# eeTao Mini USB AC/DC Adapter Charger Instruction Manual

Model: CHNADKS ADKS-4 ADKS4 Charger

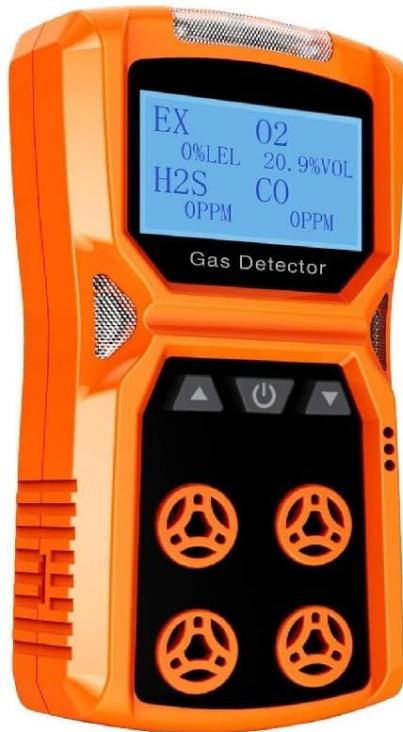

## INTRODUCTION

This manual provides instructions for the safe and effective use of your eeTao Mini USB AC/DC Adapter Charger. This adapter is designed to provide power and charge compatible devices, specifically the CHNADKS ADKS-4 ADKS4 Gas Detector. Please read this manual thoroughly before use and retain it for future reference.

## PRODUCT OVERVIEW

The eeTao Mini USB AC/DC Adapter Charger is a compact power supply unit designed for specific electronic devices. It converts standard AC wall power to DC power suitable for charging. It features built-in protection mechanisms to ensure safe operation.

eeTao® Power Supply Adapter  
**Compatible with:**

**Machine Not Included**

## SAFETY INFORMATION

- Do not expose the adapter to water or excessive moisture.
- Do not disassemble or modify the adapter.
- Avoid extreme temperatures.
- Ensure the adapter is used with compatible devices only.
- Unplug the adapter from the power outlet when not in use or during electrical storms.

## SETUP

- Verify Compatibility:** Ensure your device, such as the CHNADKS ADKS-4 ADKS4 Gas Detector, requires a 5V DC input and is compatible with a USB Type C connector.
- Connect to Device:** Plug the USB Type C connector of the adapter cable into the charging port of your compatible device.
- Connect to Power Outlet:** Insert the AC plug of the adapter into a standard wall power outlet (100-240 VAC, 50/60 Hz).

Image: An example of the CHNADKS ADKS-4 ADKS4 Gas Detector, illustrating the type of device this charger is compatible with. The gas detector itself is not included with the charger.

## OPERATING INSTRUCTIONS

Once connected, the adapter will begin supplying power to your device. If your device has a charging indicator, observe it to confirm charging status. The adapter is designed for continuous power supply and charging.

- The adapter provides a stable 5V DC output.
- It features Over Voltage Protection (OVP), Over Current Protection (OCP), and Short Circuit

Protection (SCP) for safe charging.

- Charging time will vary depending on the device's battery capacity and current charge level.

## MAINTENANCE

- Cleaning:** Disconnect the adapter from the power outlet and the device before cleaning. Use a soft, dry cloth to wipe the surface. Do not use liquid cleaners or solvents.
- Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- Cable Care:** Avoid bending or twisting the cable excessively, as this can damage the internal wires.

## TROUBLESHOOTING

### Device Not Charging:

- Check Connections:** Ensure the adapter is securely plugged into both the wall outlet and the device.
- Verify Power Outlet:** Test the wall outlet with another device to confirm it is supplying power.
- Inspect Cable/Adapter:** Check for any visible damage to the cable or adapter. If damaged, discontinue use.
- Device Battery Condition:** Rechargeable batteries have a limited lifespan (typically 1 to 3 years). If the device's battery is damaged or at the end of its life, it may not accept a charge, even with a functional charger. This is a device battery issue, not a charger issue.

### Slow Charging:

- Ensure the device is not being heavily used while charging.
- Verify the device's charging port is clean and free of debris.

## SPECIFICATIONS

<b>Brand</b>	eeTao
<b>Model Number</b>	CHNADKS ADKS-4 ADKS4 Charger
<b>Input Voltage</b>	100-240 VAC, 50/60 Hz
<b>Output Voltage</b>	5 Volts (DC)
<b>Output Current</b>	1 Amps
<b>Connector Type</b>	USB Type C
<b>Compatible Devices</b>	CHNADKS ADKS-4 ADKS4 Gas Detector
<b>Product Dimensions</b>	3 x 2 x 1 inches
<b>Item Weight</b>	3 ounces
<b>Special Feature</b>	Fast Charging, OVP, OCP, SCP Protection

## WARRANTY AND SUPPORT

## **Warranty Information:**

eeTao offers a **30-day refund policy** and a **24-month satisfaction exchange** for this product. Please retain your proof of purchase for warranty claims.

## **Customer Support:**

For any questions, technical assistance, or warranty claims, please contact eeTao customer support. Refer to the seller information on your purchase platform for direct contact methods.
