## Smalody 910

# Smalody Wireless Neck Speaker Model 910 User Manual

Model: 910

## INTRODUCTION

Thank you for choosing the Smalody Wireless Neck Speaker Model 910. This portable Bluetooth speaker is designed to provide a comfortable and immersive audio experience. Its ergonomic neckband design allows for hands-free listening, making it suitable for various activities. Please read this manual carefully to ensure proper use and maintenance of your device.

## PRODUCT OVERVIEW

The Smalody Model 910 features advanced Bluetooth 5.3 technology for stable wireless connectivity, integrated diaphragms for 3D sound, and a built-in microphone for hands-free calls. Its design prioritizes comfort for extended wear.

Image: The speaker's internal components, including diaphragms, are engineered to deliver superior 3D sound quality, enhancing the audio experience.

# NECK AND SHOULDER COMFORT

The ergonomic design conforms to the natural curve of the neck and shoulders, ensuring comfort without pressure for long music sessions

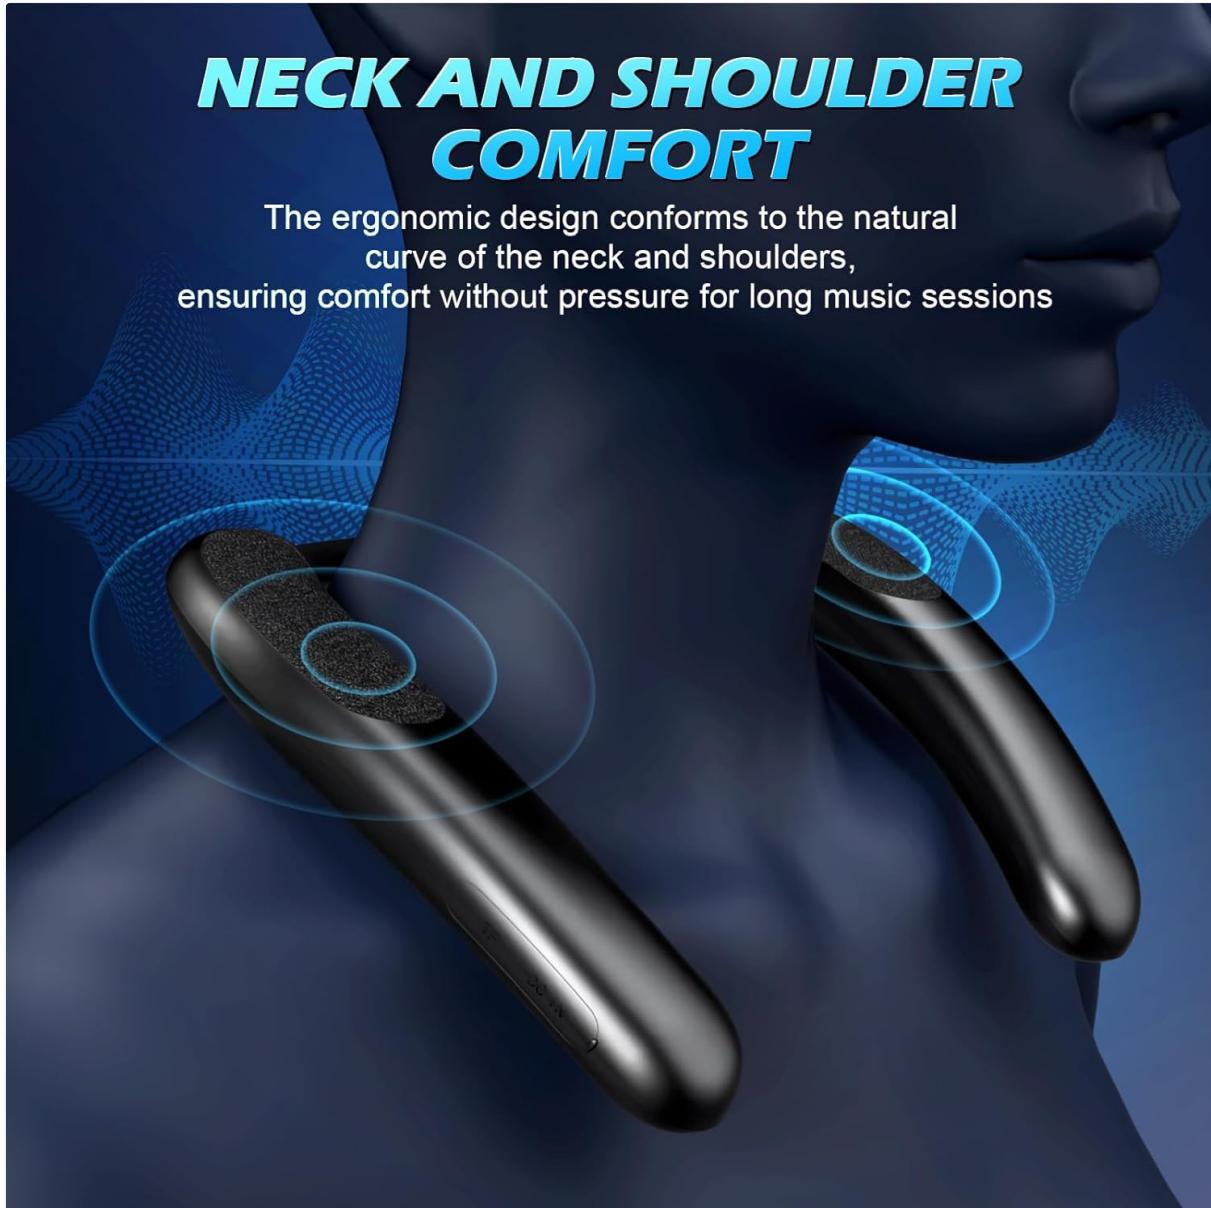

Image: The ergonomic design of the neck speaker conforms to the natural curve of the neck and shoulders, ensuring comfort during long listening sessions.

## SETUP INSTRUCTIONS

### 1. Charging the Speaker

Before first use, fully charge the speaker. Connect the provided charging cable to the speaker's charging port and a compatible USB power source. The charging indicator light will show the charging status. A full charge provides approximately 9-10 hours of continuous use at 80% volume.

