SOULION R80

SOULION R80 Bluetooth Computer Speakers Instruction Manual

Model: R80

INTRODUCTION

Thank you for choosing the SOULION R80 Bluetooth Computer Speakers. This manual provides essential information for the proper setup, operation, and maintenance of your device. Please read these instructions carefully before use to ensure optimal performance and longevity.

Image: The SOULION R80 Bluetooth Computer Speakers, featuring a central control panel with a digital clock display and a colorful LED light strip along the bottom edge.

KEY FEATURES

- **LCD Clock Display:** Integrated digital clock for convenience (requires 2 AA batteries, not included).
- **Upgraded LED Light Effects:** Five dynamic lighting effects with a unique mirror inlay design.
- **Multiple Connectivity Modes:** Supports USB, Bluetooth, and AUX connections.
- **Powerful & Clear Sound:** Equipped with two independent diaphragms for rich audio.
- **Easy Controls:** Independent button operation and a rotary knob for volume adjustment.

SETUP

Package Contents

- SOULION R80 Speaker
- USB-C to USB Adapter
- User Manual

Powering the Device

The speaker is powered via a USB connection. Connect the integrated USB cable to a USB port on your computer or a USB power adapter (not included).

Clock Setup

1. Insert 2 AA batteries (not included) into the battery compartment located at the rear of the speaker.
2. Press the "H" button to select 12/24 hour format.
3. Press the "S" button to select hours.
4. Use the "▲" button to adjust the correct hour.
5. Press the "S" button again to select minutes.
6. Use the "▲" button to adjust the correct minutes.
7. Finally, press the "S" button again to confirm the time.

How To Adjust Clock

Enjoy your happy time.

- **Bluetooth Mode:**

- a. Ensure the speaker is powered via USB.
- b. Press the "M" button on the speaker to select "Bluetooth Mode".
- c. On your smartphone or tablet, search for "R80" in the Bluetooth settings and connect.
- d. To clear Bluetooth memory and reconnect, press and hold the light button for three seconds.

Troubleshooting

Do not work/No sound

1. Be sure do not plug with two devices as the audio output on computer at the same time.
2. Be sure choose "R80" as audio output on your device.
3. Be sure computer & R80 speaker both volume up and try to be MAX.
4. Try to plug the USB or Type-C jack at the back of computer host port.
5. Try to connect with other devices works or not.
6. Try to change Bluetooth mode and check work or not.

- **AUX Mode:**

- a. Ensure the speaker is powered via USB.
- b. Connect a 3.5mm audio cable (not included) from your device to the AUX input port on the rear of the speaker.
- c. Press the "M" button on the speaker to select "AUX Mode".
- d. Note: Only supports 3.5mm 3-Pole audio cables. 4-Pole audio cables are not supported.

How to Setup: Windows

1. Plug the USB connector into USB side ports on computers;

2. Fix the setting:

- ① Speaker icon - choose "R80" as audio output
- ② control panel/system preference - sound setting - choose "R80" as audio output - save changes.

MAINTENANCE

General Care

- Keep the speaker in a dry environment.
- Clean the surface with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Do not expose the speaker to extreme temperatures or direct sunlight.

Clock Battery Replacement

The digital clock requires 2 AA batteries. Replace them when the display becomes dim or stops working. Ensure correct polarity when inserting new batteries.

Loud & Rich Sound

Enjoy your auditory feast.

TROUBLESHOOTING

No Sound or Device Not Working

- Ensure only one device is connected as the audio output on your computer at a time.
- Verify that "R80" is selected as the audio output on your device.
- Confirm that both the computer and the R80 speaker volumes are turned up, ideally to maximum for testing.
- Try plugging the USB or Type-C jack into a different port on your computer.
- Attempt to connect with other devices to check if the speaker functions.
- Switch between Bluetooth, USB, and AUX modes to see if the issue is mode-specific.
