WOWOBONTOY Air-Wolf Helicopter Building Blocks Model MOC-149250 Instruction Manual

Model Number: F15OB706H414H58F

1. INTRODUCTION

Thank you for choosing the WOWOBONTOY Air-Wolf Helicopter Building Blocks Model. This 1039-piece set allows you to construct a detailed replica of a twin-turbine helicopter, inspired by the Bell 222. This model is designed for display and offers an engaging building experience for enthusiasts aged 6 years and up.

2. PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present. The package should contain:

- 1039 premium ABS building block parts.
- Detailed paper instruction manual (accessible via QR code).
- Display stand components.

Note: Some sets may have parts distributed across multiple bags. Refer to the instruction manual for specific bag numbering and contents.

3. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included manual. A QR code is available for digital access to the instructions.

3.1. General Assembly Tips

- Organize parts by color and size before starting.
- Ensure each piece is firmly connected to prevent instability.
- Pay close attention to the orientation of pieces as shown in the diagrams.

3.2. Key Assembly Stages

1. **Base Structure:** Begin with the core fuselage, ensuring a solid foundation.
2. **Cockpit and Interior:** Assemble the detailed cockpit, including seating and control panels.
3. **Rotor Assembly:** Construct the main and tail rotors, ensuring they can rotate freely.
4. **Weapon Systems:** Attach the side-mounted weapon pods. Handle these with care as they may be delicate.
5. **Display Stand:** Assemble the stand to securely hold the finished helicopter model.

Figure 1: The completed WOWOBONTOY Air-Wolf Helicopter Building Blocks Model on its display stand.

This image shows the fully assembled Air-Wolf Helicopter model, presented on its dedicated display stand. The model features a sleek black and white design, with detailed rotor blades and weapon pods visible.

Figure 2: Top-down view of the helicopter with the upper fuselage section removed.

This image provides a top-down perspective of the Air-Wolf Helicopter model. The upper section of the fuselage is shown partially open, revealing the internal structure and the main rotor mechanism.

Figure 3: Rear view highlighting the tail rotor and rear stabilizers.

A rear view of the helicopter model, focusing on the tail section. The tail rotor and the distinctive white and black rear stabilizers are clearly visible, showcasing the model's intricate design.

EXQUISITELY CARVED : DETAILS

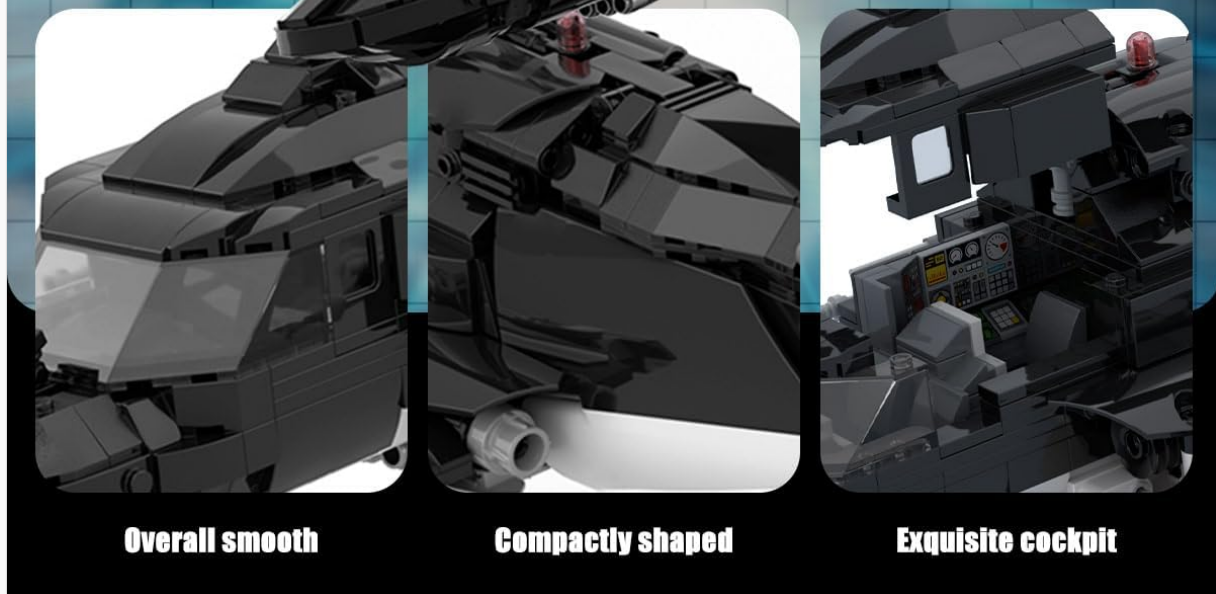

Figure 4: Detailed view of the cockpit interior.

This close-up image displays the detailed interior of the helicopter's cockpit, including control panels and seating arrangements, designed to enhance the model's realism.

Figure 5: Close-up of the side-mounted weapon pods.

A detailed shot of the weapon pods located on the side of the helicopter model, showcasing their design and integration with the fuselage.

3.3. Assembly Video Guide

For a visual guide to the assembly process, please refer to the official video below:

Video 1: Official assembly time-lapse for the Military Helicopter Model. This video demonstrates the construction process from individual blocks to the complete model.

4. OPERATING AND DISPLAY

This model is primarily designed for display. Once assembled, it can be placed on its stand for exhibition.

- The main and tail rotors are designed to rotate manually.
- The model features a detailed cockpit and exterior elements for visual appreciation.

Caution: This is a display model and not intended for rough play. Certain smaller components, such as the side cannon pods, may be fragile and detach if handled improperly.

Video 2: Overview of the FLYWING FW450L Airwolf Modern Military Airplane model. This video showcases the completed model from various angles, highlighting its features.

5. MAINTENANCE

To ensure the longevity and appearance of your model:

- **Cleaning:** Gently dust the model with a soft, dry cloth or a soft brush. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** When moving the model, support it from the main body rather than delicate parts like rotors or weapon pods.

6. TROUBLESHOOTING

6.1. Missing or Damaged Parts

If you discover any missing or damaged parts during assembly, please contact WOWOBONTOY customer service for assistance. While the instruction manual may suggest contacting customer service, specific contact information is not provided in this document. Please refer to the product packaging or the retailer's website for direct support channels.

6.2. Loose Connections

If parts feel loose, ensure they are pressed firmly into place. Some pieces may require more pressure to secure properly.

7. SPECIFICATIONS

Feature	Detail
Brand	WOWOBONTOY
Model Number	F150B706H414H58F (MOC-149250)
Number of Pieces	1039
Recommended Age	6 years and up
Material	ABS Plastic
Item Weight	1.64 pounds
Package Dimensions	14.09 x 10.24 x 2.68 inches
Product Dimensions (Approx.)	21.65 x 6.89 x 8.66 inches (as per image)

8. WARRANTY AND SUPPORT

For warranty information or further support regarding your WOWOBONTOY Air-Wolf Helicopter Building Blocks Model, please refer to the contact details provided on the product packaging or the official WOWOBONTOY website. If you purchased this item through an online retailer, their customer service channels may also be able to assist with product inquiries or part replacement requests.
