## 4. ASSEMBLY

Assembly of the MD Sports 4-in-1 Combo Game Table is required. Please refer to the detailed [Installation Manual \(PDF\)](#) for step-by-step instructions. Ensure you have adequate space and assistance for assembly, as the main table unit is heavy.

### 4.1. Key Assembly Features

- Stack Up Design:** The interchangeable game tops are designed to stack easily, allowing for quick transitions between games.
- Side Locks:** Integrated side locks help secure the game tops in place, preventing movement during play.
- Oversized Leg Levelers:** The table features 3.5" leg levelers with rubber rings, allowing you to adjust and level the playfield for optimal game performance on uneven surfaces.

## 5. SETUP & OPERATION

This section details how to set up and operate each of the four games included with your combo table.

### 5.1. Foosball

Place the Foosball Top securely onto the main table frame, ensuring the side locks are engaged. The foosball game features premium 1/2" diameter steel rods with wood hand grips and balanced foosball players for an optimal playing experience. Use the built-in manual scorer to keep track of points.

### **5.3. Slide Hockey**

Place the Slide Hockey Mat over the billiard playfield, ensuring it lies flat. Use the included hockey pushers and pucks for play. This is a manual slide hockey game, not air-powered.

### **5.4. Table Tennis**

Place the Table Tennis Top over the billiard playfield, ensuring it is centered and stable. Attach the table tennis net and posts. Use the included paddles and balls for play.

## 6. MAINTENANCE

Proper maintenance will extend the life of your game table and ensure continued enjoyment.

- **Cleaning:** Wipe down all surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the billiard felt, use the included felt brush to remove dust and debris.
- **Storage:** When not in use, store game tops in a dry, temperate environment. The table features a built-in storage function for the Table Tennis Top and a storage bag for accessories.
- **Inspection:** Periodically inspect all screws and fasteners to ensure they are tight. Re-tighten as necessary.

## 7. TROUBLESHOOTING

If you encounter issues with your MD Sports 4-in-1 Combo Game Table, refer to the common problems and solutions below.

Problem	Possible Cause	Solution
Table is wobbly or uneven.	Uneven floor surface or loose leg levelers.	Adjust the oversized leg levelers at the base of each leg until the table is stable and level. Ensure all leg bolts are tight.
Game top does not sit flush or moves during play.	Side locks not engaged or debris on the main table surface.	Ensure the game top is correctly aligned and the side locks are fully engaged. Check for any obstructions between the game top and the main table.
Foosball rods are stiff.	Lack of lubrication or dirt accumulation.	Clean the rods and apply a small amount of silicone-based lubricant (not included) to the rod bearings.
Slide hockey pucks do not glide smoothly.	Dust or debris on the playing surface.	Wipe the slide hockey mat clean with a soft, dry cloth. This is a manual slide hockey game and does not use air.