# 10-HOUR BATTERY PERFORMANCE

Get 10 hours of continuous use with Bluetooth mode set at 80% volume

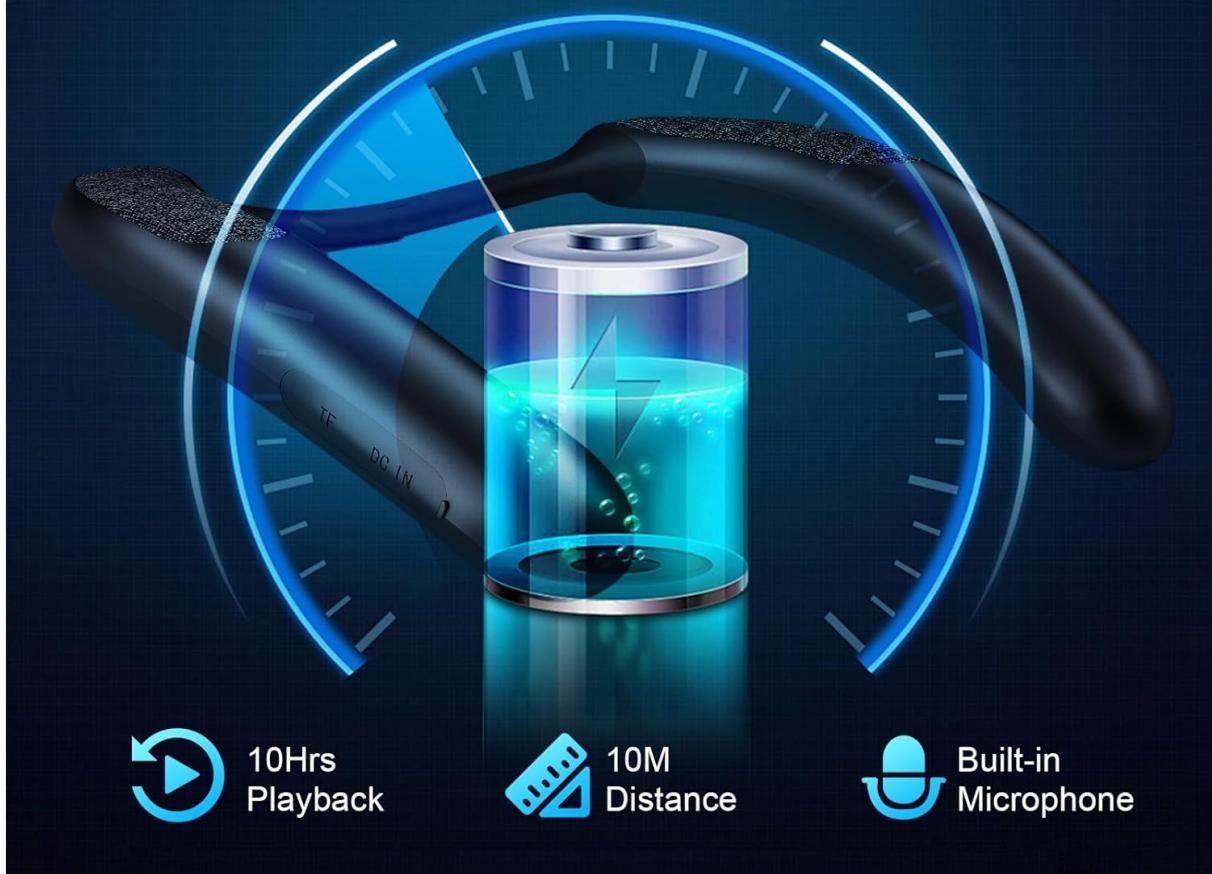

Image: An illustration demonstrating the 10-hour battery performance and the location of the charging port on the neck speaker.

## 2. Bluetooth Pairing

To connect your Smalody Neck Speaker to a device:

1. Ensure the speaker is powered off.
2. Press and hold the power button until the indicator light flashes, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "Smalody 910" (or similar name) from the list of devices.
5. Once connected, the indicator light will change, and you will hear an audible confirmation.

**Note:** The speaker can only be paired with one device at a time. If you experience pairing issues, clear the previous connection history on your device and attempt to pair again.

## OPERATING INSTRUCTIONS

### Power On/Off

- **To Power On:** Press and hold the power button for 3 seconds.
- **To Power Off:** Press and hold the power button for 3 seconds.

### Music Playback

After successful Bluetooth pairing, you can play audio from your connected device. Use the tactile controls on the speaker to manage playback:

- **Play/Pause:** Press the Play/Pause button once.
- **Next Track:** Press the 'Next' button.
- **Previous Track:** Press the 'Previous' button.
- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.

### Hands-Free Calling

The speaker features a built-in microphone with noise reduction for clear hands-free calls. When a call comes in:

- **Answer Call:** Press the Play/Pause button once.
- **End Call:** Press the Play/Pause button once during a call.
- **Reject Call:** Press and hold the Play/Pause button for 2 seconds.

## Usage Scenarios

The Smalody Neck Speaker is designed for versatile use, allowing you to enjoy audio while remaining aware of your surroundings. It is suitable for:

- Running and Cycling
- Driving
- Working or studying
- Gym workouts
- Gaming
- Home activities where noise might be a concern for others.

