Safety Information

- Do not exceed the maximum weight capacity of 160 pounds (72.5 kg) for the entire unit.
- Ensure all parts are securely fastened before use.
- Keep small parts away from children during assembly to prevent choking hazards.
- Always place the unit on a flat, stable surface.
- If using wheels, ensure the brakes are engaged when the unit needs to remain stationary.

What's in the Box

Before assembly, verify that all components listed below are present:

- 5 Drawers
- Wheels (4, including 2 with brakes)
- Instructions Manual
- Assembly Tool (screwdriver)
- All necessary hardware (screws, dowels, metal slides, etc.)

If any parts are missing or damaged, please contact Sweetcrispy customer support.

Setup and Assembly

Assembly is required for this product. For optimal speed and ease, a two-person installation is highly recommended. Please review the user manual and any available installation videos before starting.

1. **Unpack Components:** Carefully unpack all parts and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the "What's in the Box" list.
2. **Assemble the Frame:** Follow the step-by-step diagrams in the included instruction manual to connect the side panels, back panel, and top/bottom panels. Ensure all screws and dowels are securely tightened.
3. **Install Drawer Slides:** Attach the metal drawer slides to the inside of the cabinet frame and to the sides of each drawer. Pay close attention to the orientation of the slides as indicated in the manual for smooth operation.
4. **Assemble Drawers:** Construct each of the five drawers according to the instructions, ensuring the drawer bottoms are properly seated.
5. **Attach Wheels (Optional):** The unit includes 4 wheels, 2 of which have brakes. These can be attached to the bottom of the cabinet for easy mobility. If you prefer a stationary unit, you may choose not to install the wheels.
6. **Insert Drawers:** Carefully slide each assembled drawer into its corresponding slot in the cabinet frame.

Tip: Using a power drill with appropriate settings can expedite the assembly process, especially for screws. However, exercise caution to avoid overtightening.

Operating Instructions

Using the Drawers

The Sweetcrispy storage chest features five drawers designed for smooth operation. Each drawer is equipped with metal slides for easy opening and closing.

- To open a drawer, gently pull the integrated handle.
- To close a drawer, push it firmly until it is fully seated within the cabinet.
- Avoid forcing drawers open or closed to prevent damage to the slides.

Mobility and Stability

If the wheels are installed, the chest can be easily moved. Two of the four wheels are equipped with brakes to secure the unit in place.

- To move the unit, ensure the wheel brakes are disengaged.
- To keep the unit stationary, push down on the levers of the two braked wheels until they lock.
- Always disengage brakes before attempting to move the unit.

Maintenance and Care

To maintain the appearance and longevity of your Sweetcrispy storage chest, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using abrasive cleaners or harsh chemicals, which can damage the finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent moisture damage.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Retighten as necessary.
- **Weight Distribution:** Distribute weight evenly across drawers and avoid placing excessively heavy items in a single drawer or on the top surface.

Troubleshooting

- **Drawers not sliding smoothly:** Check that the metal slides are correctly installed and free from obstructions. Ensure all screws on the slides are tightened.
- **Unit wobbles:** Verify that the unit is on a level surface. Check all frame connections and tighten any loose fasteners. If wheels are installed, ensure they are all making contact with the floor and that brakes are not partially engaged.
- **Missing parts:** Refer to the "What's in the Box" section. If parts are missing, contact customer support for assistance.
