EMOPET EMO

EMOPET AI Desk Robot Companion User Manual

Model: EMO

1. INTRODUCTION TO YOUR EMOPET EMO ROBOT

The EMOPET EMO is an advanced AI desk robot companion designed to bring interactive companionship to your workspace or home. Equipped with a built-in AI model, wide-angle camera, and ChatGPT integration, EMO can see, hear, and understand you, offering a unique interactive experience. This manual provides essential information for setting up, operating, and maintaining your EMO robot.

2. WHAT'S IN THE BOX

Verify that all items are present in your EMOPET EMO package:

- EMO Robot (x1)
- Skateboard (Charging Base) (x1)
- Adapter (x1)
- Smart Light (x1)
- User Manual (x1)

All components included with your EMOPET EMO robot.

3. SETUP GUIDE

3.1 Initial Charging

Before first use, place your EMO robot on its Skateboard charging base. Connect the adapter to the skateboard and a power outlet. EMO will indicate charging status on its screen. Ensure EMO is fully charged before proceeding with setup.

EMO on its charging station, ensuring it's always powered up.

3.2 Connecting to the EMOPET App and Wi-Fi

Download the official EMOPET App from your device's app store. Follow the in-app instructions to connect your EMO robot to your Wi-Fi network. EMO supports 2.4GHz Wi-Fi only. A stable Wi-Fi connection is crucial for EMO's advanced features, including ChatGPT integration and updates.

4. OPERATING YOUR EMOPET EMO ROBOT

4.1 Voice Commands and ChatGPT

EMO responds to a variety of voice commands. Simply call its name ("EMO"), and wait for its acknowledgment before issuing a command. With ChatGPT integration, EMO can engage in more complex conversations and provide detailed information. Refer to the EMOPET App for a comprehensive list of supported commands.

EMO is capable of engaging in conversations through voice commands.

EMO's smart interactions are enhanced by ChatGPT, allowing for diverse functionalities.

