### vidaXL 3216426

# vidaXL Aviary with Extension, Silver, 209 x 203 x 216 cm Steel

Model: 3216426

## INTRODUCTION

This manual provides essential information for the safe and correct assembly, operation, and maintenance of your vidaXL Aviary with Extension. This product is designed to offer a secure and spacious environment for various birds and small animals. Please read all instructions thoroughly before beginning assembly or use to ensure optimal performance and safety.

## Safety Information

- Always wear appropriate safety gear, such as gloves, during assembly to protect against sharp edges on metal components.
- Ensure the aviary is assembled on a level, stable surface.
- Securely anchor the aviary to the ground to prevent overturning, especially in windy conditions.
- Keep children and pets away from the assembly area.
- Inspect all parts for damage before assembly. Do not use damaged components.

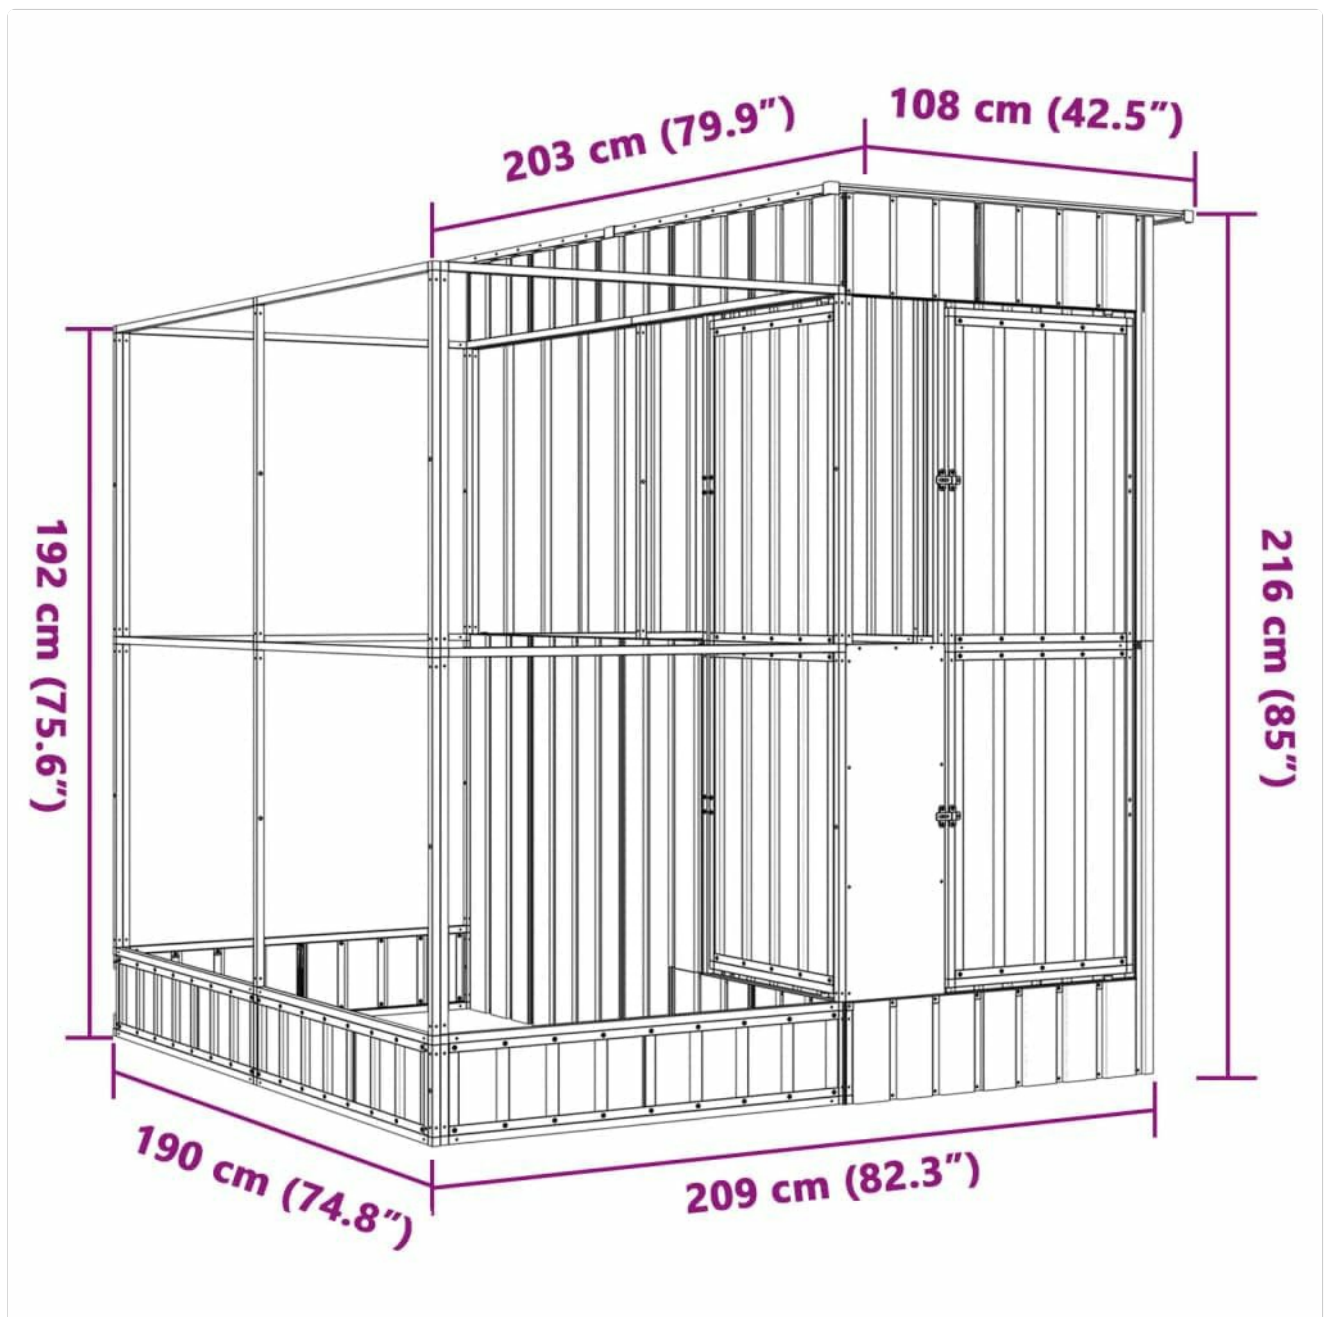

## SETUP AND ASSEMBLY

The vidaXL Aviary with Extension is delivered in a flat-packed format and requires assembly. We recommend two adults for the assembly process. While the galvanized steel frame provides robustness, careful attention to detail during assembly is crucial.

### Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components. Refer to the included parts list (if provided) to ensure all pieces are present.
2. **Frame Assembly:** Begin by assembling the main galvanized steel frame. Pay close attention to the orientation of bars and panels to ensure holes align correctly for fasteners.
3. **Panel Installation:** Attach the steel mesh grids and solid panels to the frame. Ensure all connections are secure.
4. **Door Installation:** Install the hinged door, ensuring the locking mechanism operates smoothly and securely.
5. **Roof Attachment:** Securely attach the roof panels to the top of the structure.

6. **Final Inspection:** After assembly, check all bolts, screws, and connections to ensure they are tightened and secure. Verify the stability of the entire structure.

**Figure 1:** Dimensional diagram of the aviary, showing overall height of 216 cm, width of 209 cm, and depth of 203 cm, with internal measurements.

**Figure 2:** Fully assembled aviary with its extension, situated in a garden, showcasing its design and size.

## OPERATING INSTRUCTIONS

---

This aviary provides a spacious and secure environment for your pets. It is suitable for medium to large birds, as well as other small animals such as rabbits, ducks, chickens, and geese.

### Daily Use:

- **Access:** Use the hinged door for entry and exit. Always ensure the door is securely locked after use to prevent animals from escaping and to protect them from predators.
- **Observation:** The steel grid design allows for easy observation of your animals and ensures adequate air circulation.
