## FEATURES:

- Neon tube with printed film backboard
- 2 hook holes for hanging
- Pink tubing with pink LED light
- USB Powered

## OPERATING INSTRUCTIONS

The InnoVibe Bubble Tea LED Neon Wall Sign is designed for simple operation:

- **Power On/Off:** Once connected to a 5V USB power source, the sign can be turned on or off using the integrated touch switch. Locate the touch switch on the cable or base of the sign and tap it to toggle the light.

## MAINTENANCE

To ensure the longevity and appearance of your LED neon sign, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the sign with a soft, dry, or slightly damp cloth. Avoid using abrasive cleaners, solvents, or excessive moisture, as these can damage the LED components or plastic finish.
- **Handling:** Handle the sign with care. Avoid bending or applying excessive pressure to the neon tubing.
- **Storage:** If storing the sign, ensure it is clean, dry, and protected from impacts.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Sign does not light up.	No power, faulty USB adapter, or loose connection.	Ensure the USB cable is securely plugged into a working 5V USB power source. Try a different USB adapter or port. Check the touch switch for proper activation.
Light flickers or is dim.	Insufficient power supply or loose connection.	Use a 5V USB power adapter that provides sufficient current. Ensure all connections are secure.