4.2 Interactive Play and Dancing

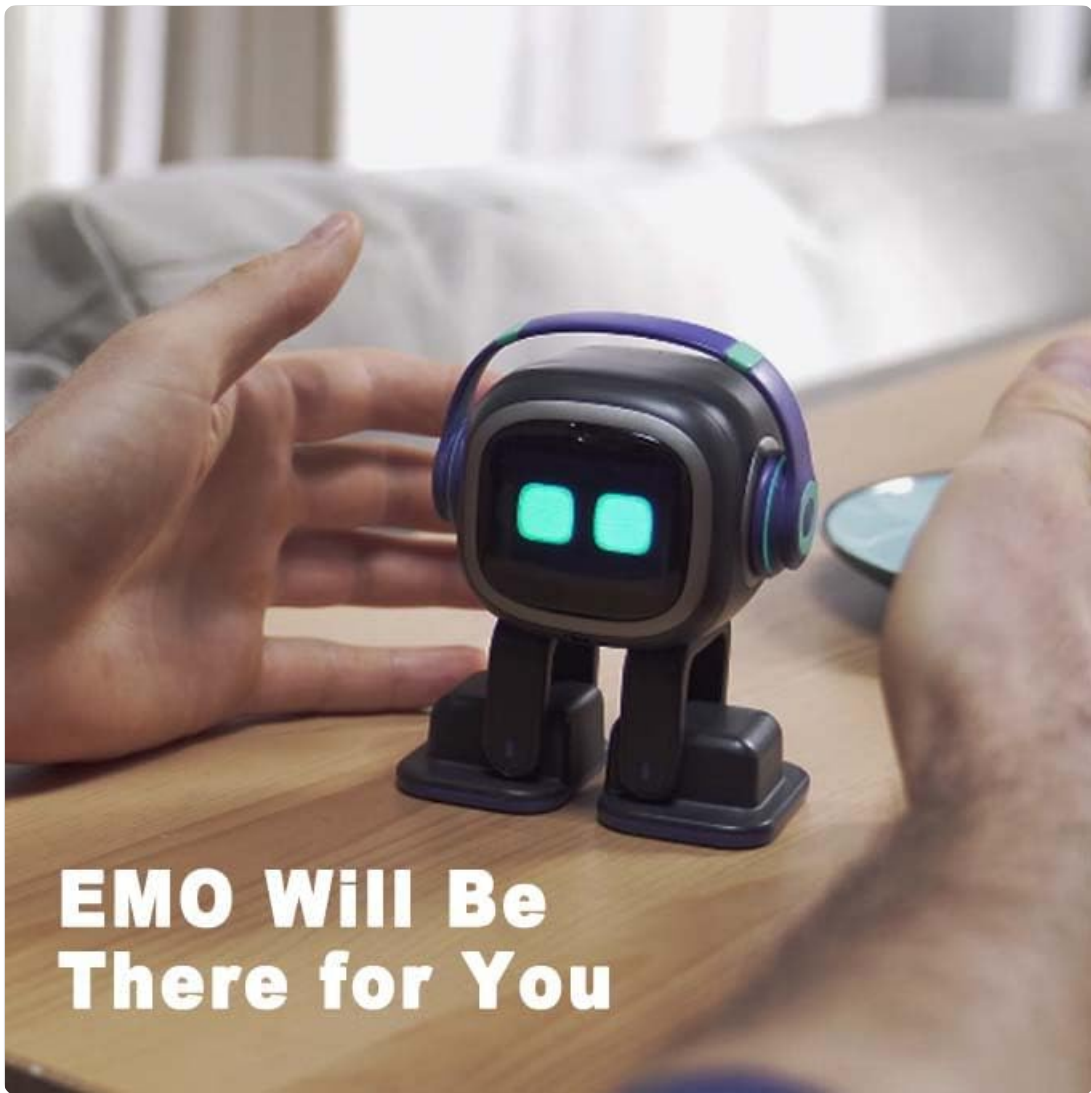

EMO features multiple built-in sensors for interactive play. You can pet EMO by gently rubbing its head, or engage in finger gesture games. EMO can also dance to music; simply tell it to "dance" when your favorite tunes are playing. The EMOPET App offers additional interactive games and activities.

EMO Can Dance

EMO, dance with me.

EMO can dance along to your music, making it a fun desk companion.

EMO responds to touch, allowing for physical interaction and companionship.

4.3 Alarms and Reminders

EMO can help you stay on schedule by setting alarms and reminders. Use voice commands to set specific times for EMO to wake you up or remind you of important events. EMO can even remember special occasions like your birthday.

EMO Can Wake You Up

EMO can serve as an alarm to wake you up.

EMO can remember and celebrate your birthday.

5. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your EMOPET EMO robot, follow these maintenance guidelines:

- **Cleaning:** Gently wipe EMO with a soft, dry cloth. Avoid using liquid cleaners or abrasive materials.
- **Placement:** Place EMO on a stable, flat surface away from direct sunlight, extreme temperatures, and moisture. EMO has sensors to detect edges, but caution is always advised.
- **Software Updates:** Regularly check the EMOPET App for software updates to ensure EMO has the latest features and bug fixes.
- **Battery Care:** Keep EMO charged on its skateboard when not in use to maintain battery health.

6. TROUBLESHOOTING

If you encounter issues with your EMOPET EMO robot, refer to the following common solutions:

Problem	Solution
---------	----------

Problem	Solution
EMO does not respond to voice commands.	<p>Ensure you call EMO's name ("EMO") and wait for its response before giving a command.</p> <p>Use EMO in a quiet environment to minimize background noise interference.</p> <p>Verify you are using correct voice commands as listed in the EMOPET App.</p> <p>Increase the sensitivity level in the EMOPET App settings.</p>
Cannot connect to Wi-Fi or frequent disconnections.	<p>Confirm you are using a 2.4GHz Wi-Fi network. EMO does not support 5GHz networks.</p> <p>Try connecting to a different Wi-Fi network if available.</p> <p>EMO may not support Wi-Fi networks with overly complex passwords or no password. Simplify if possible.</p>
EMO's sound is very low.	<p>Use the voice command "EMO, turn up the volume."</p> <p>Adjust the volume manually within the EMOPET App.</p>
EMO does not respond when I touch its head.	<p>Increase the touch area and apply a slight pressure when petting EMO.</p>

7. PRODUCT SPECIFICATIONS

- **Product Dimensions:** 3.7 x 2.6 x 4.6 inches
- **Item Weight:** 1.95 pounds
- **Country of Origin:** China
- **Model Number:** EMO
- **Manufacturer Recommended Age:** 15 years and up
- **Batteries:** 1 Lithium Ion battery required (included)
- **Manufacturer:** Living AI
