Aoxun PS406WH01

Aoxun 35 Cu.Ft Outdoor Horizontal Storage Shed

MODEL: PS406WH01

Brand: Aoxun

Introduction

Thank you for choosing the Aoxun 35 Cu.Ft Outdoor Horizontal Storage Shed. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new storage unit. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Information

Always prioritize safety during assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always assemble and install the storage shed on a flat, stable surface.
- Use caution when handling heavy components.
- Ensure the shed is properly secured to prevent toppling.
- Do not exceed the weight limit of 160 pounds on the top of the shed.
- Keep children and pets away from the assembly area.
- Wear appropriate safety gear, such as gloves, during assembly.

Product Overview

The Aoxun 35 Cu.Ft Outdoor Horizontal Storage Shed is designed for versatile outdoor storage, offering durability and functionality. It features a robust resin construction and thoughtful design elements for ease of use and protection of your stored items.

Key Features:

- **Premium Resin Material & Structure:** Constructed from highly refined resin, ensuring stability and resistance to deformation. Designed to pass strict outdoor rain tests, maintaining interior dryness.
- **Door Suction System:** A specialized system prevents accidental closing or opening of the doors, enhancing stability and safety.
- **Widened Anti-toppling Base Design:** The shed's bottom features a widened design for enhanced stability, preventing toppling even on uneven ground.
- **Flexible Storage Space:** Compatible with additional partitions (sold separately) and a hole plate function to provide various storage solutions for items of different sizes.

- **Easy Installation:** Optimized design with fewer screws allows for assembly by 1-2 people in approximately 30-40 minutes.

Product Dimensions:

The shed measures approximately 52.3 inches (D) x 29.7 inches (W) x 36 inches (H). Refer to the image above for a detailed dimensional diagram.

Setup (Installation)

Assembly of the Aoxun storage shed is designed to be straightforward. It is recommended that 1-2 people perform the installation, which typically takes 30-40 minutes.

Before You Begin:

- Choose a flat, stable, and level surface for installation to ensure the shed's stability and proper door alignment.
- Unpack all components and verify against the parts list provided in your packaging.
- Note that the product may arrive in two separate packages, which might be delivered at different times.

Assembly Steps:

Follow the detailed graphical instructions included in your product packaging. The process involves connecting the base,

side panels, front doors, and top lid using the provided hardware. Fewer screws are required due to optimized design.

The image above illustrates the main components and their arrangement for assembly. Ensure all connections are secure.

Operating the Storage Shed

Your Aoxun storage shed offers convenient access through both its top lid and front doors.

Accessing the Interior:

- **Top Lid:** The top lid is equipped with a hovering metal support rod system, allowing it to open smoothly and stay open for hands-free access. To close, gently push down until it latches securely.
- **Front Doors:** The front doors feature a top metal buckle design and magnetic door suction to keep them securely closed. To open, unlatch the buckle and pull the doors open. The magnetic suction will hold them in place when

closed.

The image above highlights the lid support, top buckle, and magnetic door suction mechanisms.

Storage Capacity:

The 35 Cu.Ft capacity provides ample space for various outdoor items. It can accommodate garbage bins, generators, lawn mowers, garden tools, pool supplies, and more. Optional shelving kits (purchased separately) can be installed to maximize vertical storage and organization.

This image demonstrates the shed's capacity to store larger items like a lawn mower and various garden tools.

The interior view illustrates how items can be organized, including the use of optional shelves.

Maintenance

Regular maintenance will ensure the longevity and optimal performance of your Aoxun storage shed.

- **Cleaning:** Clean the shed periodically with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the resin material.
- **Inspection:** Regularly check all latches, hinges, and connections to ensure they are secure and functioning correctly. Tighten any loose screws if necessary.
- **Waterproofing:** The shed is designed to be waterproof. Ensure the lid and doors are properly closed and latched to maintain interior dryness, especially during heavy rain.
- **UV Protection:** The resin material includes UV protection. However, prolonged exposure to extreme sunlight may still affect its appearance over many years.

Troubleshooting

Here are solutions to common issues you might encounter:

- **Shed instability or toppling:** Ensure the shed is placed on a completely flat and stable surface. The widened anti-toppling base design helps, but a level foundation is crucial.
- **Water inside the shed:** Verify that the top lid and front doors are fully closed and all latches are engaged. Check for any obstructions preventing a tight seal.
- **Difficulty opening/closing doors or lid:** Inspect hinges and latches for any debris or damage. Ensure the shed is not overfilled, which could put pressure on the doors.
- **Missing parts during assembly:** If you find any parts missing, please contact Aoxun customer support immediately for assistance.

Specifications

Brand	Aoxun
Model Number	PS406WH01
Color	White
Material	Resin
Product Dimensions (D x W x H)	52.3" x 29.7" x 36"
Item Weight	81.57 Pounds
Door Width	29.7 Inches
Door Height	36 Inches
Water Resistance Level	Waterproof
Weight Capacity Maximum (Top)	160 Pounds
Ultraviolet Light Protection	Yes
Required Assembly	Yes

Warranty and Support

Your Aoxun storage shed is backed by a commitment to quality. For specific warranty details, please refer to the documentation included with your purchase.

- **Return Policy:** This product typically includes a 30-day easy return policy. Please check your purchase details for exact terms.
