IMPORTANT SAFETY INFORMATION

- Keep away from fire.
- Ensure all hardware is securely fastened during assembly to prevent instability.
- Do not overload shelves or drawers to avoid tipping or damage.

SETUP AND ASSEMBLY

Assembly of the Vabches Makeup Vanity Desk is required. Please follow the step-by-step instructions provided in the included assembly guide. All pieces are labeled alphabetically, and hardware is labeled numerically for ease of identification. Pay close attention to the hardware numbers to avoid confusion (e.g., distinguishing between '6' and '9' if they appear similar).

Assembly Tips:

- Lay out all components and hardware before beginning.

- Use the correct tools as specified in the manual.
- It is recommended to have two people for assembly due to the weight of some components.

OPERATING INSTRUCTIONS

LED Mirror Functions:

The vanity mirror features touch controls for lighting and display functions:

- **Adjustable Lighting:** Tap the light icon on the mirror to cycle through 3 LED lighting modes: cool light, natural light, and warm light. Hold the light icon to adjust brightness levels within each mode.
- **Time and Temperature Display:** The mirror includes a built-in digital display for time and temperature. These will automatically switch between displays.

Integrated Charging Station:

The vanity desk is equipped with a convenient charging station located on the side. This station includes:

- 3 AC Outlets (120V / 12A)
- 2 USB Ports (5V / 2A)

Use these ports to power your hair dryer, curling iron, or charge your mobile devices while getting ready.

Hair Dryer Rack:

A dedicated hook for your hair dryer is provided for convenient storage and access. This rack can be installed on either side of the vanity.

Storage Features:

The vanity desk offers extensive storage solutions:

- **3 Large Drawers:** Ideal for organizing cosmetics, skincare products, and accessories.
- **2 Cabinets:** Spacious cabinets with shelves provide additional storage for larger items like handbags or extra supplies.
- **Open Shelves:** Located on either side of the mirror, these shelves are perfect for displaying frequently used items or decorative pieces.

MAINTENANCE

To maintain the appearance and longevity of your Vabches Makeup Vanity Desk, wipe surfaces with a dry cloth regularly. Avoid using harsh chemicals or abrasive cleaners that may damage the finish.

TROUBLESHOOTING

LED Mirror Not Lighting Up:

- Ensure the vanity is properly plugged into a working power outlet.
- Check if the power button on the mirror is pressed.

Digital Display Issues:

- If the time or temperature display is incorrect, ensure the vanity has been powered on for a few minutes to allow for proper synchronization.

Drawers or Doors Not Closing Smoothly:

- Verify that all assembly screws for the drawer slides and door hinges are tightened correctly.
- Check for any obstructions within the drawer or cabinet tracks.

If you encounter any other issues or require further assistance, please contact Vabches customer support.
