3.2 App Download and Pairing

To unlock the full functionality of your smartwatch, download the "Da Fit" app from the App Store (for iOS) or Google Play Store (for Android). The watch is compatible with Android 6.0+ and iOS 10.0+.

1. Turn on Bluetooth on your smartphone.
2. Download and install the "Da Fit" app.
3. Open the app and navigate to "Add Device".
4. Select "KT76" from the list of available devices and tap "Connect".

5. Confirm the pairing request on both your phone and the smartwatch.
6. Enable contact and call permissions when prompted.
7. Turn on "Phone Call" on the watch to enable Bluetooth calling.

10. MAINTENANCE

- **Cleaning:** Wipe the watch and strap regularly with a soft, damp cloth. Avoid harsh chemicals.
- **Water Exposure:** While 3ATM waterproof, avoid prolonged submersion in hot water or exposure to high-pressure water jets. Dry thoroughly after water exposure.
- **Storage:** Store the watch in a cool, dry place when not in use.
- **Charging:** Use only the provided charging cable. Ensure charging points are clean and dry before connecting.

11. TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged. Long press the main button to power on.
- **Cannot pair with phone:**
 - Ensure Bluetooth is enabled on your phone.

- Make sure the watch is within Bluetooth range.
- Restart both the phone and the watch.
- Check if the "Da Fit" app has necessary permissions.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist. Avoid excessive movement during measurements.
- **Notifications not received:** Check app permissions on your phone and notification settings within the "Da Fit" app.

12. WARRANTY AND SUPPORT

Dealark products come with a standard manufacturer's warranty. For detailed warranty information, please refer to the warranty card included in your package or visit the official Dealark website. For technical support or any inquiries, please contact Dealark customer service.

Each item has a unique code that we verify before shipping, ensuring product authenticity.
