## ziqing Sword (God of Fire Kagura Style)

# Ziqing Handmade Anime Samurai Sword Instruction Manual

Model: God of Fire Kagura Style

## 1. INTRODUCTION

Thank you for choosing the Ziqing Handmade Anime Samurai Sword. This product is designed as a cosplay prop and a collectible item for enthusiasts. It is crafted to replicate the appearance of the God of Fire Kagura style sword from popular anime. Please read this manual carefully to ensure proper handling, care, and safe use of your product.

## 2. SAFETY PRECAUTIONS

This product is a prop and not a real weapon. Adherence to the following safety guidelines is crucial:

- **Not a Weapon:** This sword is intended for cosplay, display, and collection purposes only. It is *not* designed for combat, sparring, or striking objects.
- **Fragile Construction:** The blade is made of bamboo and the handle/scabbard from plastic. These materials are not designed for impact and can break if misused or dropped.
- **Handle with Care:** Always handle the sword gently. Avoid swinging it forcefully or hitting any surfaces.
- **Keep Away from Children:** Despite being a prop, it can still cause injury if not handled responsibly. Keep out of reach of small children.
- **Supervision:** When used by minors, adult supervision is strongly recommended.

- **Display Safely:** When not in use, store the sword in its scabbard and place it in a secure location where it cannot accidentally fall or be tampered with.

### 3. PRODUCT COMPONENTS

Your Ziqing Handmade Anime Samurai Sword package includes the following:

- **Samurai Sword (God of Fire Kagura Style):** Consists of the blade, handle (tsuka), and handguard (tsuba).
- **Scabbard (Saya):** The protective sheath for the blade.
- **White Belt:** A complimentary belt for carrying the sword, designed for cosplay use.

Image 3.2: Detailed view of the sword's handle and handguard, highlighting the design elements.

## 4. SETUP AND INITIAL USE

The Ziqing Handmade Anime Samurai Sword comes pre-assembled. No complex setup is required.

- Unpacking:** Carefully remove the sword and its scabbard from the packaging. Inspect for any visible damage.
- Belt Attachment:** The included white belt can be used to carry the sword for cosplay. Thread the scabbard through the loops on the belt as desired.
- Sheathing/Unsheathing:** To prevent damage, always hold the scabbard firmly when sheathing or unsheathing the sword. Guide the blade gently into or out of the scabbard. Avoid forcing it.

## 5. OPERATING INSTRUCTIONS (COSPLAY & DISPLAY)

This sword is designed for visual appeal and role-playing. Follow these guidelines for its intended use:

- **Cosplay:** Wear the sword as part of your costume. Be mindful of your surroundings to avoid accidental contact with people or objects.
- **Display:** The sword can be displayed on a stand or hung on a wall as a decorative item. Ensure it is securely placed to prevent falling.
- **Photography:** It is ideal for photo shoots to enhance character portrayal.
- **Blade Flexibility:** The bamboo blade has moderate flexibility. This is a design feature and not an indication of defect. However, do not intentionally bend it excessively as this can cause damage.

Image 5.1: Demonstration of the bamboo blade's moderate flexibility.

## 6. CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your prop sword:

- Cleaning:** Wipe the blade and scabbard with a soft, dry cloth to remove dust or fingerprints. Do not use abrasive cleaners or harsh chemicals, as they can damage the paint and material.
- Storage:** Store the sword in a cool, dry place, away from direct sunlight and extreme temperatures, which can cause material degradation. Always store it in its scabbard.
- Avoid Impact:** As mentioned in safety, avoid any form of impact or striking, as this will damage the prop.

## 7. TROUBLESHOOTING

While designed for durability within its intended use, issues can arise. Here are some common concerns:

Problem	Possible Cause	Solution
Blade or handle breaks/cracks	Excessive force, impact, or dropping.	This product is a prop and not designed for impact. Damage from misuse is not covered. For minor breaks, adhesive may be used for repair, but structural integrity may be compromised.
Paint chipping/fading	Friction, prolonged exposure to sunlight, or harsh cleaning agents.	Avoid rubbing against rough surfaces. Store away from direct sunlight. Use only a soft, dry cloth for cleaning.
Sword difficult to sheathe/unsheathe	Misalignment or debris inside the scabbard.	Ensure the blade is aligned correctly with the scabbard opening. Gently shake the scabbard to dislodge any debris. Do not force the blade.

## 8. PRODUCT SPECIFICATIONS
