ALIYIQI DDGJ-DD-01

ALIYIQI Vintage Plug-in Pendant Light (Model DDGJ-DD-01) Instruction Manual

Model: DDGJ-DD-01

1. Introduction

This manual provides detailed instructions for the safe installation, operation, and maintenance of your ALIYIQI Vintage Plug-in Pendant Light. Please read this manual thoroughly before installation and retain it for future reference.

Image 1.1: ALIYIQI Vintage Plug-in Pendant Light

The ALIYIQI Vintage Plug-in Pendant Light is designed to provide adjustable illumination with a classic aesthetic, suitable for various indoor settings such as kitchens, bedrooms, and living rooms. It features a plug-in design for easy installation and a dimmable function when paired with compatible bulbs.

2. Safety Information

- Always disconnect power before installing, cleaning, or servicing this fixture.
- This product is intended for indoor use only. Do not expose to water or moisture.
- Ensure the voltage rating of the fixture (110 Volts AC) matches your power supply.
- Use only E26 base bulbs. For dimming functionality, use dimmable E26 bulbs. Non-dimmable bulbs may flicker or be damaged.
- Do not exceed the maximum wattage of 40 watts for the bulb.

- Keep flammable materials away from the light fixture.
- If you are unsure about the installation process, consult a qualified electrician.

3. Package Contents

Verify that all components are present and undamaged before proceeding with installation.

- 1 x Pendant Light Fixture with Alabaster Glass Shade
- 1 x 16.4 ft Plug-in Cord with Dimmer Switch
- 1 x 14.7 ft Hanging Chain
- Mounting Hooks (for ceiling installation)

Image 3.1: Key Components

This image displays the main components: the alabaster glass shade, the dimmer switch integrated into the cord, the standard US plug, and the E26 bulb socket.

4. Specifications

Feature	Specification
Brand	ALIYIQI
Model Name	DDGJ-DD-01
Color	Black (Fixture), Alabaster (Shade)
Material	Glass, Metal
Product Dimensions	13"L x 13"W x 7"H
Cord Length	16.4 ft
Chain Length	14.7 ft
Bulb Base	E26 Standard
Max Wattage	40 Watts
Voltage	110 Volts (AC)
Control Method	Rotary Dimmer Switch
Indoor/Outdoor Usage	Indoor

