## HOOBRO BG48MZ03

# HOOBRO BG48MZ03 Cat Tree with Litter Box Enclosure Instruction Manual

## 1. INTRODUCTION

Thank you for choosing the HOOBRO BG48MZ03 Cat Tree with Litter Box Enclosure. This multi-functional cat furniture is designed to provide your feline companion with a dedicated space for climbing, scratching, playing, resting, and privacy. This manual provides detailed instructions for assembly, operation, maintenance, and important safety information to ensure a safe and enjoyable experience for your cat.

Image 1.1: Overview of the HOOBRO BG48MZ03 Cat Tree with Litter Box Enclosure.

## 2. SAFETY INSTRUCTIONS

Please read and follow these safety guidelines carefully to prevent injury and ensure the longevity of your product.

- **Adult Assembly Required:** This product must be assembled by an adult. Keep children and pets away during assembly.
- **Check All Parts:** Before assembly, ensure all parts are present and undamaged. Do not proceed with assembly if any parts are missing or broken.

- **Stable Placement:** Place the cat tree on a flat, stable, and level surface to prevent tipping. Avoid placing it near windows or areas where it could fall.
- **Regular Inspection:** Periodically check all screws, bolts, and connections to ensure they are tight. Tighten as necessary.
- **Weight Limit:** This cat tree is designed for cats. Do not allow children or adults to climb or sit on the unit.
- **Hazard Prevention:** Keep small parts, plastic bags, and packaging materials away from children and pets to avoid choking hazards.
- **Cleaning:** Clean the product regularly as instructed in the maintenance section to ensure a hygienic environment for your pet.
- **Tip-Resistant Feature:** This product includes a tip-resistant feature. Ensure it is properly installed to enhance stability.

### 3. PACKAGE CONTENTS

Please verify that all components listed below are included in your package. If any parts are missing or damaged, please contact customer support.

Image 3.1: Diagram illustrating the main components and features of the cat tree.

- Base Cabinet (Litter Box Enclosure)
- Top Platform with Soft Cushion
- Cat Hammock
- Sisal Scratching Posts (various sizes)
- Scratching Board
- Detachable Teaser Sticks with Hanging Balls
- Cat Food Bowl (removable)
- Assembly Hardware (screws, bolts, Allen wrench)
- Instruction Manual

## 4. ASSEMBLY INSTRUCTIONS (SETUP)

---

Follow these steps carefully for proper assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out. Refer to the parts list and diagram (Image 3.1) to identify each piece.
2. **Assemble the Base Cabinet:** Begin by assembling the litter box enclosure. Follow the numbered instructions provided in the separate assembly guide (if included) or connect the side panels, back panel, and bottom panel using the provided hardware. Ensure the shutter doors are correctly installed.
3. **Attach the Top Panel:** Secure the top panel of the enclosure to the assembled base cabinet. This panel will serve as the foundation for the upper cat tree structure.
4. **Install Scratching Posts:** Attach the sisal scratching posts to the designated points on the top panel and to each other, building the vertical structure of the cat tree. Ensure they are tightly secured.
5. **Mount Platforms and Hammock:** Install the various platforms and the cat hammock to the scratching posts as indicated in the assembly diagram. Ensure all connections are firm and stable.
6. **Attach Scratching Board:** Secure the inclined scratching board to its designated position, typically between a platform and the base.
7. **Add Accessories:** Place the soft cushion on the top platform. Attach the detachable teaser sticks with hanging balls to the appropriate posts. Insert the cat food bowl into its recess on the top of the enclosure.
8. **Install Tip-Resistant Kit:** For added safety, attach the provided tip-resistant strap to the back of the cat tree and secure it to a wall stud using the appropriate hardware. This step is crucial for preventing accidental tipping.
9. **Final Check:** Once assembled, gently shake the cat tree to ensure all parts are stable and secure. Tighten any loose connections.

## 5. OPERATING INSTRUCTIONS

---

This HOOBRO cat tree offers multiple features for your cat's well-being and entertainment.

