Aheaplus B0DF2QQ53R

Aheaplus 59-inch Gaming Desk with LED Lights and Power Outlets Instruction Manual

Model: B0DF2QQ53R

Introduction

Thank you for purchasing the Aheaplus Gaming Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read it thoroughly before beginning assembly and keep it for future reference.

Safety Information

WARNING:

- Always unplug the power cord when the desk's electrical components are not in use or before cleaning.
- Do not overload the power outlets or USB ports. Ensure total connected load does not exceed the desk's specified limits (3 AC Outlets 120V/12A, 2 USB Ports 5V/2A).
- Keep the desk and its electrical components away from heat sources, open flames, and liquids to prevent fire or electric shock.
- Always follow the assembly instructions carefully to ensure stability and safety. Improper assembly can lead to instability and potential injury.
- Do not allow children to climb on or play with the desk.
- Ensure all screws and fasteners are tightened securely during assembly and periodically check for looseness.

Product Features

- **Integrated Power Outlets & USB Charging Ports:** Equipped with 3 AC outlets (120V/12A) and 2 USB charging ports (5V/2A) for convenient device charging.
- **RGB LED Lights:** Features an RGB LED light strip controllable via a smart app, offering over 60,000 colors and

multiple modes, including timing and music sync.

- **Ample Storage:** Includes a full monitor stand, three durable fabric drawers, and open storage shelves.
- **Reversible Design:** The desk can be configured as a straight desk or an L-shaped desk, with the storage unit reversible to either side.
- **Durable Construction:** Crafted from high-quality MDF board and a rugged metal frame.

Figure 2: Detail of the integrated power strip with 3 AC outlets and 2 USB charging ports, providing convenient access to power for multiple devices.

Figure 3: The three-tier fabric drawers offer ample storage for documents, office supplies, and gaming equipment, helping to keep the workspace organized.

Specifications

Feature	Detail
Brand	Aheaplus
Model	B0DF2QQ53R
Product Dimensions (Approx. W x D x H)	59.05"W x 18.5"D x 34.64"H (Overall, refer to diagram for detailed measurements)
Material	Engineered Wood (Top), Metal (Frame)
Color	Rustic Brown

Feature	Detail
Power Outlets	3 AC Outlets (120V/12A)
USB Charging Ports	2 USB Ports (5V/2A)
Power Cord Length	6.5 ft
LED Lights	RGB, App Control, 60000+ colors, multiple modes
Storage	Full Monitor Stand, 3 Fabric Drawers, Open Storage Shelves
Assembly	Assembly required, instructions included
Product Care	Wipe with Dry Cloth

