1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use of this product. Failure to follow these instructions may result in serious injury.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 485 lbs for the loft bed.
- **Ladders:** Always use the dual ladders carefully to climb up and down. Never jump on or off the bed.
- **Guardrail:** The upper bed is equipped with a 12-inch high full-length safety guardrail. Ensure it is properly installed to prevent accidental falls.
- **Assembly:** Ensure the bed is properly assembled and all connections are tightened before use. Regular checks of all bolts and screws are recommended.

- **Mattress:** Use a mattress with a maximum thickness of 6 inches (not included) to maintain adequate guardrail height.
- **Children:** This loft bed is designed for juniors, teens, and adults. Supervise children using the bed.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Twin Loft Bed Frame (all components)
- 1 x Instruction Manual
- Hardware Pack (screws, bolts, tools if included)

3. ASSEMBLY INSTRUCTIONS

Assembly is required for this loft bed. It is recommended that two people assemble the bed, which typically takes approximately 40 minutes.

1. **Unpack:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a rug or blanket) to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the included instruction manual to identify each component.
3. **Assemble Frame:** Follow the step-by-step diagrams in the manual to connect the main frame components using the provided hardware. Ensure all connections are secure but do not fully tighten until the entire frame is assembled.
4. **Install Slats:** Attach the 11 metal slats to the bed frame. These provide mattress support and eliminate the need for a box spring.
5. **Attach Ladders and Guardrails:** Securely attach the dual ladders and the full-length guardrails as per the instructions.
6. **Final Tightening:** Once all components are in place, go back and fully tighten all screws and bolts. Do not overtighten.
7. **Placement:** Position the assembled loft bed in its desired location.

Image: Detailed views illustrating the construction features: 11 sturdy metal slats for mattress support, tight screw connections for stability, and non-slip foot pads for floor protection and noise reduction.

4. USAGE GUIDELINES

The IFANNY Twin Size Metal Loft Bed is designed for efficient space utilization and comfortable sleep.

- **Accessing the Bed:** Use the integrated dual ladders for safe and easy access to the upper sleeping area. Always face the ladder when climbing up or down.
- **Under-Bed Space:** The 58-inch clearance from the bed frame to the floor provides ample space for various configurations. This area can be utilized for:
 - **Study/Office Area:** Place a desk, chair, and shelving for a dedicated workspace.
 - **Storage Space:** Incorporate dressers, bookcases, or storage bins to organize belongings.
 - **Entertainment Corner:** Create a lounge area with beanbags or a small sofa.
- **Noise-Free Design:** The tight screw connections, evenly spaced slats, and non-slip foot pads contribute to a quiet sleeping environment.

5. CARE AND MAINTENANCE

- **Cleaning:** Wipe the metal frame with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the powder-coated finish.
- **Regular Checks:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Retighten as necessary to maintain stability and safety.
- **Avoid Overloading:** Do not place excessive weight on the bed or its components beyond the stated weight capacity.
- **Ventilation:** Ensure adequate air circulation around the mattress to prevent moisture buildup.

6. TROUBLESHOOTING

- **Wobbling/Instability:** If the bed feels wobbly, check all connections and ensure every bolt and screw is securely tightened. Uneven flooring can also contribute to instability; consider using shims if necessary.
- **Noise:** Squeaking or creaking noises often indicate loose connections. Retighten all hardware. Ensure the mattress is properly seated on the slats.
- **Missing Parts:** If any parts were missing upon delivery, refer to the contact information in your package or on the IFANNY brand store for assistance.

7. PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	10540-HU
Color	Silver
Material	Steel
Overall Dimensions (L x W x H)	77" x 41.5" x 72.5"