# ENJOY MUSIC ANYTIME AND ANYWHERE

The advertisement features a man in a grey athletic shirt and a woman in a blue tank top, both wearing the Smalody Neck Speaker around their necks. The man is shown running on a path, and the woman is shown cycling on an indoor bike. The background is a bright, outdoor setting for the man and an indoor gym for the woman. Below the images, there are six circular icons with corresponding labels: Running, Cycling, Driving, Working, Gym, and Gaming.

 Running	 Cycling	 Driving	 Working	 Gym	 Gaming
---	---	---	---	---	--

Image: Various individuals are depicted using the Smalody Neck Speaker during different activities, illustrating its versatility for active lifestyles and daily tasks.

## MAINTENANCE

### Cleaning

Wipe the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents. If necessary, a slightly damp cloth can be used, ensuring no moisture enters the ports.

### Water Resistance

The Smalody Neck Speaker is waterproof. However, it is not designed for submersion. Avoid exposing it to strong jets of water or prolonged immersion. Ensure all ports are securely closed if applicable before exposure to moisture.

### Storage

Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. Avoid placing heavy objects on the speaker.

## TROUBLESHOOTING

#### **Speaker does not power on:**

Ensure the speaker is fully charged. Connect it to a power source and try again.

#### **Cannot pair with a device:**

Make sure the speaker is in pairing mode (indicator light flashing). Clear any previous Bluetooth connection history on your device and try pairing again. Ensure no other devices are currently connected to the speaker.

#### **No sound or low volume:**

Check the volume levels on both the speaker and your connected device. Ensure the speaker is properly paired and within range of your device. Try restarting both the speaker and your device.

#### **Call quality is poor:**

Ensure the speaker is close to your mouth during calls. Check for any obstructions between the speaker and your device. Move away from sources of strong electromagnetic interference.
