Soundcore C40i Open-Ear Earbuds, designed for comfort and situational awareness.

## WHAT'S IN THE BOX

---

Your Soundcore C40i package includes the following items:

- Soundcore C40i Earbuds
- Charging Case
- M/L Attachable Ear Grips
- USB-C Cable

Titanium-Coated

### Clear Audio

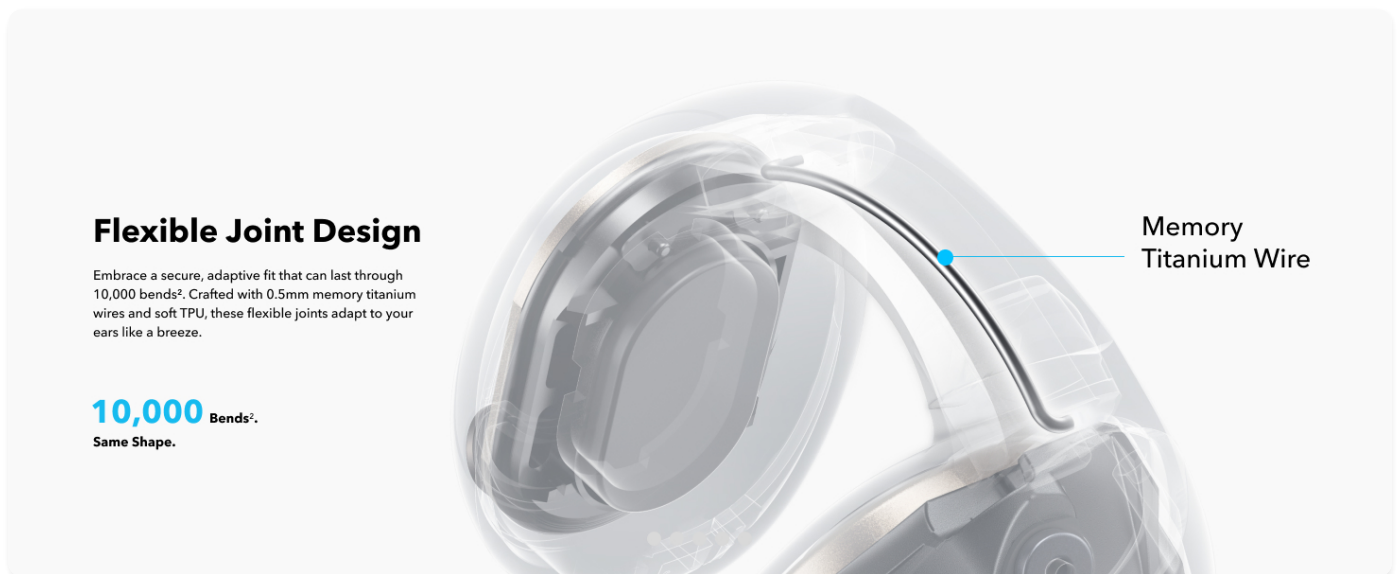

12mm x 17mm racetrack dynamic drivers with titanium-coated diaphragms deliver clear, impactful sound despite open-ear listening and standout clarity for podcasts and audiobooks.

All components included with your Soundcore C40i earbuds.

## SETUP

### Initial Setup and Pairing

Before first use, ensure you remove the insulation film from the earbuds to enable Bluetooth connectivity. Place the earbuds back into the charging case, close the lid, and then reopen it to enter pairing mode. The earbuds will automatically connect to your device once paired.

### Flexible Joint Design

Embrace a secure, adaptive fit that can last through 10,000 bends<sup>2</sup>. Crafted with 0.5mm memory titanium wires and soft TPU, these flexible joints adapt to your ears like a breeze.

### Attaching Ear Grips

For extra stability and a customizable secure fit, attach the included ear grips to the back of your earbuds as guided. Two sizes (M/L) are included to help you achieve a snug, gap-free fit.

## Lightweight Comfort

Sleek, lightweight, and comfortable, these earbuds tip the scales at a mere 5.8 grams each. It's almost like you're wearing nothing at all.

Properly attach the ear grips for enhanced stability.

