## Ganeed 18300698-1ba7-41c4-b146-02532b0718c9

# Ganeed 20.86-inch Boho Caged Ceiling Fan with Lights and Remote

Model: 18300698-1ba7-41c4-b146-02532b0718c9

## 1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before beginning installation and use. Failure to follow these instructions may result in electric shock, fire, or serious personal injury.

- Ensure the power is turned off at the circuit breaker before installation or maintenance.
- All electrical connections must be in accordance with local codes, ordinances, and the National Electric Code. If you are unfamiliar with electrical wiring, consult a qualified electrician.
- Mounting structure must be capable of supporting the fan's weight.
- Do not operate the fan with damaged wiring or if the fan is visibly damaged.

## 2. PRODUCT OVERVIEW

The Ganeed 20.86-inch Boho Caged Ceiling Fan combines a unique aesthetic with practical functionality, offering both illumination and air circulation. Its flush mount design is suitable for various indoor spaces.

*Image: The Ganeed 20.86-inch Boho Caged Ceiling Fan, showcasing its rattan cage design and integrated lighting, with a remote control in the foreground.*

### **Key Features:**

- **Unique Boho Vintage Design:** Features a metal frame and hand-woven rattan weave caged design, measuring W20.86 \* H7.48 inches.
- **Wind Speed Remote Control:** Includes a remote controller for separate or simultaneous control of fan and light, with 6 wind speeds and timer functions (1, 2, 4 hours).
- **Advanced Fan Functionality:** Reversible motor with frequency conversion technology for forward (summer) and reverse (winter) functions.
- **Low Noise Copper Motor:** 15W motor provides powerful airflow with silent performance (approx. 30dB).
- **E26 Bulbs Required:** Requires 4 E26 base bulbs (max 60W, not included), compatible with LED, CFL, or incandescent bulbs.

### **3. PACKAGE CONTENTS**

The package includes all necessary accessories for installation and operation, along with English installation instructions. Bulbs are not included and must be purchased separately.

## Boho Caged Ceiling Fan with Light

### PRODUCT DETAILS

Shade Material: Rattan

Bulb wattage: Max 60W per bulb

Fan body finish: Metal Black

Bulb Base: E26\*4

Mounting: Flush mount

Fan type: Caged

Suitable for all E26 bulb types  
**(Bulbs not included)**

*Image: A diagram illustrating the dimensions (20.86 inches width, 7.48 inches height) and key product details such as shade material (rattan), fan body finish (metal black), mounting type (flush mount), bulb wattage (Max 60W per bulb), bulb base (E26\*4), and fan type (caged).*

## 4. SETUP AND INSTALLATION

Installation of this ceiling fan requires electrical wiring knowledge. If you are unsure, please consult a qualified electrician.

### Pre-Installation Checklist:

- Ensure all components are present and undamaged.
- Turn off power at the main circuit breaker.
- Prepare necessary tools (screwdriver, wire strippers, ladder, etc.).

### Installation Steps (General Guide):

1. **Mounting Bracket:** Secure the mounting bracket to the ceiling junction box. Ensure it is firmly attached and can support the fan's weight.
2. **Wiring:** Connect the fan's electrical wires to the household wiring according to the provided wiring diagram in the included instructions. Use appropriate wire nuts.

3. **Attach Fan Body:** Carefully lift and attach the fan body to the mounting bracket.
4. **Install Bulbs:** Screw in four E26 base bulbs (not included) into the lamp holders.
5. **Secure Rattan Shade:** Ensure the rattan shade is properly aligned and secured.

*Image: A close-up of the E26 bulb sockets within the fan, alongside illustrations of various compatible E26 bulb types (LED, CFL, incandescent).*

## 5. OPERATING INSTRUCTIONS

---

The Ganeed ceiling fan can be operated using the included remote control or a dedicated smartphone application.