### 5.1 Litter Box Enclosure / Cat House

**Litter Enclosure:** Private space with minimal mess and odor.

**Cat House:** Gives your cat a warm and safe spot for naps.

Image 5.1: The spacious interior of the enclosure can house a litter box or serve as a private cat bed.

- The bottom cabinet features double shuttered doors for breathability and an arched entrance for easy access.
- Use this space to discreetly place a standard-sized litter box, helping to contain odors and litter mess.
- Alternatively, the enclosure can be used as a private sleeping area by placing a cat bed inside.

## 5.2 Scratching Areas

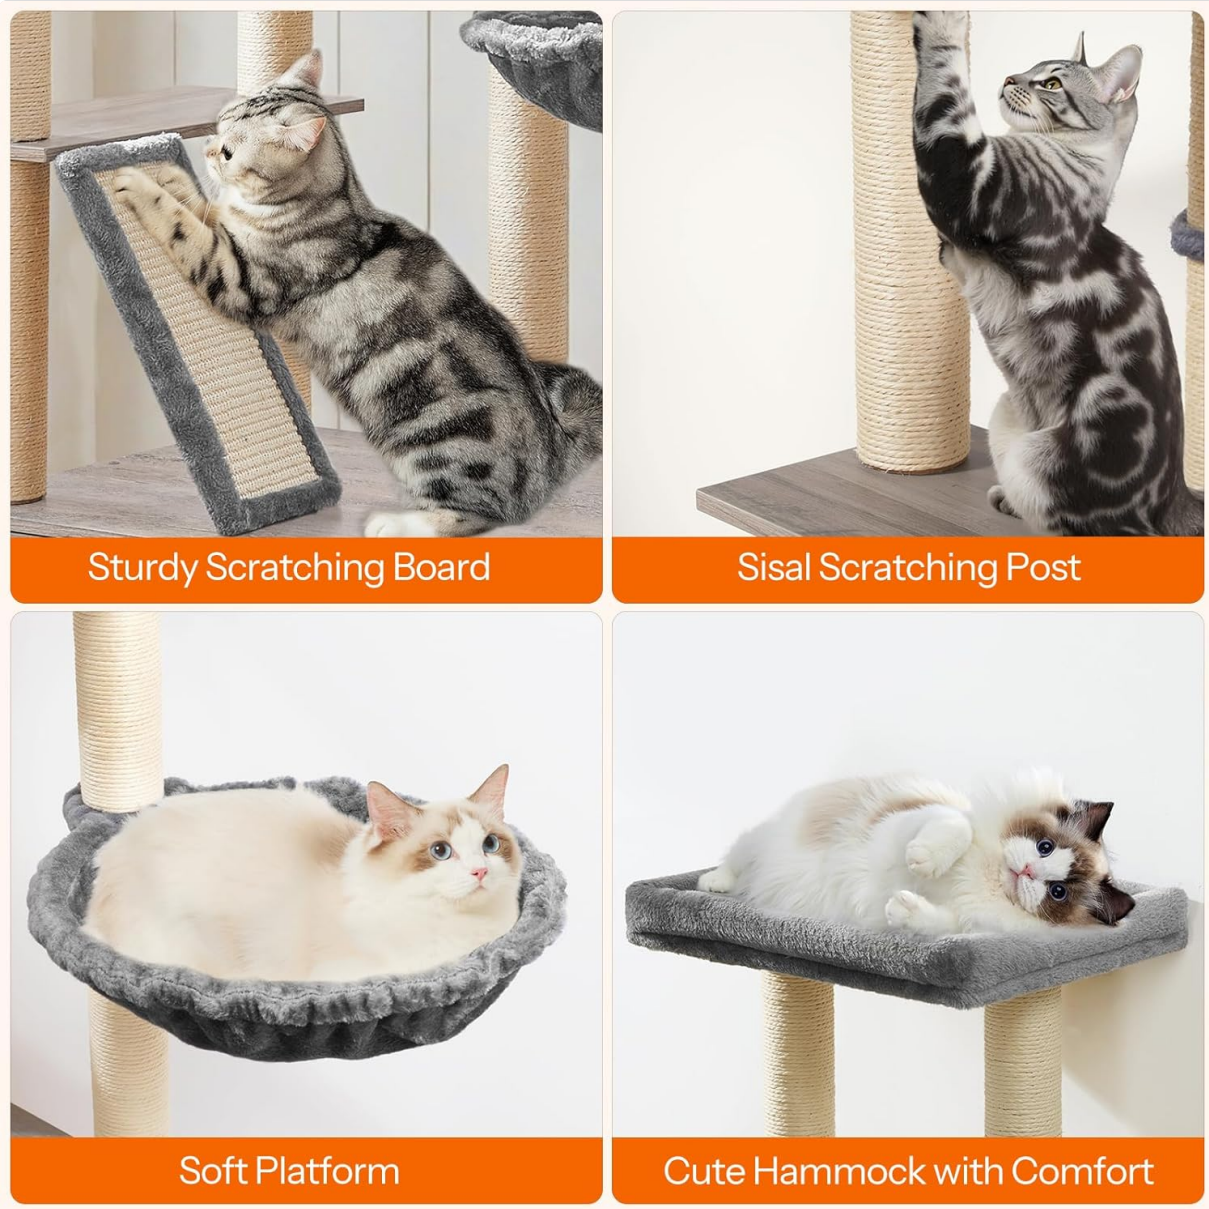

Image 5.2: Cats utilizing the sturdy scratching board and sisal scratching posts.

- The cat tree includes multiple sisal-wrapped scratching posts and an inclined scratching board.
- Encourage your cat to use these areas to satisfy their natural urge to scratch, protecting your furniture.

### 5.3 Resting and Play Areas

- **Top Platform:** The soft, plush-covered top platform provides a comfortable lookout spot for your cat to observe their surroundings or nap.
- **Hammock:** The flannelette hammock offers a cozy, suspended resting place.
- **Teaser Sticks:** The detachable teaser sticks with hanging balls provide interactive play opportunities, stimulating your cat's hunting instincts.
- **Food Bowl:** The integrated food bowl on the top of the enclosure allows for convenient feeding or water access.

## 6. MAINTENANCE

Regular maintenance will help keep your cat tree clean and extend its lifespan.

