

Bestier B7009

Bestier Twin Bed Frame with Headboard and Charging Station

Model: B7009

INTRODUCTION

Thank you for choosing the Bestier Twin Bed Frame. This bed frame is designed to provide a comfortable and functional sleeping solution, featuring an integrated headboard with a charging station, customizable LED lighting, and ample under-bed storage. This manual provides essential information for safe assembly, operation, and maintenance of your new bed frame.

SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Do not exceed the maximum load capacity of **1100 lbs**.
- Be cautious of sharp edges and pinch points during assembly and use, especially around the headboard and under-bed storage areas.
- Ensure all bolts and screws are securely tightened before use and periodically check for tightness.
- Keep children and pets away from the assembly area.
- Do not stand or jump on the bed frame.
- Use only the provided components and tools for assembly.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Basic Components of Bed Frame

- Installation Tools and Accessories

ASSEMBLY INSTRUCTIONS

The Bestier Twin Bed Frame is designed for straightforward assembly. It is recommended to have two people for easier and quicker setup. Please refer to the included assembly instructions for detailed, step-by-step guidance.

- Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts are present against the package contents list.
- Assemble the Headboard:** Follow the specific instructions to connect the headboard panels and frame.
- Construct the Side Rails:** Attach the side rails to the headboard and footboard using the provided hardware.
- Install Support Slats:** Securely place and fasten the metal support slats across the bed frame. Ensure they are evenly spaced and firmly attached.
- Connect Charging Station and LED Lights:** Integrate the charging station and LED light strip into the headboard as per the instructions.
- Final Tightening:** Once all components are in place, carefully tighten all bolts and screws. Do not overtighten.

OPERATING INSTRUCTIONS

1. Charging Station

The integrated headboard features a convenient charging station to power your devices directly from your bed.

- **Power Outlets:** Includes 2 standard AC outlets for larger electronics.
- **USB Ports:** Equipped with 1 USB port and 1 Type-C port for charging smartphones, tablets, and other USB-powered devices.
- **Usage:** Simply plug your device's charging cable into the appropriate port on the headboard.

2. LED Lighting System

Customize your room's ambiance with the integrated LED light strip in the headboard.

- **Control Methods:** The LED lights can be controlled via a remote control, a dedicated app, or a wire control switch.
- **Color Options:** Choose from 7 changing colors to match your mood or decor.
- **Dynamic Modes:** Explore 22 dynamic modes for various lighting effects.

3. Headboard Storage and Mattress Stabilization

The bed frame is designed for convenience and stability.

- **Headboard Shelf:** A 5.9-inch deep shelf on the headboard provides space for essentials like books, phones, or decorative items.
- **Side Pockets:** Two side pockets are included for storing remotes, magazines, or other small items within easy reach.
- **Mattress Stabilization:** Built-in diagonal stoppers and an embedded design prevent the mattress from sliding, ensuring it stays securely in place.
- **Under-Bed Clearance:** Enjoy 10.3 inches of under-bed clearance, ideal for storing bins, luggage, or other items to keep your room tidy.

MAINTENANCE

Proper care will extend the life and appearance of your Bestier bed frame.

- **Cleaning:** Wipe down metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Dusting:** Regularly dust the headboard shelf and frame to prevent buildup.
- **Hardware Check:** Periodically inspect all bolts and screws to ensure they remain tight. Retighten as necessary to maintain stability and prevent squeaks.
- **LED Lights:** If the LED lights malfunction, check the power connection and remote control battery. Do not attempt to repair the LED strip yourself.

TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common solutions:

- **Squeaking Noises:** Check all connection points and tighten any loose bolts. Ensure the mattress is properly seated on the slats.
- **Mattress Sliding:** Verify that the mattress is positioned correctly against the headboard's diagonal stoppers.
- **Charging Station Not Working:** Ensure the bed frame is properly plugged into a functional wall outlet. Check if the devices are correctly connected to the USB/AC ports.
- **LED Lights Not Functioning:** Confirm the power connection to the LED strip. Replace the remote control battery if applicable. If using the app, ensure Bluetooth connection is active.
- **Stability Issues:** Re-check all assembly steps to ensure every component is correctly installed and all fasteners are tightened.

WARRANTY AND SUPPORT

Bestier is committed to customer satisfaction. If you experience any issues with your product or require assistance, please contact our dedicated support team. We are ready to provide swift replacements or assistance to ensure a smooth experience.

For support, please visit the Bestier store on Amazon or refer to the contact information provided with your purchase.