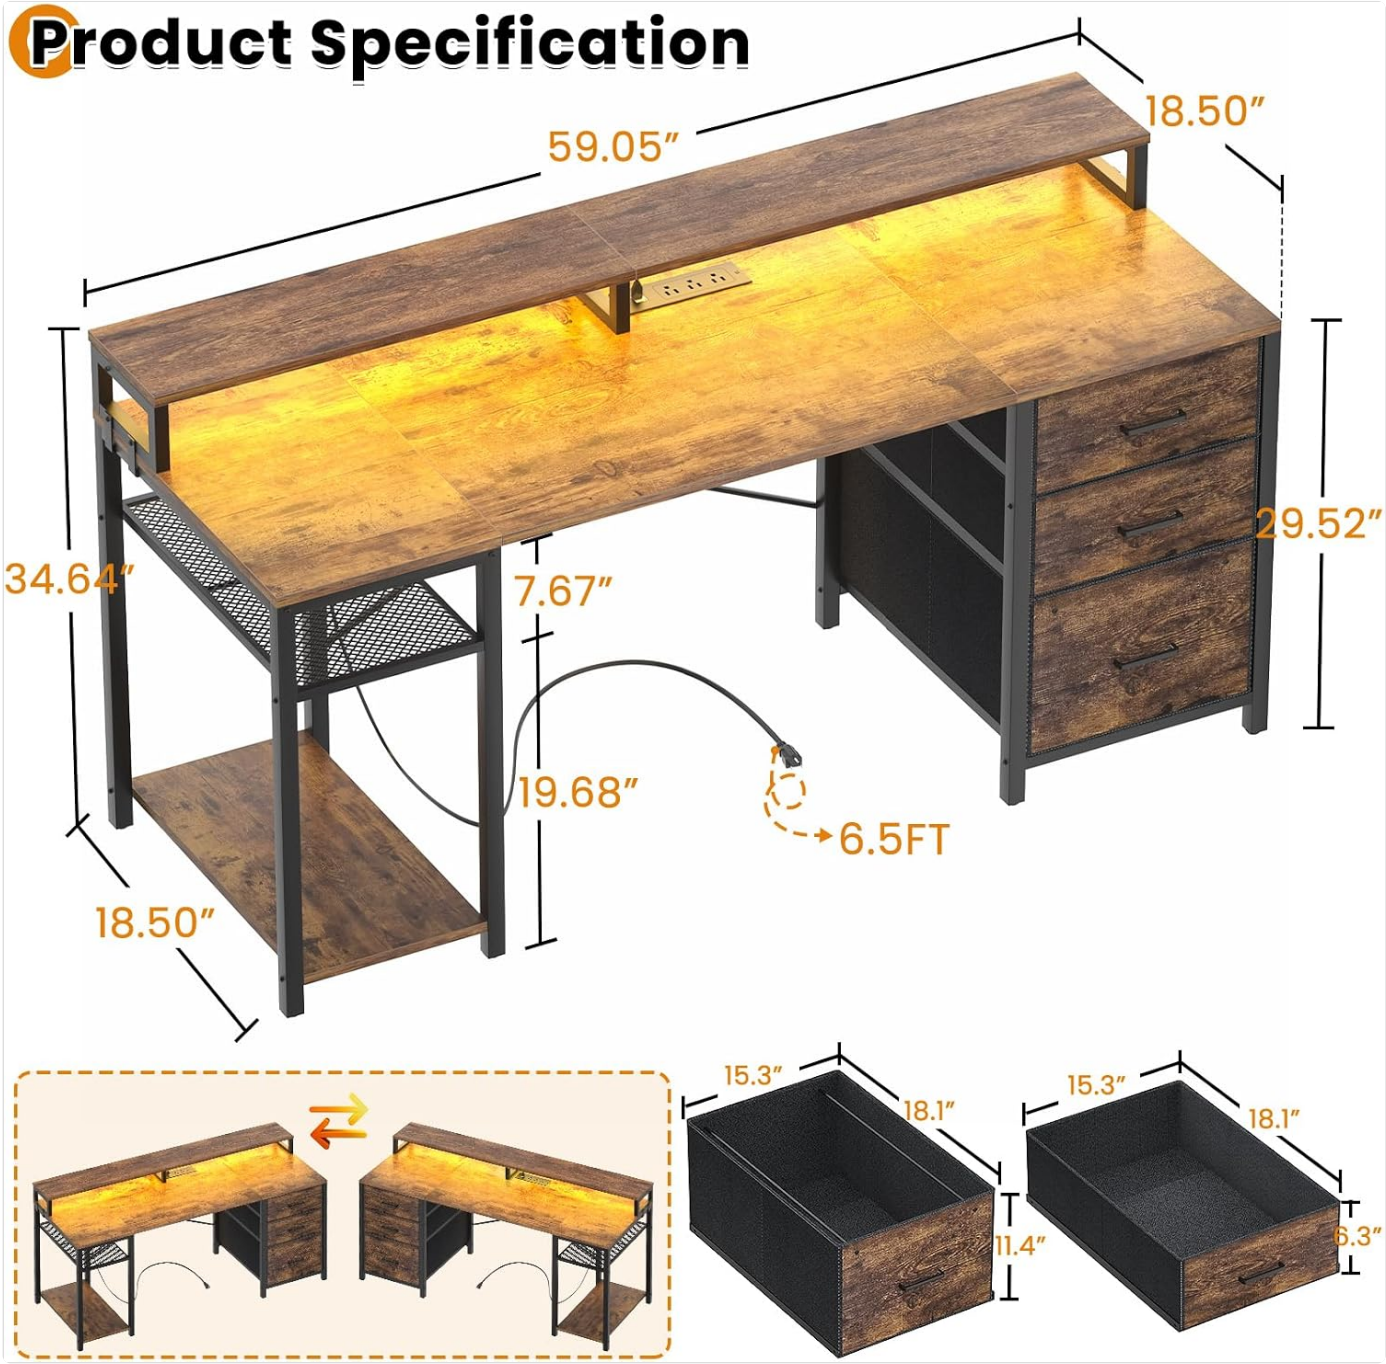

Figure 4: Product specification diagram illustrating key dimensions and components of the desk, including the 59.05" main desk width and 34.64" overall height.

