### NUU GARDEN DS201-AZM

# NUU GARDEN Patio Dining Chairs Instruction Manual

**BRAND: NUU GARDEN**

**Model: DS201-AZM**

## Introduction

Thank you for choosing NUU GARDEN Patio Dining Chairs. This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your new chairs. Please read this manual thoroughly before assembly and use to ensure proper setup and long-lasting enjoyment of your product.

These chairs are designed for outdoor use, featuring a durable metal frame and all-weather textilene fabric, perfect for your patio, deck, or garden.

## Safety Information

- Do not exceed the maximum weight capacity of 300 pounds per chair.
- Exercise caution during assembly. Ensure all bolts are securely tightened to prevent wobbling or instability.
- Keep small parts away from children during assembly to prevent choking hazards.
- Always place the chairs on a flat and level surface to ensure stability and prevent tipping.
- Inspect the chairs periodically for any loose parts or damage. Tighten bolts and address any issues promptly.

## Package Contents

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or damaged, please contact NUU GARDEN customer service.

- Part A: Armrests (x2 per chair)
- Part B: Textilene Seat and Backrest (x1 per chair)
- Part C: Front Support Bar (x1 per chair)
- Part D: Rear Support Bar (x1 per chair)
- Part E: Tension Rod for Seat (x1 per chair)
- Part F: M6\*52 Bolts (x4 per chair)
- Part G: M6\*68 Bolts (x4 per chair)
- Part H: Washers (x8 per chair)
- Part I: Nuts (x4 per chair)
- Assembly Tool (Wrench/Hex Key)

### Setup and Assembly Instructions

Follow these steps carefully to assemble your NUU GARDEN Patio Dining Chairs. It is recommended to assemble the chairs on a soft, clean surface to prevent scratches.

## Assembly Video Guide:

Video: Nuu Garden Patio Dining Textilene Chairs Assembly Instructions. This video demonstrates the step-by-step assembly process.

## Step-by-Step Assembly:

### 1. Prepare the Seat (Part B):

Wrinkles in the textilene fabric are normal and will flatten after installation. Rotate the frame of the seat with the hole facing inward. Insert the tension rod (Part E) through the designated sleeve at the bottom of the seat. Ensure the rod passes through both ends of the sleeve. Secure the rod with two washers (Part H) on each side. *Note: Please only tighten any bolt once all bolts are placed correctly.*

Image: The durable and breathable textilene fabric of the chair seat.

### 2. Assemble the Chair Base:

Attach the front support bar (Part C) and the rear support bar (Part D) to one of the armrests (Part A) using two M6\*52 bolts (Part F), four washers (Part H), and two nuts (Part I). Repeat this process for the other armrest. Ensure the holes align properly. *Note: Please only tighten any bolt once all bolts are placed correctly.*

Image: Chair dimensions, useful for planning space.

### 3. Attach the Seat to the Base:

Carefully align the assembled seat (Part B) with the pre-drilled holes on the armrests (Part A). Secure the seat to the armrests using four M6\*68 bolts (Part G), eight washers (Part H), and four nuts (Part I).

### 4. Final Tightening:

Once all bolts are in place, gently place the chair on a flat and level surface. Then, tighten all bolts securely using the provided assembly tool. This ensures the chair is stable and does not wobble. Double-check all connections to confirm they are firm.

## Operating Instructions

The NUU GARDEN Patio Dining Chairs are designed for straightforward use in various outdoor settings.

- **Placement:** Place the chairs on a stable, level surface. They are suitable for patios, decks, gardens, and other outdoor areas.
- **Comfort:** The ergonomic design with high back and armrests provides a comfortable seating experience for dining, relaxing, or reading outdoors.
- **Stacking for Storage:** These chairs are stackable, allowing for efficient space-saving storage when not in use. To stack, lift one chair and carefully place it on top of another, aligning the legs and armrests to ensure a stable stack.

Image: Chairs demonstrating their stackable design for convenient storage.

## Maintenance and Care

Proper care will extend the life and appearance of your NUU GARDEN Patio Dining Chairs.

- **Cleaning:** Wipe clean with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly with water. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** The textilene fabric is quick-drying. Allow chairs to air dry completely before stacking or storing to prevent mildew.
- **UV Protection:** The textilene fabric is UV-resistant, but prolonged exposure to direct sunlight may cause slight fading over time. Consider using chair covers or storing indoors during extreme weather conditions or off-season.
- **Frame Care:** The powder-coated steel frame is designed for outdoor durability. If scratches occur, touch up with rust-inhibiting paint to prevent corrosion.
- **Winter Storage:** During winter months or periods of non-use, store the chairs in a dry, covered area to protect them from harsh elements.

## Troubleshooting

Here are some common issues and their solutions:

- **Chair Wobbles After Assembly:** This is often due to uneven tightening of bolts. Place the chair on a flat, level surface and loosen all bolts slightly. Then, apply even pressure to the chair to settle it, and re-tighten all bolts firmly. Ensure all bolts are tightened while the chair is on a level surface.
- **Textilene Fabric Appears Wrinkled:** Wrinkles in the textilene fabric are normal upon unpacking and will typically flatten out over time with use and exposure to warmth.
- **Difficulty Aligning Holes During Assembly:** Ensure you are using the correct bolts for each step as indicated in the instructions. Sometimes, slightly wiggling the parts or applying gentle pressure can help align the holes. Do not fully tighten any bolt until all bolts for that section are loosely in place.

## Specifications

Feature	Detail
Brand	NUU GARDEN
Model Name	DS201-AZM
Color	Textilene Brown
Product Dimensions	21.65"D x 36.02"W x 26.18"H
