SETUP AND ASSEMBLY

Follow these steps for proper assembly of your YITAHOME TV Stand. It is recommended to have a second person for assistance during certain steps.

Assembly Instructions:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Match each component with the corresponding labels in the instruction manual.
3. **Initial Frame Assembly:** Begin by connecting the main base panels using the provided dowels and screws. Ensure correct orientation of screw holes.
4. **Vertical Panel Installation:** Attach the vertical support panels to the base. Pay attention to screw hole orientation for proper alignment.
5. **Shelf Installation:** Insert the adjustable tempered glass shelf into the desired height level. Secure it with the provided supports.
6. **Cabinet Assembly:** Assemble the cabinet doors and attach them to the main frame.
7. **LED Light Installation:** Carefully attach the RGB LED light strips to the designated areas. Connect the wiring to the control unit.
8. **Final Checks:** Ensure all screws are tightened and the stand is stable before placing any items on it.

General Care:

- Avoid direct sunlight exposure to prevent fading.
- Do not place hot items directly on the surface without protection.
- Regularly check and tighten any loose screws to maintain stability.

TROUBLESHOOTING

If you encounter any issues with your YITAHOME TV Stand, refer to the following common solutions:

LED Lights Not Working:

- **Check Power Connection:** Ensure the LED light strip is securely plugged into the power source and the control unit.
- **Remote Battery:** Replace the battery in the remote control if the lights are unresponsive.
- **App Connection:** If using the mobile app, ensure your device is properly paired with the LED control unit.

Stand Instability:

- **Tighten Screws:** Re-check all assembly screws and tighten any that are loose.
- **Level Surface:** Ensure the TV stand is placed on a flat, level surface.
- **Weight Distribution:** Distribute items evenly across the shelves and top surface to maintain balance.
