4. ASSEMBLY INSTRUCTIONS

The TASTIEN Dollhouse is designed for DIY assembly, allowing for a personalized setup. Follow these general steps for construction:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the 'What's in the Box' list.
2. **Identify Structural Pieces:** Separate the wall panels, floor panels, and roof sections.
3. **Assemble Frame:** Connect the wall and floor panels according to the visual guides provided (refer to product images for general structure). Ensure all connections are secure.
4. **Install Balconies and Stairs:** Attach railings, balconies, and staircases to their designated positions on each

level.

5. **Place Furniture and Accessories:** Arrange the included furniture and accessories within the 12 designated play areas. This includes items like the sofa, beds, dining table, and mini fridge.
6. **Add Decorative Elements:** Position the dolls, pet figures, and small plants to complete the dollhouse setup.

5. FEATURES AND OPERATION

5.1. 4-Story Design with 12 Play Areas

The dollhouse features a spacious open design across four levels, offering 12 distinct indoor and outdoor customizable play areas. This structure encourages diverse imaginative play scenarios.

Social Games and Storytelling

5.2. Glow-in-the-Dark Feature

Certain elements of the dollhouse are designed to glow in the dark. To activate this feature:

- **Exposure to Light:** After assembly, expose the dollhouse to bright light for approximately 15 minutes.
- **Dark Environment:** Turn off the lights in the room to observe the glow-in-the-dark effect.

6. MAINTENANCE

- **Cleaning:** Wipe the dollhouse and accessories with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the dollhouse in a dry, cool place away from direct sunlight when not in use to prevent material degradation.
- **Inspection:** Periodically check all connections and parts for looseness or damage. Tighten or replace as necessary.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Parts are missing or damaged upon arrival.	Manufacturing error or shipping damage.	Contact TASTIEN customer service immediately for assistance (see Section 9).
Dollhouse feels unstable or flimsy after assembly.	Parts not fully connected or incorrect assembly.	Review assembly steps and ensure all connections are firmly snapped into place.
