Giantex GX11552-VJ Folding Sewing Table Instruction Manual

Brand: Giantex | Model: GX11552-VJ

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Giantex Folding Sewing Table. Please read all instructions carefully before use to ensure safe and efficient operation. This versatile table is designed to serve as a dedicated sewing station or a compact side desk, offering ample storage and mobility.

2. PRODUCT FEATURES

- **Multipurpose Design:** Seamlessly transforms from a compact cabinet to a spacious sewing machine station or side desk.
- **Ample Work & Storage Space:** Features a generous tabletop, 2 storage trays, 18 pegs for thread spools, and an open compartment for organizing sewing essentials.
- **Lockable Swivel Wheels:** Equipped with 5 universal wheels, all with brakes, for easy mobility and stable positioning.
- **Secure & Accessible Storage:** Magnetic door catches ensure doors remain securely closed, while a convenient knob and flexible metal hinges allow for easy access.
- **Stylish Farmhouse Aesthetic:** Incorporates a barn door design, adding a rustic and functional touch to any creative workspace.

3. SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended that one person performs the assembly. A hammer is recommended for certain steps. Please refer to the included assembly guide for detailed diagrams and part identification.

This video provides a visual guide to the assembly process for a similar folding sewing table, demonstrating key steps and component connections.

Key Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and verify against the parts list in your assembly guide. Each board is labeled for easy identification.
2. **Assemble Base Structure:** Connect the main panels using the provided hardware (e.g., cam locks, screws). Ensure all connections are secure.
3. **Install Shelves and Storage Components:** Attach internal shelves, thread pegs, and storage trays as indicated in the instructions.
4. **Attach Hinges and Doors:** Secure the hinges to the main body and attach the folding tabletop and barn doors. Ensure smooth movement.
5. **Install Wheels:** Attach the 5 universal lockable swivel wheels to the base of the unit. Ensure they are securely fastened.
6. **Final Checks:** Verify all screws are tightened and components are correctly aligned. Test the folding mechanism and wheel locks.

4. OPERATING INSTRUCTIONS

Folding and Unfolding the Table:

To expand the workspace, gently pull the hinged tabletop outwards from the main cabinet. Ensure the support mechanism (if applicable) is engaged to stabilize the extended surface. To fold, disengage any supports and carefully push the tabletop back into its compact position against the cabinet.

workspace.

Utilizing Storage Features:

- **Thread Pegs:** The 18 pegs are designed to hold various sizes of thread spools. Arrange your threads for easy access.
- **Storage Trays:** Use the two pull-out trays for smaller items like pins, needles, thimbles, or other notions.
- **Open Compartment:** The larger open compartment is ideal for storing your sewing machine when not in use, or for larger fabric pieces and craft supplies.

5. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals that may damage the finish.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary to maintain stability.
- **Wheel Care:** Keep wheels free of debris. Lubricate swivel mechanisms if movement becomes stiff.

6. TROUBLESHOOTING

- **Table feels unstable:** Ensure all lockable wheels are engaged. Verify that all assembly hardware is securely tightened.
- **Doors do not close properly:** Check for any obstructions. Ensure magnetic catches are aligned and functioning.
- **Thread spools do not fit pegs:** Some larger or non-standard thread spools may not fit the pegs. Consider alternative storage for these items within the trays or open compartment.
- **Wheels are difficult to move:** Check for debris caught in the wheels. Ensure brakes are fully disengaged.