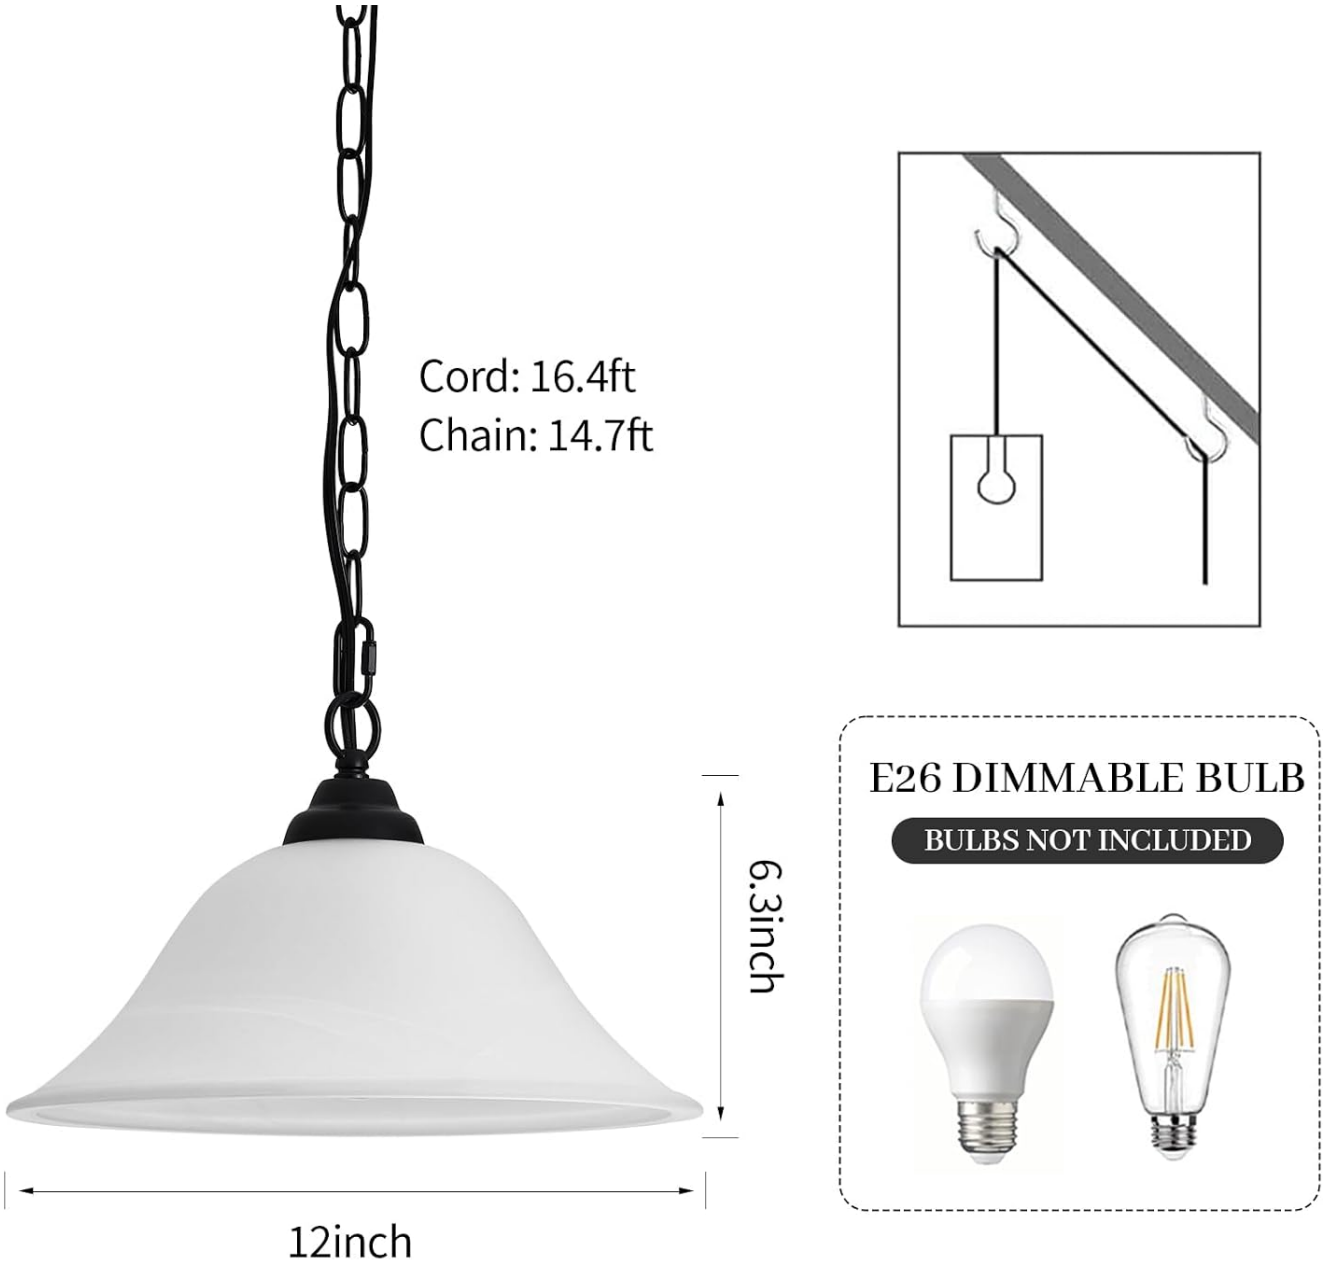

Image 4.1: Product Dimensions and Bulb Requirement

This image illustrates the approximate dimensions of the pendant light, the lengths of the cord and chain, and emphasizes the requirement for an E26 dimmable bulb to enable the dimming function.

5. Setup and Installation

The ALIYIQI Vintage Plug-in Pendant Light is designed for effortless installation without complex hardwiring.

Installation Steps:

1. **Prepare the Fixture:** Carefully unpackage all components.
2. **Attach Lampshade:** Secure the alabaster glass lampshade to the bulb base by screwing it onto the socket ring. Ensure it is firmly attached.
3. **Insert Bulb:** Screw an E26 base bulb (not included) into the socket. For dimming functionality, ensure it is a dimmable E26 bulb.
4. **Hang the Light:** Use the provided mounting hooks to hang the light from your desired ceiling location. The 14.7-

foot chain allows for adjustable hanging height.

5. **Plug In:** Plug the 16.4-foot cord into a standard 110V AC wall outlet.

Image 5.1: Installation Instructions

This image visually guides you through the assembly of the lampshade to the fixture. Step 1 shows unscrewing the socket ring, Step 2 shows placing the shade, and Step 3 shows securing it with the ring.

6. Operating Instructions

The pendant light is operated via the integrated dimmer switch on the power cord.

Using the Dimmer Switch:

- The dimmer switch is located approximately 2.6 feet from the plug for convenient access.
- Rotate the switch clockwise to turn the light on and increase brightness.
- Rotate the switch counter-clockwise to decrease brightness and turn the light off.
- Ensure a dimmable E26 bulb is installed to utilize the full dimming range.

Image 6.1: Dimmable Functionality

This image demonstrates the light's dimming capabilities, showing the effect of the dimmer switch from off to 30%, 60%, and 100% brightness levels.

7. Maintenance

Regular maintenance ensures the longevity and optimal performance of your pendant light.

- **Cleaning:** Before cleaning, ensure the light is unplugged. Wipe the metal parts with a soft, dry cloth. For the glass shade, use a soft, damp cloth and mild cleaner if necessary, then dry thoroughly. Avoid abrasive cleaners or solvents.
- **Bulb Replacement:** Always unplug the fixture before replacing the bulb. Allow the bulb to cool completely before touching. Replace with an E26 base bulb, not exceeding 40 watts.
- **Inspection:** Periodically check the cord and chain for any signs of wear or damage. If damage is found, discontinue use and contact customer support.

8. Troubleshooting

Problem	Possible Cause	Solution
Light does not turn on	No power to outlet; Bulb loose or faulty; Dimmer switch off	Check power outlet; Tighten or replace bulb; Rotate dimmer switch clockwise
Bulb flickers	Non-dimmable bulb used with dimmer; Loose bulb connection	Replace with a dimmable E26 bulb; Ensure bulb is screwed in tightly
Dimming function not working	Non-dimmable bulb installed	Install a compatible dimmable E26 bulb

9. Warranty and Support

If you encounter any quality problems with your ALIYIQI Vintage Plug-in Pendant Light, please feel free to contact us. We are committed to providing support and resolving any issues you may experience.
For assistance, please refer to the contact information provided at the point of purchase or visit the official ALIYIQI store online.