Setup and Assembly

Assembly is required for this desk. Please ensure you have all parts and tools as listed in the included assembly instructions before you begin. It is recommended to assemble the desk in the room where it will be used.

1. **Unpack Components:** Carefully unpack all parts and hardware. Lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
2. **Review Instructions:** Read the entire assembly manual provided in the packaging before starting. Pay close attention to diagrams and warnings.
3. **Assemble Frame:** Begin by assembling the metal frame components according to the step-by-step instructions. Ensure all screws are finger-tightened initially.
4. **Attach Desk Surfaces:** Secure the engineered wood desk surfaces to the assembled frame.
5. **Install Monitor Stand:** Attach the monitor stand to the main desk surface.
6. **Install Storage Unit:** Assemble and attach the storage unit, including the fabric drawers. Note that the storage unit is reversible, allowing you to choose its placement on either the left or right side of the desk.
7. **Connect Power Unit:** Install the built-in power outlet unit into its designated slot on the desk.
8. **Install LED Strip:** Adhere the LED light strip to the designated area, typically under the monitor stand or along the back edge of the desk.
9. **Final Tightening:** Once all components are in place, go back and securely tighten all screws and fasteners. Do not overtighten.
10. **Cable Management:** Use any provided cable management accessories to organize the power cord and other device cables.

Figure 5: The reversible design allows for flexible configuration, either as a straight desk or an L-shaped setup, adapting to various room layouts.

Operating Instructions

Power Outlets and USB Ports

1. Plug the desk's main power cord (6.5 ft) into a standard wall outlet.
2. Connect your devices (laptops, monitors, smartphones, gaming gear) to the 3 AC outlets or 2 USB charging ports.
3. Ensure that the total power draw of all connected devices does not exceed the rated capacity of the power strip (120V/12A for AC, 5V/2A for USB).

LED Lights

1. Ensure the LED light strip is properly connected to its power source, typically integrated with the desk's power unit.
2. Download the specified smart app (refer to the LED light controller's instructions for the app name, usually found via

a QR code).

3. Pair your smartphone with the LED light controller via Bluetooth or Wi-Fi as instructed by the app.
4. Use the app to select from over 60,000 colors, various lighting modes, adjust brightness, set timing modes, or sync the lights with music.

Maintenance

- **Cleaning:** Wipe the desk surfaces with a dry, soft cloth. For stubborn marks, use a slightly damp cloth with mild soap, then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Electrical Components:** Keep the power outlets, USB ports, and LED lights clean and free of dust. Do not spray liquids directly onto electrical components.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a damp cloth and mild detergent. Allow to air dry completely.

Troubleshooting

Problem	Possible Cause	Solution
No power from outlets/USB ports.	Desk power cord unplugged; wall outlet not working; overloaded circuit.	Ensure the desk's power cord is securely plugged into a functional wall outlet. Test the wall outlet with another device. Reduce the number of devices connected to the desk's power strip.
LED lights not turning on or responding.	LED strip not connected; app not paired; power issue.	Check if the LED strip is properly connected to its power source. Ensure your smartphone is paired with the LED controller via the app. Verify the desk's main power is on.
Desk feels wobbly or unstable.	Loose fasteners; uneven floor.	Check and tighten all assembly screws. Ensure the desk is on a level surface; use shims if necessary.
Fabric drawers not sliding smoothly.	Obstruction; improper assembly.	Check for any items obstructing the drawer's path. Re-check the assembly of the drawer unit to ensure it's correctly aligned.

Warranty and Support

Aheaplus is committed to providing quality products. While specific warranty details are not provided in this manual, please retain your proof of purchase. If your item arrives damaged, scratched, or with missing parts, or if you encounter any issues during assembly or use, please contact Aheaplus customer service directly.
For support, please visit the Aheaplus Store on Amazon or refer to the contact information provided in your product packaging.
