5.5 Face Unlock and OTG

The tablet supports Face Unlock for secure access and OTG (On-The-Go) functionality, allowing it to connect to USB devices and act as a power bank for other devices.

6. MAINTENANCE

6.1 Care and Cleaning

Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using harsh chemicals or abrasive materials. Keep the device away from extreme temperatures and direct sunlight.

6.2 Battery Care

To prolong battery life, avoid fully discharging the battery frequently. Charge the tablet regularly and avoid leaving it connected to the charger for extended periods after it's fully charged.

7. TROUBLESHOOTING

7.1 Common Issues and Solutions

- Tablet not turning on:** Ensure the battery is charged. Connect the charger and try again.
- Screen unresponsive:** Restart the tablet by holding the power button for approximately 10 seconds.
- Apps crashing:** Clear the cache of the problematic app or reinstall it. Ensure the tablet's software is up to date.
- Slow performance:** Close unnecessary background applications. Check for available storage space and clear old files.
- Overheating:** Avoid using the tablet in direct sunlight or during heavy processing tasks for extended periods. Close demanding applications if the device feels excessively warm.
