Fameill Queen Size Bed Frame (Model JY9894) User Manual

Model: JY9894

Brand: Fameill

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Fameill Queen Size Bed Frame. This bed frame features a rattan hidden storage headboard, integrated LED lighting, a charging station, and four under-bed storage drawers. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

The Fameill Queen Size Bed Frame is designed for use with a Queen size mattress and does not require a box spring.

2. SAFETY INFORMATION

- Always follow the assembly instructions carefully to prevent instability or collapse.
- Be cautious of sharp edges and potential pinch points, especially when assembling or disassembling the bed frame.
- Keep the bed frame away from heat sources to prevent damage to the rattan material.
- Do not exceed the maximum weight capacity of the bed frame.
- Ensure all connections for the charging station and LED lights are secure before use.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed in the included assembly instruction booklet are present and undamaged. If any parts are missing or damaged, please contact customer support.

4. ASSEMBLY INSTRUCTIONS

Assembly of the Fameill Queen Size Bed Frame is required. A detailed instruction booklet is included with your purchase. Please follow the step-by-step guide provided in the booklet for proper and safe assembly.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all hardware and components using the parts list in the instruction booklet.
3. Begin by assembling the main frame components as directed.
4. Attach the headboard, ensuring all connections are secure.
5. Install the LED light strips and connect the charging station wiring as per the instructions.
6. Assemble and insert the four storage drawers into their designated positions under the bed frame.
7. Once fully assembled, ensure all screws and fasteners are tightened. Do not overtighten.

It is recommended to have two people for assembly to ensure stability and ease of handling larger components.

5. OPERATING INSTRUCTIONS

5.1. LED Ambient Lighting

The bed frame features integrated LED ambient lighting in the headboard. The lights are APP-controllable and can also be controlled via a remote (if included). Refer to the separate LED light controller manual for specific instructions on changing colors, styles, and activating music modes or timing functions.

5.2. Charging Station

The headboard includes a built-in charging station with 2 AC outlets (120V / 12A) and 2 USB ports (5V / 2A). A 6.6-foot power cord is provided. To use, plug the bed frame's power cord into a standard wall outlet. You can then connect your devices to the AC outlets or USB ports for charging.

5.3. Storage Features

The bed frame offers two types of storage:

- **Hidden Storage Headboard:** The headboard features two hidden compartments behind the rattan panels. These can be accessed by lifting the panels, providing discreet storage for books, small electronics, or personal items.
- **Under-bed Storage Drawers:** Four sturdy drawers are located under the bed frame. These drawers are equipped with smooth wheels for easy pulling in and out, ideal for storing seasonal clothes, towels, or blankets.

6. MAINTENANCE

- **Cleaning:** Wipe the wood and rattan surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish or rattan.
- **Rattan Care:** Keep rattan dry and away from direct sunlight or excessive humidity to prevent warping or cracking.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain stability.
- **LED Lights:** If the LED strip adhesive weakens, use a suitable adhesive to re-secure it. Ensure the adhesive is safe for electronics and furniture.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose screws or uneven assembly.	Check and tighten all screws and fasteners. Ensure the bed frame is on a level surface.
LED lights not working.	Power connection issue, faulty LED strip, or controller problem.	Verify the power cord is securely plugged in. Check connections to the LED strip. Refer to the LED controller manual for specific troubleshooting.
Charging station not providing power.	Bed frame not plugged in, power strip issue, or device cable fault.	Ensure the bed frame's main power cord is plugged into a live outlet. Test with different devices and cables.
Drawers do not slide smoothly.	Obstruction, damaged wheels, or uneven floor.	Clear any obstructions. Inspect drawer wheels for damage. Ensure the bed frame is on a level surface.

8. SPECIFICATIONS
