Initial Connection

1. Ensure the earbuds are charged. Place them in the charging case and connect the case to a power source using the provided cable if needed.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your smartphone or Bluetooth-enabled device, go to Bluetooth settings and select "MINISO M98" from the list of available devices.
4. Once connected, you will hear an audio prompt confirming successful pairing.

Connecting to the Translation App

To utilize the full translation features, you must connect the earbuds to the dedicated MINISO translation app on your smartphone.

1. Download the official MINISO translation app from your device's app store (iOS App Store or Google Play Store).
2. Open the app and follow the on-screen instructions to connect your M98 earbuds. This typically involves ensuring Bluetooth is on and the earbuds are paired with your phone.
3. Grant any necessary permissions (e.g., microphone access) to the app for proper functionality.

MAINTENANCE

Cleaning

To maintain optimal performance and hygiene:

- Wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Avoid using abrasive cleaners, solvents, or aerosol sprays.
- Do not get moisture in any openings.

Water Resistance

The MINISO M98 earbuds are designed to be waterproof, making them suitable for use in various weather conditions. However, they are not intended for submersion in water. Avoid prolonged exposure to heavy rain or direct water jets.

Battery Care

To prolong battery life:

- Charge the earbuds and case regularly, even if not in frequent use.
- Avoid fully draining the battery before recharging.
- Store the device in a cool, dry place away from extreme temperatures.
