## MAHANCRI BHR1301

# MAHANCRI BHR1301 Swivel Bar Stools Instruction Manual

Model: BHR1301 | Brand: MAHANCRI

## INTRODUCTION

Thank you for choosing the MAHANCRI BHR1301 Swivel Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read these instructions carefully before assembly and retain them for future reference.

## SAFETY INFORMATION

- Always follow the assembly instructions precisely. Incorrect assembly can lead to instability and injury.
- Do not exceed the maximum weight capacity of 220 lbs (100 kg).
- Ensure all screws and bolts are tightened securely before use. Periodically check and re-tighten fasteners.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Use the stools on a flat, stable surface to prevent tipping.

## PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 2 x Swivel Bar Stool Seats (Rustic Brown)
- 2 x Metal Frame Sets (Black)
- 1 x Hardware Pack (screws, Allen wrench)
- 1 x Instruction Manual

## SETUP AND ASSEMBLY

Assembly is straightforward and requires minimal tools. An Allen wrench is included in the hardware pack.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Attach the metal legs to the circular footrest using the provided screws. Ensure the footrest is positioned correctly.
3. Securely attach the assembled leg and footrest structure to the underside of the stool seat.
4. Tighten all screws firmly, but do not overtighten.
5. Repeat the process for the second bar stool.

## OPERATING INSTRUCTIONS

The MAHANCRISS BAH1301 Swivel Bar Stools are designed for comfort and versatility.

- **360° Swivel Seat:** The round seat features a smooth bearing mechanism, allowing for a full 360-degree rotation. This enables easy movement and access without needing to reposition the entire stool.
- **Ergonomic Footrest:** Utilize the integrated round footrest for enhanced comfort and support for your legs and feet, especially during extended periods of sitting.

## 360° Rotating Stool

Turn seamlessly to your desired position.

## MAINTENANCE

---

Proper care will ensure the longevity and appearance of your bar stools.

- **Cleaning:** The particleboard seat and metal frame are easy to clean. Simply wipe with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Fastener Check:** Periodically inspect all screws and connections. Re-tighten any loose fasteners to maintain stability and safety.
- **Floor Protection:** The stool legs are equipped with rubber pads to protect your floors. Ensure these pads remain intact and replace them if they become worn.

## TROUBLESHOOTING

---

If you encounter any issues with your bar stools, refer to the following common solutions:

- **Stool feels wobbly:** Check all assembly screws and ensure they are fully tightened. Uneven flooring can also cause wobbling; try moving the stool to a different surface.
- **Rough edges on legs:** While the product is designed for comfort, some users may find the edges of the metal frame rough. Consider adding additional padding or felt strips if this causes discomfort, especially when wearing shorts or skirts.
- **Structural issues/parts coming apart:** If metal joints or other structural components fail prematurely, discontinue use immediately and contact MAHANCRIIS customer support for assistance. Do not attempt to repair structural damage yourself unless you are qualified.
