as an end table for decorative items, lamps, or books, seamlessly integrating into your living space.

## 5. MAINTENANCE

---

Regular cleaning and care will ensure the longevity and appearance of your Feandrea Cat Litter Box Enclosure.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Promptly clean any spills to prevent moisture damage to the particleboard and MDF materials.
- **Ventilation:** Ensure adequate ventilation in the room to help with odor control, especially when used as a litter box enclosure.
- **Door Mechanisms:** Periodically check the door hinges and magnetic catches for proper function.

## 6. TROUBLESHOOTING

---

This section addresses common issues you might encounter.

- **Doors not closing properly:** Check if hinges are aligned and tightened. Ensure the magnetic catches are correctly installed and functional.
- **Litter box does not fit:** Verify the dimensions of your litter box against the enclosure's interior dimensions (65.6 x 46.2 x 46.7 cm).
- **Unstable unit:** Ensure all screws and connections are fully tightened. Place the unit on a flat, level surface.
- **Cat not using the enclosure:** Allow your cat time to adjust to the new setup. You may try placing familiar items inside or using catnip to encourage exploration.