## How to Wear

---

Slide the earbuds along your ear's outer edge for the most comfortable fit. Position the speaker towards your ear canal. Start playing audio and adjust them to achieve an optimal listening experience.

Position the earbuds correctly for optimal sound delivery.

## OPERATING INSTRUCTIONS

---

### Button Controls

The Soundcore C40i earbuds feature intuitive physical button controls for precise, accident-free operation, especially useful when on the go. You can customize these controls via the Soundcore app.

# INTUITIVE BUTTON CONTROLS

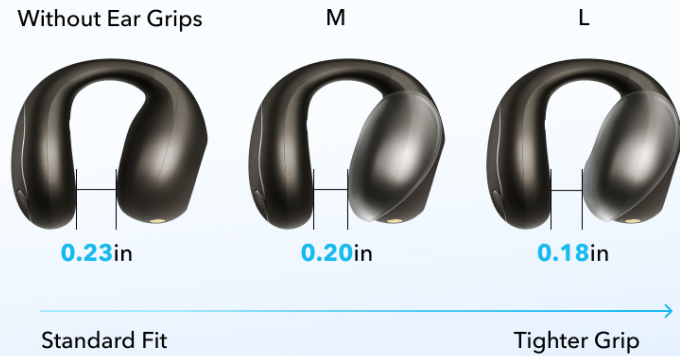

Physical buttons provide reliable control for your earbuds.

Default controls include:

- **Single Press:** Play/Pause audio, Answer a call.
- **Double Press:** Skip to the next track, Decline a call.
- **Press and Hold:** Adjust volume (customizable).

## Choose Your Own Fit

Our innovative attachable ear grips ensure a custom wearing experience. Two sizes are included. If it feels loose, switch to the larger grips for a snugger, gap-free fit.

Customize button functions through the Soundcore app.

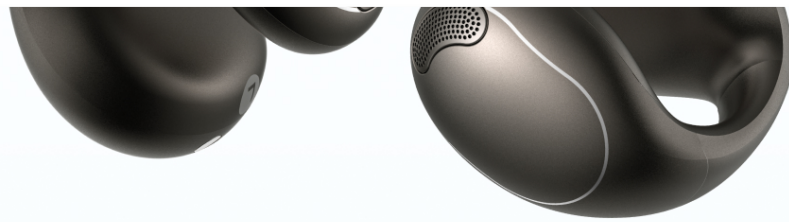

## Soundcore App Customization

Personalize your listening experience via the Soundcore app. Set up button controls to suit your usage habits, and easily adjust volume or EQ settings as needed. The app also provides battery level monitoring for both earbuds and the charging case.

## TROUBLESHOOTING

---

### No Sound or Pairing Issues

- Ensure the insulation film has been removed from both earbuds.
- Place earbuds back in the charging case, close the lid, and reopen to re-enter pairing mode.
- Check your device's Bluetooth settings and ensure Soundcore C40i is selected.
- If issues persist, try resetting the earbuds (refer to the Soundcore app for specific reset instructions).

### Poor Sound Quality

- Adjust the earbuds' position on your ear to ensure the speaker is optimally aligned with your ear canal.
- Experiment with the different sizes of attachable ear grips for a more secure and better-fitting seal.
- Check the EQ settings in the Soundcore app and adjust them to your preference.
- Ensure your device is within the Bluetooth range (15 meters).

### Charging Problems

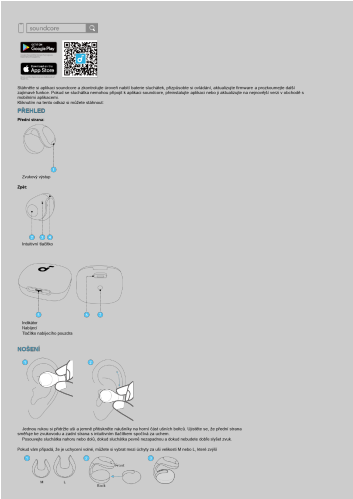

- Ensure the USB-C charging cable is securely connected to both the case and a power source.
- Check the charging indicator lights on the case for status.
- Clean the charging contacts on both the earbuds and inside the case.
