Assembly Instructions (Setup)

The VECELO Home Bar Unit requires assembly. Please follow the step-by-step instructions provided in the included Assembly Instructions Manual. It is crucial to read the manual carefully before starting and to ensure all parts are correctly identified and installed.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in your Assembly Instructions Manual to identify each component and hardware piece.
3. **Follow Step-by-Step Guide:** Assemble the unit according to the numbered steps in the manual. Pay close attention to diagrams and ensure all screws are tightened securely.
4. **Final Check:** Once assembled, gently shake the unit to ensure stability. Re-tighten any loose connections if necessary.

For any difficulties during installation, please refer to the troubleshooting section or contact customer support.

Operating Instructions (Usage)

The VECELO Home Bar Unit is designed for convenient storage and display of beverages and barware. Utilize its features as follows:

- **Top Surface:** Use the spacious top surface for preparing drinks, holding serving trays, or displaying decorative items. Ensure the weight limit of 120 lb is not exceeded.
- **Wine Glass Holders:** The integrated holders beneath the top shelf are designed to accommodate various types of stemware, keeping them organized and easily accessible.
- **Wine Rack:** The central wine rack securely holds up to 6 standard wine bottles horizontally, preventing corks from drying out.
- **Storage Shelves:** The two lower shelves provide ample space for liquor bottles, cans, mixers, and other bar essentials. Each shelf has a weight limit of 60 lb.
- **Anti-Falling Fence:** The metal fence surrounding the shelves helps prevent items from falling off, enhancing safety and stability.

Maintenance

Proper care will extend the life and appearance of your VECELO Home Bar Unit.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish. The unit is designed to be easy to clean.
- **Spills:** Although the unit features a waterproof design, promptly wipe up any spills to prevent potential damage or staining.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Placement:** Avoid placing the unit in direct sunlight or near heat sources to prevent material warping or fading.
