2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Assembly:** Always assemble the unit on a soft, clean surface to prevent scratches. Ensure all components are present and in good condition before beginning assembly. It is recommended that two people assemble this product.
- **Stability:** Ensure the vanity desk is placed on a flat, stable surface to prevent tipping.
- **Electrical Safety:** The vanity desk includes a built-in charging station. Do not overload the outlets or USB ports. Keep liquids away from electrical components.
- **Sharp Objects:** Keep the table away from sharp objects to prevent damage to the surface.
- **Weight Capacity:** Do not place excessively heavy items on the shelves or desktop.
- **Children:** Keep small parts and assembly tools out of reach of children.

3. PRODUCT FEATURES

The HUANLEGO Vanity Desk is equipped with several features designed for convenience and organization:

- **Large Storage Capacity:** Features 5 drawers, 6 storage shelves, and a glass display cabinet to organize cosmetics, skincare, jewelry, and other items.
- **LED Glass Cabinet:** A 3-layer glass display cabinet with RGB LED lighting, controllable via a phone application or switch. Includes dynamic modes such as music mode, microphone mode, and a timing function. Hidden jewelry racks are located behind the cabinet for rings, necklaces, and earrings.
- **Vanity Mirror with Lights:** The mirror is equipped with 10 light bulbs offering 3 color modes (warm yellow, natural white, cool white) and adjustable brightness via a switch or phone application.
- **Integrated Charging Station:** Includes a built-in power strip with 2 AC outlets and 2 USB ports for charging electronic devices or powering styling tools.
- **Vanity Stool:** A matching stool is included, providing comfortable seating.

4. PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed in the included assembly instructions are present and undamaged.

The package typically includes:

- Vanity Desk components (panels, drawers, hardware)
- Mirror with LED bulbs
- Glass cabinet and shelves
- Vanity Stool components
- Power strip with outlets and USB ports
- Assembly hardware (screws, dowels, connectors)
- Assembly Instruction Manual
- Tools for assembly (if provided)

5. ASSEMBLY INSTRUCTIONS

Detailed assembly instructions are included in the product packaging. Please follow these instructions carefully, step-by-step, to ensure correct and safe assembly.

1. **Unpack and Verify:** Carefully unpack all components and compare them against the parts list in the assembly manual. Ensure no parts are missing or damaged.
2. **Prepare Workspace:** Clear a spacious area and lay out a protective covering (e.g., a blanket or cardboard) to prevent scratches during assembly.
3. **Follow Steps:** Adhere strictly to the numbered steps in the provided assembly manual. Each component typically has an assembly number label.
4. **Secure Connections:** Ensure all screws, bolts, and connectors are tightened securely, but do not overtighten to avoid damaging the material.
5. **Electrical Connections:** Connect the LED lights and charging station according to the electrical wiring diagrams in the manual.
6. **Two-Person Assembly:** For certain steps, especially those involving lifting or aligning larger components, it is highly recommended to have a second person assist.

