MAINTENANCE

- **Cleaning:** Clean the toy with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the product's finish or internal components.
- **Storage:** Store the toy in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause fading or material degradation.
- **Handling:** Handle the toy with care to prevent accidental drops or impacts, which could cause damage.

TROUBLESHOOTING

- **Item Not Attaching Securely:** Ensure the Gochizou item is aligned correctly with the slot on the DX Transformation Belt Gav and pushed firmly until it clicks into place. Do not force the item.
- **No Sound or Transformation:** Verify that the Gochizou item is fully inserted and that the handle is rotated and the Gav Gav button is pressed correctly. If using the DX Transformation Belt Gav, ensure it
