Sudio D1BLK

Sudio D1 True Wireless Earbuds User Manual

Model: D1BLK | Brand: Sudio

INTRODUCTION

This manual provides comprehensive instructions for the Sudio D1 True Wireless Earbuds. It covers setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your device. The Sudio D1 earbuds offer Bluetooth 5.4 connectivity, Environmental Noise Cancellation (ENC), touch controls, and voice assistant compatibility, designed for a seamless audio experience.

WHAT'S IN THE BOX

Upon unboxing, verify that all the following components are present:

- Sudio D1 True Wireless Earbuds
- Wireless Charging Case
- USB-C Charging Cable
- User Manual
- Eartips (multiple sizes)

SETUP

Initial Charging

Before first use, ensure the earbuds and charging case are fully charged. Connect the provided USB-C cable to the charging case and a power source. The indicator light on the case will show charging status. A full charge typically takes under 1.5 hours.

Pairing with a Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), navigate to the Bluetooth settings.
3. Select "Sudio D1" from the list of available devices.
4. Once connected, a confirmation sound will play, and the indicator light on the case may change.

Note: Some users have reported a protective film on the battery contacts of the earbuds. Please remove this film before attempting to charge or pair for the first time.

OPERATING INSTRUCTIONS

Touch Controls

The Sudio D1 earbuds feature intuitive touch controls for managing audio playback and calls. Specific gestures control various functions:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold on either earbud.

Voice Assistant

The earbuds are compatible with voice assistants. Triple tap on either earbud to activate your device's voice assistant (e.g., Siri for iOS, Google Assistant for Android). Full compatibility is ensured for iOS devices, while Android users may experience partial support for voice control features.

BATTERY AND CHARGING

The Sudio D1 earbuds offer extended listening times with their efficient battery system.

- **Earbud Playtime:** Up to 6.5 hours on a single charge.
- **Total Playtime (with case):** Up to 30 hours.
- **Charging Time:** The charging case can be fully charged in under 1.5 hours via USB-C.

To charge the earbuds, place them back into the charging case. The case will automatically begin charging them. To charge the case, connect it to a power source using the provided USB-C cable.

MAINTENANCE AND CARE

Proper care ensures the longevity and performance of your Sudio D1 earbuds.

- **Cleaning:** Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Temperature:** Avoid exposing the earbuds to extreme temperatures (hot or cold) or high humidity.
- **Water Resistance:** While designed for daily use, avoid submerging the earbuds in water.
- **Materials:** The earbuds and case are constructed from durable Polycarbonate (PC) and Thermoplastic Elastomer (TPE).

TROUBLESHOOTING

If you encounter issues with your Sudio D1 earbuds, refer to the following common solutions:

Problem	Solution
---------	----------

Problem	Solution
Earbuds not charging	Ensure the charging cable is securely connected. Check for any protective film on the earbud charging contacts and remove it. Clean the charging contacts on both earbuds and case.
Earbuds not pairing	Ensure Bluetooth is enabled on your device. Place earbuds back in the case, close, then reopen to re-enter pairing mode. Forget "Sudio D1" from your device's Bluetooth list and attempt to pair again. Ensure earbuds are charged.
No sound or poor sound quality	Check the volume level on your device and earbuds. Ensure earbuds are properly seated in your ears. Try different eartip sizes for a better seal. Re-pair the earbuds.
Touch controls unresponsive	Ensure your fingers are clean and dry. Try restarting the earbuds by placing them in the case and closing it for a few seconds before reopening.
