PURPLE LEAF 8' X 8' Cantilever Patio Umbrella

PURPLE LEAF 8' x 8' Cantilever Patio Umbrella User Manual

Model: 8' X 8' Cantilever Patio Umbrella

INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your PURPLE LEAF 8' x 8' Cantilever Patio Umbrella. Please read all instructions carefully before use to ensure proper function and longevity of the product.

SAFETY INFORMATION

- Always close the umbrella during strong winds, heavy rain, or other severe weather conditions to prevent damage or injury.
- Ensure the umbrella base is adequately weighted to maintain stability. A weighted base is not included with this umbrella and must be purchased separately.
- Do not attempt to modify the umbrella structure or components.
- Keep children and pets away from the umbrella during opening and closing operations.

SETUP INSTRUCTIONS

Assembly of the PURPLE LEAF Cantilever Patio Umbrella is designed to be straightforward. Follow these steps for proper installation:

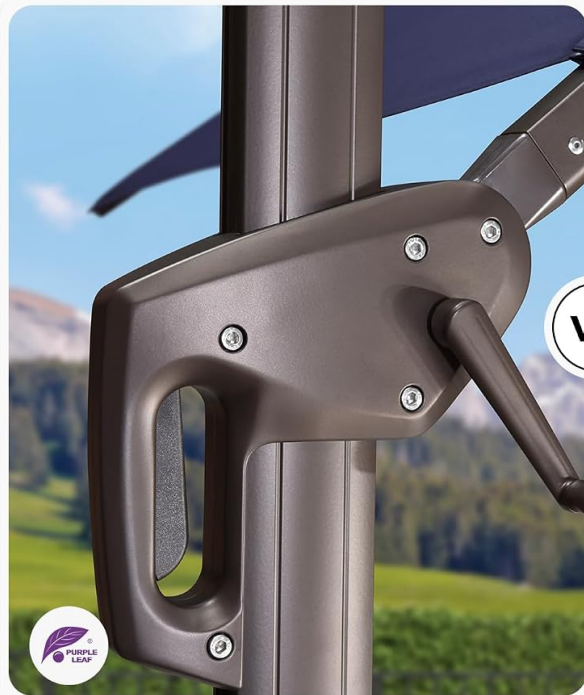

1. Unpack all components and verify against the parts list (not provided in this document, refer to packaging).
2. Assemble the main pole sections.
3. Attach the umbrella canopy to the pole assembly.
4. Secure the assembled umbrella into a suitable weighted base. **Note: A weighted base is essential for stability and is not included.**

For a visual guide on the installation process, please refer to the video below.

OPERATING INSTRUCTIONS

Your cantilever umbrella offers flexible shading options through its adjustable features.

Opening and Closing the Umbrella

The umbrella features a crank system for effortless opening and closing. Rotate the crank handle to extend or retract the canopy. Ensure the area is clear before operating.

360° Rotation

The umbrella can rotate 360 degrees horizontally, allowing you to adjust the shade position throughout the day without moving the base. This feature is typically controlled by a foot pedal located at the base of the pole.

8 Heavy Duty Aluminum Ribs

A dependable choice for all weather conditions

MAINTENANCE

Regular maintenance will extend the life and appearance of your umbrella.

Canopy Care

The umbrella canopy is made from 240 gsm yarn-dyed polyester fabric, which is fade-resistant, waterproof, and offers UV protection. To clean, gently brush off loose dirt, then spot clean with a mild soap and water solution. Rinse thoroughly and allow to air dry completely before closing or storing.

3 Years Fade-Resistant

Frame Care

The main pole and eight heavy-duty ribs are constructed from aluminum with an anti-oxidation spray coating. Clean the frame with a damp cloth and mild soap. Avoid abrasive cleaners. Inspect the frame periodically for any signs of wear or damage.

Storage

During off-season or prolonged periods of non-use, it is recommended to store the umbrella in a dry, protected area. Consider using a protective cover to shield it from elements and prolong its lifespan.

TROUBLESHOOTING

- **Umbrella instability:** Ensure the base is properly weighted. If using a water/sand-filled base, confirm it is completely filled.
- **Difficulty opening/closing:** Check for any obstructions in the crank mechanism or canopy fabric. Apply a silicone-based lubricant to moving parts if necessary.
- **Canopy not tilting/rotating smoothly:** Inspect the adjustment mechanisms for debris or damage.

If you encounter issues not covered here, please contact customer support.

SPECIFICATIONS

Brand	PURPLE LEAF
