# User Manual

## OYIB WIRELESS EARBUDS MODEL S75

### Product Overview

---

The OYIB S75 Wireless Earbuds are designed for an immersive audio experience with advanced features for daily use and sports activities. They incorporate Bluetooth 5.4 technology for stable connectivity, ENC noise reduction for clear calls, and an IP7 waterproof rating for durability.

Image: OYIB S75 Wireless Earbuds in their open charging case, showcasing the red and white design. The digital displays on the earbuds indicate battery levels, with the left earbud showing '100' and the right showing a battery icon, confirming their charge status.

## Key Features

- **Bluetooth 5.4 Technology:** Ensures stable connection, low latency, and high-fidelity audio. Features Hall effect technology for quick pairing.
- **Immersive Stereo Sound:** Equipped with 13mm three-layer graphene TPU diaphragm drivers for rich audio.
- **ENC Noise Reduction:** Effectively filters background noise for clear calls.
- **Comfortable & Secure Fit:** Ergonomic design with soft silicone ear hooks, suitable for various ear shapes and activities.
- **IP7 Waterproof:** Resistant to sweat and rain, ideal for sports and outdoor use.
- **Extended Playback:** Up to 10 hours on a single charge, 50 hours total with charging case.
- **Dual Real-Time LED Display:** Shows battery status of both earbuds and the charging case.

- **Intuitive Touch Controls:** Easy management of music, calls, and volume.
- **Broad Compatibility:** Connects seamlessly with Android and iOS devices.

## Setup Guide

1. **Initial Charge:** Before first use, place both earbuds into the charging case and connect the case to a power source using a USB-C cable. Ensure the LED display indicates charging. A full charge is recommended for optimal battery life.
2. **Power On:** The earbuds will automatically power on when removed from the charging case.
3. **Pairing:**
  - Open the charging case. The earbuds will enter pairing mode automatically.
  - On your device (smartphone, tablet, etc.), enable Bluetooth.
  - Search for "OYIB S75" or similar in the list of available Bluetooth devices.
  - Select "OYIB S75" to connect. A voice prompt will confirm successful pairing.
  - The earbuds utilize Hall effect technology, allowing them to quickly pair and connect to the last connected device when you open the charging case.
4. **Wearing the Earbuds:** Gently place the earbuds into your ears, adjusting the silicone ear hooks to fit securely around your ear for maximum comfort and stability.

## Operating Instructions

### Touch Controls:

The OYIB S75 earbuds feature high-sensitivity touch sensors for easy control.

Action	Left Earbud	Right Earbud
Play/Pause	Single Tap	Single Tap
Next Track	Double Tap	Double Tap
Previous Track	Triple Tap	Triple Tap
Volume Up	N/A	Long Press
Volume Down	Long Press	N/A
Answer/End Call	Single Tap	Single Tap
Reject Call	Long Press	Long Press
Activate Voice Assistant	Quadruple Tap	Quadruple Tap

### Battery Display:

The charging case features a dual LED display that shows the remaining battery percentage of the charging case and the individual charge status of each earbud. This allows for convenient monitoring of power levels.

### Power On/Off:

- **Power On:** Earbuds automatically power on when removed from the charging case.
- **Power Off:** Place earbuds back into the charging case to automatically power off and begin charging.

## Maintenance

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents. Gently wipe the charging contacts on both the earbuds and the case to ensure proper connection.
- **Water Resistance (IP7):** The earbuds are IP7 waterproof, meaning they are protected against immersion in water up to 1 meter for up to 30 minutes. While they are resistant to sweat and rain, avoid prolonged submersion in water or exposure to strong water jets. Ensure earbuds are dry before placing them back into the charging case to prevent damage.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust, dirt, and physical damage. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully depleting the battery frequently. Charge the earbuds and case regularly, even if not in constant use.

## Troubleshooting

Problem	Possible Solution
Earbuds not pairing/connecting.	<ul style="list-style-type: none"><li>◦ Ensure Bluetooth is enabled on your device.</li><li>◦ Make sure earbuds are charged and removed from the case.</li><li>◦ Forget "OYIB S75" from your device's Bluetooth list and try pairing again.</li><li>◦ Restart your device and the earbuds (by placing them back in the case and taking them out).</li><li>◦ Ensure no other devices are connected to the earbuds.</li></ul>
No sound or low volume.	<ul style="list-style-type: none"><li>◦ Adjust volume on both the earbuds and your connected device.</li><li>◦ Ensure earbuds are properly seated in your ears.</li><li>◦ Check if the earbuds are connected to the correct device.</li><li>◦ Clean any debris from the earbud speakers.</li></ul>
Earbuds not charging.	<ul style="list-style-type: none"><li>◦ Ensure the charging cable is securely connected to both the case and the power source.</li><li>◦ Check if the charging contacts on the earbuds and inside the case are clean and free of obstruction.</li><li>◦ Try a different charging cable or power adapter.</li><li>◦ Ensure the charging case itself has power.</li></ul>
One earbud not working.	<ul style="list-style-type: none"><li>◦ Place both earbuds back into the charging case, close the lid, wait a few seconds, then open and remove them.</li><li>◦ Ensure both earbuds are charged.</li><li>◦ Perform a factory reset (refer to manufacturer's specific instructions if available, otherwise try holding touch area for 10-15 seconds while in case).</li></ul>

## Specifications

Feature	Detail