- **Space Utilization:** The generous dimensions provide ample space for animals to move, play, and fly comfortably.

**Figure 3:** Detail of the robust, lockable door latch, ensuring the security of the enclosure.

## MAINTENANCE

---

Regular maintenance will extend the lifespan of your aviary and ensure a healthy environment for your animals.

- **Cleaning:** Clean the aviary regularly using mild, non-toxic cleaning agents safe for animals. Rinse thoroughly with water.
- **Inspection:** Periodically inspect the galvanized steel frame, mesh, and panels for any signs of rust, damage, or loose connections. Tighten any loose fasteners.
- **Ground Anchoring:** Re-check ground anchors periodically, especially after strong winds, to ensure the aviary remains securely fixed.

**Figure 4:** Close-up view of the aviary's base and corner, highlighting the construction and material.

## TROUBLESHOOTING

---

If you encounter issues during assembly or use, refer to the following common problems and solutions.

- **Missing Parts:** If any components are missing upon delivery, please contact vidaXL customer support immediately with your model number and a description of the missing parts.
- **Assembly Difficulties:** If the instructions are unclear, review the diagrams carefully. Ensure all parts are oriented correctly before tightening fasteners. Assistance from a second person is highly recommended.
- **Sharp Edges:** Exercise extreme caution during handling and assembly of metal sheets and frames. Wear protective gloves to prevent cuts.
- **Instability/Wind Damage:** Ensure the aviary is properly anchored to the ground. If the structure feels unstable, re-check all connections and consider additional anchoring methods suitable for your local weather conditions.
- **Flimsy Fasteners:** If the provided fasteners seem inadequate, consider replacing them with higher-grade hardware suitable for outdoor use and structural integrity.

## SPECIFICATIONS

Brand	vidaXL
Model Number	3216426
Dimensions (L x W x H)	209 x 203 x 216 cm (82.3 x 79.9 x 85 inches)
Material	Galvanized Alloy Steel
Color	Silver
Weight	74.8 Kilograms
Number of Doors	1
Mesh Gap Size	1 Centimeter
Recommended for	Medium to large birds, rabbits, ducks, chickens, geese

## WARRANTY AND SUPPORT

vidaXL is committed to providing quality products. For any issues or support needs, please refer to the following information:

- Returns Policy:** This product is eligible for 30-day returns. Please refer to your purchase documentation for specific return procedures.
- Legal Guarantees:** Your purchase is covered by standard legal guarantees applicable in your region.
- Customer Support:** For assistance with missing parts, assembly questions, or any other product-related inquiries, please contact vidaXL FR customer support. Contact details can typically be found on your purchase invoice or the vidaXL official website.