- **Cleaning Surfaces:** Wipe wooden surfaces with a damp cloth and mild detergent. Dry immediately.

- **Cleaning Plush Areas:** Use a lint roller or a vacuum cleaner with a brush attachment to remove cat hair from plush platforms and the hammock. Spot clean with a pet-safe fabric cleaner if necessary.
- **Litter Box Enclosure:** Regularly clean the litter box inside the enclosure. Wipe down the interior of the cabinet as needed to maintain hygiene.
- **Scratching Posts:** Sisal posts and boards are designed to be scratched. Replace them if they become excessively worn or damaged.
- **Hardware Check:** Periodically check all screws and bolts for tightness. Re-tighten as needed to ensure stability.
- **Food Bowl:** The stainless steel food bowl is removable and dishwasher safe for easy cleaning.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your HOOBRO cat tree, refer to the following common solutions.

- **Unit is Wobbly:**
  - Ensure all screws and bolts are tightened securely.
  - Verify the unit is placed on a flat, level surface.
  - Confirm the tip-resistant strap is properly installed and anchored to a wall stud.
- **Cat Not Using Scratching Posts:**
  - Try sprinkling catnip on the scratching surfaces.
  - Gently guide your cat's paws to the scratching areas to demonstrate.
  - Ensure the cat tree is in a prominent location where your cat feels comfortable.
- **Missing or Damaged Parts:**
  - Do not attempt to assemble with missing or damaged parts.
  - Contact HOOBRO customer support immediately for replacement parts.