### **Remote Control Functions:**

*Image: A detailed view of the remote control, highlighting buttons for fan on/off, light on/off, 6 wind speeds, forward/reverse rotations, natural wind mode, and timer functions (1H, 2H, 4H, 8H).*

- **Fan On/Off:** Press the fan icon button to turn the fan on or off.
- **Light On/Off:** Press the light bulb icon button to turn the lights on or off.
- **Wind Speed:** Use the numbered buttons (1-6) to adjust the fan speed.
- **Forward/Reverse Rotation:** The remote allows switching between summer (downward airflow) and winter (upward airflow) modes.
- **Timer Function:** Set the fan to turn off automatically after 1, 2, 4, or 8 hours.
- **Natural Wind Mode:** Activates a varying fan speed to simulate natural breezes.

### App Control:

The fan can also be controlled via a smartphone application. Refer to the included instructions for QR code scanning and pairing procedures. The app provides similar controls to the remote, including fan speed adjustment, light control, and timer settings.

Your browser does not support the video tag.

*Video: Demonstration of the Ganeed ceiling fan's remote control and app functionalities, including turning the fan and lights on/off, adjusting fan speeds, and setting timers.*

## Reversible Motor Function:

*Image: A split image showing the fan's airflow in summer mode (downward for cooling) and winter mode (upward for circulating warm air).*

The reversible motor allows you to change the direction of the fan blades for optimal comfort throughout the year:

- **Summer Mode:** Blades rotate counter-clockwise, pushing air downward to create a cooling breeze.
- **Winter Mode:** Blades rotate clockwise, drawing air upward to circulate warm air trapped near the ceiling.

## 6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your ceiling fan.

### Cleaning:

- Always turn off the power at the circuit breaker before cleaning.
- Use a soft, damp cloth to wipe down the exterior of the fan and rattan cage. Avoid harsh chemicals or abrasive cleaners.
- The fan blades are designed to be easily removable for cleaning. Gently detach them, wipe clean, and reattach.

Image: A close-up showing a hand removing one of the transparent fan blades, emphasizing the ease of installation and cleaning.

### Bulb Replacement:

- Ensure the power is off and bulbs have cooled before attempting to replace them.
- Unscrew old bulbs and replace with new E26 base bulbs (max 60W).

## 7. TROUBLESHOOTING

If you encounter issues with your Ganeed ceiling fan, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Fan does not start	No power, loose wiring, remote battery dead	Check circuit breaker, ensure connections are secure, replace remote batteries.
Lights do not work	Bulbs faulty, loose wiring, light switch off	Replace bulbs, check wiring, ensure light function is activated on remote/app.
Fan makes noise	Loose screws, unbalanced blades, motor issue	Tighten all screws, ensure blades are securely attached, contact support if motor noise persists.
Remote not working	Dead batteries, remote not paired, obstruction	Replace batteries, re-pair remote according to instructions, ensure clear line of sight.

## 8. SPECIFICATIONS

Feature	Detail
Brand	Ganeed
Model Number	18300698-1ba7-41c4-b146-02532b0718c9
Product Dimensions	20.87"L x 20.87"W x 7.48"H
Item Weight	6.82 pounds (3.1 Kilograms)
Color	Rattan Yellow
Material	Iron + Rattan Craft
Installation Type	Semi Flush Mount
Power Source	AC
Number of Light Sources	4
Bulb Base	E26
Max Wattage per Bulb	60 watts
Light Output Maximum	3200 Lumens
Control Method	App, Remote Control
Special Features	Remote Controlled, Timer, Bladeless (enclosed design)
Indoor/Outdoor Usage	Indoor

## 9. WARRANTY AND SUPPORT

This Ganeed product comes with a limited warranty. For specific warranty details, please refer to the documentation included with your purchase or contact Ganeed customer support.

### Customer Support:

For technical assistance, troubleshooting, or warranty claims, please contact the Ganeed Lighting Store directly through your purchase platform or their official website.
