2. Safety Information

- **Maximum Weight Capacity:** This recliner is designed to support a maximum weight of 136 kg (approximately 299 lbs). Do not exceed this limit.
- Ensure all components are securely fastened before use.
- Keep hands and feet clear of the reclining mechanism when adjusting the chair.
- Do not allow children to play on or around the recliner unsupervised.
- Place the recliner on a level, stable surface.

3. Assembly Instructions

The FABATO RC-P396 recliner is designed for quick and easy assembly, typically taking 5 minutes or less for one person. Follow these general steps:

1. Unpack all components and verify against the packing list (not provided in this manual, refer to product packaging).
2. Attach the backrest to the seat base, ensuring the connection points align and lock securely.
3. Connect any necessary wiring for the massage function, if applicable, following the specific instructions provided with the chair.
4. Ensure all parts are firmly connected before sitting in the chair.

4. Operating Instructions

4.1. Reclining Function

The recliner features a manual reclining mechanism with a lever located on the side. It offers 3 distinct positions, allowing adjustment from an upright 90° angle to a relaxed 165° recline.

- To recline: Pull the reclining lever (often located on the side of the chair) and lean back gently. The footrest will extend, and the backrest will adjust.
- To return to upright position: Lean forward and push the footrest down with your legs until it locks into place. The backrest will follow.

4.2. Massage Function

The recliner is equipped with an 8-mode massage function, controlled by a remote. It includes 2 vibration options and adjustable intensity, specifically targeting the lumbar area. The default massage duration is 15 minutes.

- **Power On/Off:** Use the power button on the remote control to activate or deactivate the massage function.
- **Mode Selection:** Choose from 8 different massage modes using the remote.
- **Intensity Adjustment:** Adjust the massage intensity to your preference.
- **Timer:** The massage function has a preset timer of 15 minutes.

6. Maintenance

Proper care will extend the life and appearance of your FABATO recliner.

- **Regular Cleaning:** Vacuum the fabric regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner following the product's instructions, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your recliner away from direct sun exposure.
- **Mechanism Care:** Periodically check the reclining mechanism for any loose screws or components and tighten as needed. Avoid forcing the mechanism.

7. Troubleshooting

If you encounter any issues with your recliner, refer to the following common solutions:

- **Reclining Mechanism Stiff:** Ensure no obstructions are preventing movement. Check if all assembly bolts are properly tightened.
- **Massage Function Not Working:** Verify that the power cord is securely plugged into an outlet and the remote control batteries (if applicable) are functional. Check all connections for the massage unit.
- **Unusual Noises:** Inspect the frame and reclining mechanism for any loose parts. Tighten any visible screws.

If problems persist, please contact FABATO customer support.