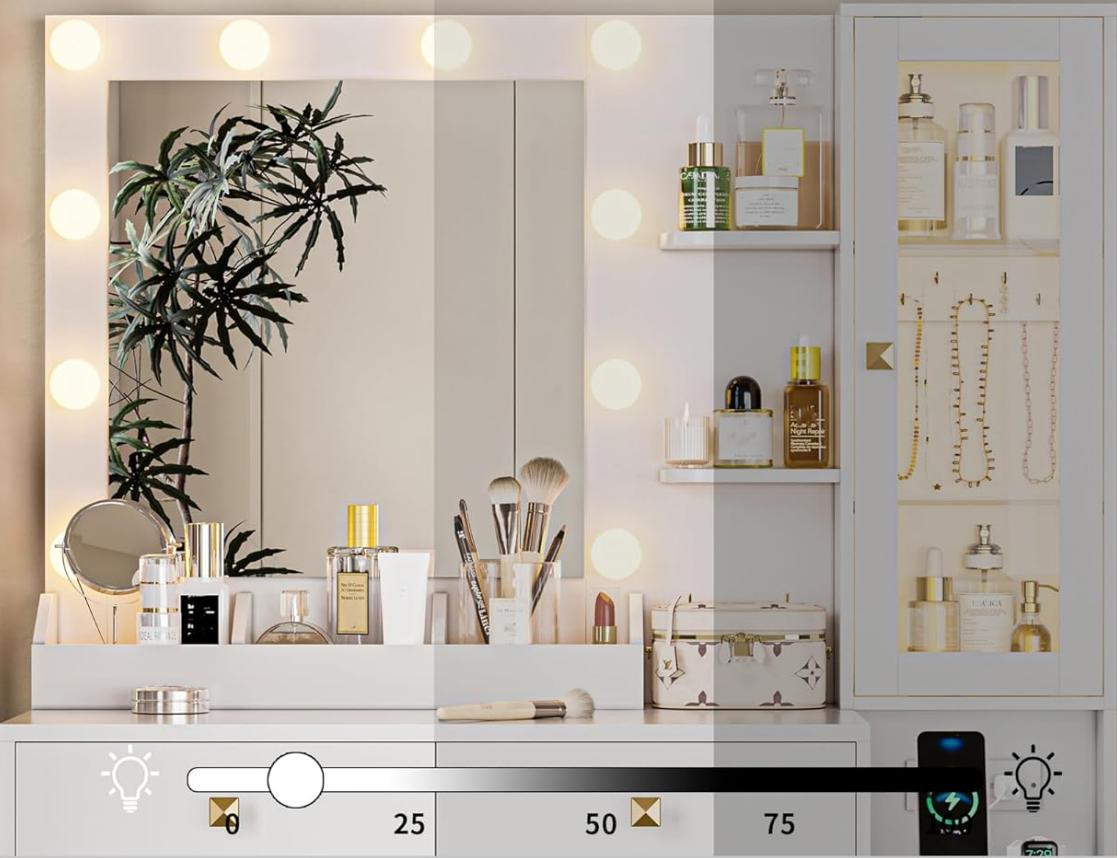

If you encounter any difficulties or have questions during assembly, please refer to the troubleshooting section or contact customer support.

6. OPERATING INSTRUCTIONS

6.1. Vanity Mirror Lights

The mirror lights offer customizable illumination for your makeup application.

- **Power On/Off:** Use the integrated switch on the mirror frame or the dedicated phone application to turn the lights on or off.
- **Color Modes:** Cycle through 3 color modes: warm yellow, natural white, and cool white, to match different lighting environments or preferences.
- **Brightness Adjustment:** Adjust the brightness level by pressing and holding the switch or using the slider control within the phone application.

7. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your vanity desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Protection:** Keep the table away from sharp objects to prevent scratches. Use coasters or protective pads under hot items.
- **Electrical Components:** Ensure all electrical connections are dry and free from dust. Do not attempt to repair electrical components yourself.

8. TROUBLESHOOTING

Refer to this section for solutions to common issues.

Problem	Possible Cause	Solution
Mirror lights not working	Power cord not plugged in; loose connection; bulb failure.	Ensure power cord is securely plugged into a wall outlet. Check all internal connections. Replace faulty bulbs if necessary.
RGB cabinet lights not working	Power issue; app not connected; switch malfunction.	Verify power supply. Ensure phone app is correctly paired. Check the physical switch.
Charging station not providing power	Main power cord unplugged; device not compatible; overloaded circuit.	Confirm the vanity desk's main power cord is plugged in. Ensure your device is compatible with the output. Avoid plugging in too many high-power devices simultaneously.
Drawers are stiff or misaligned	Improper assembly; debris in runners.	Review assembly instructions for drawer runner installation. Clear any obstructions from the drawer slides.
